

CHANGE of LIFE

Owing to modern methods of living, not one woman in a thousand approaches this perfectly natural change without experiencing a train of very annoying and sometimes painful symptoms. Those dreadful hot flashes, sending the blood surging to the heart until it seems ready to burst, and the faint feeling that follows, sometimes with chills, as if the heart were going to stop forever, are only a few of the symptoms of dangerous nervous trouble. The nerves are crying out for assistance. The cry should be heeded in time.

Lydia E. Pinkham's Vegetable Compound

was prepared to meet the needs of woman's system at this trying period of her life, and all women who use it pass through this trying period with comfort and safety.

READ THESE CONVINCING LETTERS:

"DEAR MRS. PINKHAM:—I feel it my duty to write you about the wonderful cure your medicine has brought about.

"I suffered for years with change of life. I would have fainting spells, either before or after my monthly periods. They would come on me suddenly. Sometimes I would be on the street.

"I had pains all over me. My head ached all the time, could take no walks or go up stairs without becoming completely exhausted. I suffered untold misery. I tried doctor's medicines for a long time, but derived no benefit.

"I cannot say too much in praise of Lydia E. Pinkham's Vegetable Compound, and would advise all sufferers of female trouble to use it, for it will certainly cure them."—Mrs. LIZZIE C. BARTON, Buchanan, Va.

When one stops to think about the good these women derive from it, yet it is all true as stated in their letters published above at

For these pills no other medicine in the world has received such widespread and unqualified endorsement. Refuse all substitutes.

As a positive fact the private files at Lydia E. Pinkham's laboratory contain thousands of letters from women who have been safely carried through that danger period "Change of Life." The cures of Mrs. Reynolds and Mrs. Blake are not unusual ones for this medicine to accomplish.

"DEAR MRS. PINKHAM:—My trouble was change of life and cramping. No human tongue can describe what I suffered with the cramp. I dreaded from one time to another so much that I almost wanted to die.

"Our family physician did everything he could for me, but I got no relief. He said if I lived to get through with the other trouble, it would wear away after a time, but I had it six years and could not walk or exercise in any way without bringing on an attack of the cramp, and I would suffer untold misery until I would be perfectly exhausted and helpless.

"I read in one of your little books about your medicine being good for female trouble and change of life, and thought there was no harm in trying it, so I did, and it helped me and I was able to take walks and work some.

"I am very thankful for the relief your medicine has been to me."—Mrs. V. M. BLAKE, Deep Water, W. Va. from this great medicine, it seems almost beyond their own request.

No such helpful advice to women who are sick can be had elsewhere as will be received free by addressing Mrs. Pinkham at Lynn, Mass.—If you are sick, write her—you are foolish if you don't.
