### IRWIN-ROBERTS NUPTIALS

Willena Madison Irwin, the only daughter of Mr. and Mrs. William H. Irwin (May Finlayson) was married Aug. 9, 1932, at the Park Ave. Congregational Church, Arlington Heights, by Rev. Broeg, of Wilbur Weston Roberts of Lexington, Mass., son of Mr. and Mrs. Eli Roberts. Mrs. Roberts is the grand daughter of Mrs. Peter Finlayson and the late Peter Finlayson. The Wedding March was played by Alice and Dorothy Brenton, cousins of the bride. The bride wore white georgette and a veil caught with orange blossoms and carried white roses. The maid of honor was a school chum of Mrs. Roberts, Mrs. Fred Dickey of Wol-laston. She wore white taffeta and carried red roses. Ralph Roberts of Lexington was his brother's best man. The ushers were Irwin Finley of Arlington, Reginald Brenton of Cambridge, Charles Irwin of Winchester, cousins of the bride, and William Irwin of Winchester, brother of the bride. After the ceremony a reception was held in the parish house with over 300 present. They were served with refreshments by Eleanor Argen, Betty Evans, Ena and Gwendolyn Johnson, Marion Elliott, Hilda Monroe, Dorothy Nevins, Violet Burns, Sunday school pupils of Mrs. Roberts', Helen Collins, Eleanor and Ruth Irwin, Beatrice Finley, cousins of the bride. Mrs. Roberts is a graduate from Burdett College and has been a worker in the Park Ave. Church. Besides having a Sunday class she has been treasurer of the Sunday School Department. Mr. Roberts is in the fruit business. After a wedding trip through Maine they will make their home in Reading. On the Friday before the wedding Mrs. Roberts was given a surprise shower by her friends at the home of an uncle, Mr. John Irwin of Winchester. Mrs. Roberts was called in the evening by her uncle and when she went to the house was ushered into the room and the lights were turned on. There were over 50 guests present. Over the door was a wedding bell and when the bride-to-be walked under it rose petals fell. The house was prettily decorated with white and pink. Mrs. Roberts' chair was also decorated with white and pink. After the presents had been opened delicious refreshments were served. The evening was spent in dancing and singing. Friends were present from Somerville, Malden, Arlington, Lexington and Winchester.

### IT'S A CHIC-K JOB

The French might call it *chic*—a smart-looking, modern bathtub made glistening clean with Bon Ami. But experienced Bon Ami users call such quick, easy cleaning a “chick” job. Because, in 40 years, Bon Ami “hasn't scratched yet!” Not a bathtub, basin, mirror, window, kitchen sink—or any other surface. For Bon Ami is a fine, snowy-white cleanser that penetrates and “blots up” the dirt. It has no odor—doesn't clog drain pipes—doesn't redden or roughen your hands. Use it to polish metals, clean white woodwork—and for scores of other household cleaning jobs. Sold at grocery stores everywhere. Bon Ami Limited . . . . . Montreal
