The teachers of the Presbyterian Sunday school held a most enjoyable social conference in the hall last Thursday night when plans were laid and a program prepared for the Autumn and Winter work in the classes. At the invitation of the lady members of the staff, the teachers, to the number of twenty four, sat down to an elaborately prepared supper, which needless to say was much enjoyed. The Pastor Rev. Mr. Strathie presided, and after full justice had been done to the good things provided, presented the ladies in fitting terms with an unanimous vote of thanks moved by D. K. Currie and seconded by D. Gordon. The company then, adjourned to the parlor where the winter's work was fully discussed and arrangements made with a view to further progress and more efficient work in the already excellent school. In this the conference was materially assisted by Rev. A. D. Archibald, Field Secretary of P. E. I. S. S. Association who from his wide experience gave many valuable suggestions for the guidance of the teachers in their work.

Thin Blood Makes a Weak Body

But You Can Enrich the Blood and Send New Vigor Through the System by Using Dr. Chase's Nerve Food.

Every nerve and every muscle of the body depends on the blood for nourishment. Thin, watery blood makes weak nerves and flabby muscles. The heart fails in its work of forcing blood through the body; the lungs, the stomach, the liver, kidneys and bowels all do their work in an imperfect way, and you drag about weak, tired and miserable.

The use of Dr. Chase's Nerve Food makes a radical change in every human system that is starved and impoverished for want of rich, pure and life-sustaining blood.

Gradually, certainly and naturally it instils new vigor into every nook and corner of the body, restores health and vitality, and puts a new joy into life.

Note your increase in weight while using Dr. Chase's Nerve Food; 50 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto.
