CORNWALL AND VICINITY
BUYING TURNIPS — Geo. H. Tombs & Son. 1894-2-22-31
Miss Emily Platts, teacher of Cornwall School, spent the week end at her home in Charlottetown.
Congratulations are extended to Mr. and Mrs. Fulton Moreside on the arrival of a bonnie baby girl.
A very interesting game of hockey was played in Hunter River Rink Feb. 11th, when the H. R. Royals and the Cornwall C. C. crossed sticks. Art Worth refereed the game to the satisfaction of all. Game ended 4-2 in favor of Royals.
Miss Thankful Bain attending P. W. C., spent the week end at her home in Cornwall.
Mr. and Mrs. Leonard MacDonald, Charlottetown, visited the rink here last Saturday night.
Among those who attended the hockey game at Hunter River were the Misses Emily Platts, Ina Livingstone, Mary Scott, Tillie Boyle, Laura Scott, Helen Scott, Reta Abbott, Mr. and Mrs. Milton Wheatley, and the Messrs. Jack Scott, Melvin Scott, Gordon Frizzell, L. MacDonald, E. Frizzell, R. MacEwen, G. MacEwen, C. Murchison, G. McMillan, N. Hyde, H. Stone, B. Moreside, G. Boyle.
The only kick coming in Cornwall is from the farmers nad general merchants, that they cannot get the boys up early enough in the mornings.
Mr. Henry Taylor spent Sunday with Mr. Harry Scott, Cornwall.

VERNON RIVER AND VICINITY
The semi-annual examination of Vernon River School was held on Friday, Jan. 31st. Due to the inclement weather the attendance of both pupils and ratepayers was not as large as usual. The pupils were examined in the various subjects by Father McGuigan, Miss Myrtle Ross and the teacher, Miss Helen Solomon, and showed by their answers that they have been carefully trained by their teacher. Complimentary remarks were then made by Father McGuigan and others.
Mr. and Mrs. Clarence McLean, were recent visitors to the city.
Mrs. Duncan Matheson, V. R., visited her son Furness, of Cherry Valley last week.
The many friends of Mr. Angus McDonald, are sorry to learn that he is still indisposed.
Mrs. Joe McDonald who has been ill for some time is somewhat improved and we wish her a speedy recovery.
On February 5th, a number of young people from the surrounding districts assembled at the home of Mr. and Mrs. Howard Richards to present them with a dining room suite. After Mr. Shaw McMillan gave the address and the presentation was presented Mr. and Mrs. Richards thanked all for their kind remembrance. The remainder of the evening was spent in dancing. A dainty lunch was served by the hostess and the people departed, wishing Mr. and Mrs. Richards many years of happy wedded life.
The "kiss" men have been busy lately installing telephones along the Vernon River road.

George Tweedy, lawyer, city visited his old home here recently.
The many friends of Mr. Lester Hayden are sorry to hear that he is not improving very much.
Measles are very prevalent in this vicinity.
Mr. and Mrs. Mackie McLeod were recent visitors to Murray Harbor.
Among the visitors to the city were: Miss Pansy Wood, Miss Hennessey, Dr. Collins, Frank Hayes, Frank Lea, Garfield Shaw and Wm. Matheson.
Mr. A. R. McInnis, city, was a recent visitor to Vernon River.
The severe storm of Sunday caused a great deal of damage in these parts. The snow shovellers were busy Monday clearing the snow from the "alley track".
Mrs. Edward Sterns, Ugg., was a visitor to the city.
The farmers in these parts have been busily engaged in hauling wood.

PETERS ROAD AND VICINITY
The slashing gale and snowstorm which concentrated with such relentless fury upon our Island Province on the 16th inst., will probably rank as one of the fiercest experienced here for some time. Several buildings, barns and out-buildings in this vicinity have been wholly or partially destroyed.
The social and entertainment held under the auspices of the Women's Institute of Alliston School District at Cambridge Hall on the 13th inst., was highly successful. When the entertainment was opened at 8 o'clock, the hall was crowded with an expectant audience. The program was interesting and lively, and as the different parts were carried through much applause and many encores greeted the performers. Instrumental music to the harmony of violin, harp and organ was furnished by Mr. James Thompson, Miss Bessie Beaton, Miss Christina Acorn and Mrs. James Thompson. At the conclusion of the program the baskets were auctioned off by Mr. Edward Lannigan in his own inimitable style.
Tea was served by the Women's Institute in the luncheon room, where all and sundry repaired for refreshments. The proceeds amounting to the sum of about \$80 will be used for improvements in the Alliston School.

LAST WEEK OF SCHOOL CLINICS—During the past week there were 1366 children inoculated at Diphtheria Immunization Clinics held in the City Schools and at the Red Cross Office. This number includes seventeen first inoculations, which is an encouraging indication that these clinics are being appreciated more and more by the parents. Thursday morning Drs. W. J. P. McMillan, and G. L. Smith gave 189 pupils of Rochford Square School their third treatment, eighteen their second, and one little girl came along for her first injection. Yesterday morning Drs. J. D. McGuigan and C. C. Archibald gave 99 pupils at Notre Dame Academy their inoculations, while the clinic at the model school was conducted by Dr. F. W. Tidmarsh who gave 77 children their treatment. This closes the third and final week for school clinics. On account of the poor attendance in the schools this week there are still a number of pupils due for second and third inoculations. These pupils along with the pre-school children who could not come out last Wednesday may receive their treatment at the pre-school clinic, held at the Red Cross Office on Wednesday afternoon, Feb. 26. Clinics will continue to be held at the Red Cross Office on Wednesday afternoons so that the children receiving their first inoculations this week may finish their course of treatment which is three inoculations of toxoid three weeks apart. All children and especially those of pre-school age will be welcome at these clinics.

