THE CHANGED FIRESIDE

Friends of Rev. Harry S. Erb in P. E. Island will appreciate this effort, recently given publicity through the columns of the Woodstock Press. Rev. Mr. Erb, now and then, gives Maritime people some splendid verse and prose. 'Tis the hearth-stone fire burned brightly Sending out its cherry rays, Yet, the home seemed strangely lonely So unlike the by-gone days. Then the merry voices, mingling With the sound of nimble feet, Coupled with the peace and plenty, Made the joys of home complete. Some who formed that fireside circle In these days with gladness rife, Long have left the scenes of childhood — Bearing now the stress of life. Some in life's glad, sunny morning, Others ere their prime was o'er, Passed beyond the 'Vale of Shadows', — These will gladden home no more. But within the inner sanctum Of these aged hearts, oppressed, Live these precious forms and faces Who were once their fond bequest. And the "Light of Hope" still lingers, O'er the old folk, brightly shed, Giving them uplifting glimpses Of the 'Home Land', just ahead. Thus, the ties of earth are snapping; At each fireside, falls the tear Over some bright hope, long buried That was held supremely dear. But to all whose Faith looks upward, There shall dawn a cloudless day, And its light will bring Thanksgiving For each cross, that hedged the way.

A New Chocolate Fudge

If you like fudge, and want a new treat in this delicious made confection, just try the following recipe:— Mix 2 cups granulated sugar, two tablespoons FRY'S Chocolates Icing Powder and a piece of butter size of a walnut. Stir in one cup of milk and boil very slowly from 20 minutes to a half hour—until it forms a ball when dropped into cold water. A few nuts make a pleasant addition. Remove from fire heat until still, pour into pan, and when cool cut into squares. FRY'S Chocolates Icing Powder makes fudge of an exquisitely delicate and rich flavor. Try it
