COWAN'S ACTIVE SERVICE CHOCOLATE

For our Heroes

At times during heavy bombardment the army commissariat becomes so disorganized that ordinary food is unobtainable for days.

During such times as this the value of a convenient and concentrated food that may be carried and handled easily, cannot be over-estimated.

Active Service Chocolate answers all the requirements of such a food. It is the most nourishing and wholesome chocolate manufactured. If you are unable to obtain this chocolate in your locality, write us, we will see that you get it.

Sold in 5c. and 25c. sizes.

The Most Artistic Roof

is the one that completely harmonizes with the design and finishing of the house. For this reason there is a steadily increasing demand for Brantford Asphalt Slates for the modern style of homes.

Brantford Asphalt Slates have a surface of crushed slate embedded into our asphalt coating, the base of the roofing being felt saturated with asphalt. They are cut the size of shingles, and their beautiful soft colors of reddish brown and dark green give a roof a most artistic appearance. The colors are the natural shades of the slate as it comes out of the quarries. Brantford Asphalt Slates are, therefore, unfadeable—never require painting.

Brantford Asphalt Slates

are accurate in size and pliable, which makes them very easily handled and quickly laid, saving time and labor, and therefore costing less to lay.

Brantford Asphalt Slates make an artistic, durable and economical roof. Booklet describing them mailed on request.

ANNANDALE—The fishermen are getting busy as the herring have come in sufficiently to give them a start. Those who had traps baited got some lobsters on Saturday. It is reported that Mr. E. McFarlane's factory at Cape Spray is going to commence packing on Monday. There was quite a rush of potatoes to the village on Saturday last as the schooner J. B. Martin was loading for Messrs. Morrow & Co. and Mr. E. McFarlane. Mr. A. C. Myers has returned home from Cape Breton, where he was seeing about his vessel that he loaded last fall with potatoes. When he got there he found that the schooner had sunk about 10 miles from North Sydney.—There was a lively run away at the village on Friday last. Mr. Thomas Taylor's horse, which was attached to a truck wagon, took fright and ran home, the distance of about three miles, at a lively rate. In going up the road opposite Mr. John Howlett's wagon came in contact with the telephone posts, knocking two of them down. No one was hurt. Sorry to report the death of Mr. John Mills of Bay Fortune, which happened very suddenly on Thursday the 16th. Deceased was found dead at his barn to which place he had gone only a short time before. The annual meeting of the Army and Navy Club was held Tuesday evening in their rooms, Market Building, Colonel Moore, in the absence of the President, Major McRae, who was unavoidably detained in the country, occupied the chair.

The usual routine business was transacted and the election of officers for the ensuing year followed. It resulted in the election as President, of Captain Cyrus Martin, of Springfield, who has been overseas since the beginning of the war, and is now sub-inspector of Dominion police for P. E. Island. Sergeant Victor Saunders was elected Secretary-Treasurer. The various committees who had held office since the formation of the Society, were re-elected on bloc.

After some discussion it was decided to hold a rifle shoot for patriotic purposes at Kensington Range on Victoria Day, and a committee was appointed to make arrangements as to matches, prizes, etc.

This concluded the regular business of the meeting, after which Mayor Wright was asked by the veterans to occupy the chair during the "Smoker" which followed. He gracefully consented and made a very happy speech, in which he introduced several entertainers, including Prof. Watkins, who was the pianist of the evening, Lieut. Beer and Major Stanley, who all delighted the boys with music, songs and readings.

Coffee and cake were served by the Ladies' Auxiliary, and cigars and cigarettes by the Mayor.

After spending a couple of very delightful hours over the coffee, cake and cigars, the meeting broke up with cheers for the King, the Mayor, and the Ladies.
