REAL BOYS

Boys that are full of "jump" and "ginger" and "go" should have sturdy, wear-proof stockings, no other kind will stand their romping and hustling.

We want parents to investigate the "Gordon" Stockings. They're strongly made—thick in texture, they're absolutely fast black and it takes a mighty lively boy to wear them out before they ought to wear out.

Furniture of Quality We Keep Pounding Away on Quality

We don't want you to forget it. It is more important than price in the Furniture business. The long-wearing qualities of Newson's Furniture are known all over P. E. Island. Added to this important quality is the extreme lowness of price which prevails at this store. This combination of high quality and low price is what has made this store what it is—the place where people of means are sure of GOOD things—where those of slender purse are sure of full value for their money. Come here for your next furniture purchase.
