## WHITE STAR-DOMINION LINE INNOVATION

The large travel by the One Class Cabin steamers of the White Star-Dominion Line has prompted that Company to place Orchestras on the "Teutonic" and "Canada" which are now employed in this service. With this added facility One Class Cabin steamers offer today almost every advantage of First Class passage on the larger liners, and people of moderate means who have hesitated to go aboard because of the expense involved, find that this type of vessel affords excellent accommodation at such moderate rates that there is no longer any reason for hesitancy on this score. This

means that all White Star-Dominion Line steamers are now supplied with Orchestras. 2996.

## IN MEMORIAM

MISS ELIZABETH BARRY.  
On June 2nd, another bright young life came to a sudden close when death entered the home of George and Mrs. Barry at St. Peter's Harbor and removed in the bloom of womanhood their only daughter Lizzie aged 25 years.  
On the Thursday before her death she was taken ill and although it was not thought to be serious, a doctor was immediately called, but pneumonia quickly developed and medical skill combined with tender nursing proved to be in vain and on Thursday evening last having made her peace with God fortified by the last sad Rites of the Catholic Church her pure spirit peacefully winged its flight into eternity.  
Miss Barry was a genial favorite. Her rare beauty of character, her kind sympathy and helpfulness to others in times of bereavement, her quiet gentle manner endeared her to all. Her funeral on Thursday morning to Morell was attended by many sorrowing friends. Rev. A. J. McIntyre conducted the burial service when her body was reverently laid to rest. To the parents and brothers so sorely bereaved, sincere sympathy is extended.  
Lord Jesus Christ to whom she prayed,  
Carry her soul to rest,  
Hide her sins in Thy sacred wounds,  
And place her with the blest.

**Biliousness**  
It certainly one of the most disagreeable ailments which flesh is heir to. Coated tongue—bitter taste in the mouth—nausea—dizziness—these combine to make life a burden. The cause is a disordered liver—the cure Dr. Morse's Indian Root Pills. They go straight to the root of the trouble, put the liver right, cleanse the stomach and bowels, clear the tongue and take away the bitter taste from the mouth. At the first sign of biliousness take