Quarterly Meeting Of The W. C. T. U.

Queens County Women's Christian Temperance Union quarterly gathering took place on Friday, the 21st, in the Parish Hall of St. Paul's Church, Charlottetown. The members were glad to welcome many friends, and the number of those assembled was over fifty. Mrs. Rowland Melkie, Convener of the Luncheon Committee, was well deserving of the hearty thanks accorded her, as were her workers and those who provided the delightful luncheon. And to St. Paul's, for the use of so pleasant a place of meeting, the thanks of the W. C. T. U. is most cordially extended. The absence of Mr. and Mrs. Raymond was sincerely regretted, and among others who were unavoidably absent were His Honor Governor Hertz, Rev. D. V. O'Meara, Rev. G. A. Grant, Rev. H. S. Bishop, and the following to whom letters of greeting were appointed to be sent by the Secretary: Mrs. W. P. Doull, Local President, who is at present confined to her home through illness, but whose interest is ever manifested in the organization so dear to her heart. A note of greeting to the Convention from Mrs. Doull, accompanied by a gift toward the County Funds, was presented at the meeting. Mrs. Doull's last deed ere her collapse in December was to conduct a local meeting of the Women's Christian Temperance Union.

BELFAST—Divine service in the Presbyterian Church, Sunday, Feb. 23rd, at 11 a. m. (One service only.) Mr. Rodger will preach.

POLICE COURT—At the Police Court yesterday morning the case of a juvenile, charged with theft, was remanded till Monday.

REV. M. SCOTT FULTON, Minister of Zion Church, who has been indisposed for the last while, will occupy his pulpit again Sabbath coming, morning and evening.

FURTHER DAMAGE—A barn and tannery belonging to Mr. John A. McDonald, Lyndale, were completely demolished during Sunday evening's severe blizzard, also two barns belonging to Mr. Lester McLeod, Dundee. The storm was the severest felt in these parts of the Island within the memory of the oldest inhabitant.

TRINITY UNITED CHURCH—Early prayer meeting at 10 a. m. The Junior Congregation will meet as usual, the preacher at morning service being Rev. Dr. Ramsay. An anthem will be rendered by the choir. Sabbath School and Bible Classes meet at 2:30 p. m., with classes for all. Rev. C. N. Brown will preach at evening service, and the music will include a solo by Miss Margaret Stearns, and an anthem by the choir. This service broadcast by CHECK. At 8:15 p. m. the young people will hold their service of praise in Hertz Memorial Hall.

INDISCRIMINATE SHOVELLING of the snow and ice from the sidewalks made walking very disagreeable yesterday as the water from the thawing snow became dammed up within the shovelled areas between slaps of ice on each side. Every citizen should take advantage of the mild weather to have the ice removed from before his or her premises. Slippery streets are unpleasant enough to walk on at any time, but when a few people insist on shirking their duty as citizens the last condition becomes worse than the first.

ENJOYABLE RECITAL—A beautiful recital was rendered in Wheatley River Hall on Thursday evening, Feb. 13th, by Mrs. E. Holden McLure under the auspices of the W. M. S. of Fairview Baptist Church. The program divided in two parts by intermission and sale of candy was of nearly two hours duration consisting of ten piano solos and ten vocal solos with piano or autoharp accompaniments. The program throughout was of high order but special mention might be made on two original songs entitled "My P. E. Island Home" and "Little Jack Frost." Very good order prevailed throughout and great interest increased as the program continued. Mr. Philip Matheson very capably presided as chairman and rendered additional assistance in announcing separate parts of several descriptive piano solos (Patriot please copy).

Beakfast is Your Most Important Meal
At no time in the world's history has the question of diet reached the importance it has at the present time. Physicians when prescribing for the ill of humanity lay great stress on what to eat and what not to eat and it is interesting to note that whole wheat plays a prominent part of the dietary as laid down by the medical profession. The physician will generally explain that whole wheat contains all the nourishing elements—protein for body building, carbohydrates for energy, mineral salts for bone tissue, vitamins B and E for energy, vitality, and brain for safe regulation. To meet the requirements of modern life, it is universally agreed that the "light" breakfast is supremely important. What the meal lacks in volume it must make up in nourishment essential to the development of healthy youngsters, vigorous men and husky women. Of all the grains grown, wheat is the richest in food value. With children the morning cereal for breakfast is the necessary element. After the night's rest their small stomachs are empty and it is imperative that good nourishing food be taken into the system. The food children eat in the morning can do them the most good or the most harm. If the flavor of the cereal is appealing, no coaxing will be necessary and the flavor is appealing when the cereal happens to be the ever popular Shredded Wheat—the crisp Biscuit that requires no cooking and may be served with any of the fresh, or hot-house fruits served at the family table. Many suggestions on how to serve Shredded Wheat will appear in this paper from time to time in interesting Shredded Wheat advertisements describing the delicious combinations that can be made with this cereal for hot weather and winter meals.
