On the Advice of His Doc'o

He Used Dr. Chase's Ointment for Protruding Piles With Splendid Results.

Too often a doctor can only think of an operation when asked for a treatment for piles. Some are sufficiently broad-minded to use the most effective treatment available, which is undoubtedly Dr. Chase's Ointment, as was proven in the case referred to in this letter.

Mr. Simon E. Jones, Railway street, Inverness, N. S., writes:—I have found Dr. Chase's Ointment the best treatment obtainable for protruding piles, and was advised by a local physician to try Dr. Chase's Ointment. I had tried many treatments in vain, and therefore know which is the best. I can highly recommend Dr. Chase's Ointment, and you are at liberty to use this statement.

The record of cures of every form of piles which stands behind Dr. Chase's Ointment is the strongest guarantee you can have that it will promptly relieve and cure this ailment, even in the most aggravated form. 60c a box, all dealers.
