EXPLOSION KILLS SEVEN

(A. P. By Guardian's Special Wire)
PARIS, July 17.—The accidental explosion of a shell at Salut German-en-Laye today killed seven soldiers and wounded 25, bringing the total number of French fighting men killed in summer manoeuvres to 12 within a week.
The shell, thought to be a "dud," exploded playfully by a member of the notorious Sixth Cavalry Regiment.
The soldier who threw the shell was one of those killed. Five of the injured were given blood transfusions, and one lost a leg.
Yesterday two air officers were killed in a plane crash at Villa Couby, and one soldier died and six were injured when a truck overturned at Oyon.
Last week a forgotten shell was fired from a cruiser and killed two sailors on another ship at Toulon.

ANNOUNCEMENTS, COMING EVENTS, MEETINGS, ETC

- *Announcements are inserted in this column at 2 cents per word strictly payable in advance.
- *Dr. A. L. Lodge McNeill, Phone 27 157 Pownall St. L-6918-7-17-18.
- *Picnic at Vernon River on Saturday, August 18th. L-6930-7-18-31.
- *Benezer Ice Cream Festival July 18th. L-6929-7-18-11.
- *Delicious ice cold spruce beer, McQuinn's Grocery, Elm Ave. L-6737-7-10-1 wk.
- *Crapaud Kozy Korner Lunch serves chicken dinner every Wednesday, 5-8. L-6576-7-4-11-18-25-41.
- *Ice Cream Festival, Dance and Sports St. Peter's Harbour School, July 19th. L-6756-7-11-18.
- *Dance in Summersville School Friday, July 20th. Admission 25c. Lunch free. L-6938-7-18-11.
- *Cheerful Liar! Fortune Hall, Friday, July 20th. Dance. Orchestra music. 25 cents. L-6904-7-17-31.
- *Kelly's Cross Tea, July 18. Refreshments, Meals, Games and Dancing. L-6899-7-7-21.
- *Dr. J. D. Reddin will be at Morell Friday, July 20th. L-6931-7-18-11.

(C.P. Cable By Guardian's Special Wire)
ISTANBUL, Turkey, July 17.—Twelve British warships are now anchored at Port Tigan near the scene of Saturday's shooting in which Turkish bullets killed one officer of H. M. S. Devonshire and wounded another.
The British vice-consul and the Captain of the Devonshire applied to the Turkish authorities for permission to search the straits and recover the body of Surgeon-Lieut. J. W. Robinson. At the same time an aeroplane from H. M. S. London flew over the straits, which lie between the Greek island of Samos and the Turkish coast.
Turkish authorities here expressed surprise at the British demand for a joint inquiry into the circumstances which led to the fire on Saturday. Three officers of the Royal Navy, Sir Percy Loraine, the British Ambassador here, for Ankara today, where he will interview the foreign minister, Tefik Rustu Bey. A joint inquiry is described in official quarters as "most unusual procedure."

Drowned When Canoe Upset

(C. P. By Guardian's Special Wire)
CALAIS, Me., July 17.—George Alexander, 23, was drowned when his canoe upset in a lake about 20 miles from this city. He was unable to swim and had disappeared from sight before a companion could rescue him. The two other occupants of the canoe fell into the water and Samuel McKnight, who was unable to swim, was pulled back into the canoe by Willis Shaffer.
Alexander's body was recovered this morning. He is survived by his widow, formerly Miss Ingram of Canterbury, N. B., and one child.

MILITIA UNITS ARE INSPECTED THIS WEEK

Prior to breaking camp on Thursday the various militia units were undergoing their annual training period under Col. U. G. Dawson, Camp Commandant, are being inspected by Brigadier Hertzberg, District Officer Commanding Military District No. 6. The inspections take place at Victoria Park.
The Pictou Highlanders, under Lt. Col. Adamson and the Cape Breton Highlanders, under Lt. Col. Freeman O'Neill, were inspected yesterday, and the Medical Corps, under Major Blake and the Signalling Company, under Major F. B. Conrad on the day previous.
The Prince Edward Island Highlanders, under Lt. Col. E. H. Strong and the Prince Edward Island Light Horse, under Lt. Col. F. I. Andrew, will be inspected today, the former in the morning, the latter in the afternoon. The Light Horse will be inspected on the parade grounds at Falconwood Farm.
For inspection, the units are drawn up in line, the salute is taken, and the march past follows. The unit is then examined in the particular form of training which it has undergone.

OTAWA, July 17.—In an effort to improve radio reception in Canada, the Canadian Radio Commission is making a readjustment of broadcasting channels, the change to take effect on September 1. The readjustment applies to 16 stations across Canada.

*Ice Cream Social, Dance afterwards, Harold Huggan's Farm, Cherry Valley, Friday night, July 20th. Admission 15 cents. L-6943-7-18-31.
*The annual meeting of the Brown Top Plant in Souris will be held in St. Mary's Hall, Thursday, July 19th at 3 P. M. By order of the directors, P. A. Rooney, Secretary. L-6937-7-18-11.
*Barn Dance and Musical Entertainment in Thos. Kiekham's new barn at Souris West on Wednesday, July 18th. Proceeds St. Alexis Church. Ice Cream and lunches. L-6936-7-18-11.
*A monthly income sufficient to keep you in comfort during old age is something greatly to be desired. Inquire how easily this can be done. Consult J. A. Moore, Manager, Sun Life, Charlottetown. L-6890-7-16-41

IS PLEASED WITH VISIT TO ISLAND

C. N. R. Vice President Comments Favorably On Province's Summer Charms.

Most favourably impressed with the summer attractions of Prince Edward Island on the occasion of his first visit here in many years, Mr. Alistair Fraser, Vice President in charge of traffic, Canadian National Railways, leaves for the mainland today with the avowed intention of seeking an early opportunity to pay a return visit. Mr. Fraser, who is a native of New Glasgow, N.S., and a son of a former Lieutenant Governor of Nova Scotia, commented enthusiastically on the appearance of Island farming communities.
He also spoke optimistically of the increasing evidences of national recovery, especially in the Maritime Provinces.
Mr. Fraser seized the opportunity for his present visit as his family is summering at Gaysboro, N.S. Accompanied by Mr. M. F. Tompkins, district passenger agent, Moncton, and Superintendent E. W. Mackinnon, he called yesterday on His Honour Lieutenant Governor DeBlois and Premier MacMillan. Last evening the party visited Keppoch as guests of Mr. L. D. Murray. They leave early this morning for Summerside. The Vice President and Mr. Tompkins will return to the mainland on the noon trip of the car ferry.

ISLAND LACKS PUBLICITY SAYS WRITER

"Centralize on Something" States Mr. R. H. Davis, Noted Author and Traveller.
"It's the best country I ever saw in my life for camping or roaming around. . . . Your Island lacks publicity. . . . You have a beautiful province, a gorgeous landscape, and fine fishing, but you have no boats on the rivers fit to fish from. You don't give the public a luxurious break. . . . Lay out a menu of entertainment for visitors as far out as New York. . . . If I lived here, I'd have a canoe."
These are a few of the remarks picked at random from an interview with Mr. R. H. Davis, noted writer and traveller, who is now in the province.
"Send out a little different publicity," suggests Mr. Davis. "It should be condensed. Centralize on something, the number and kind of fish caught, a hunting and fishing synopsis, play up your golf."

CITY'S FOOD SUPPLY AMPLE

Gov't Aid Not Needed, Federal Officials Say.
(By Sam Bledsoe)
(Associated Press Staff writer)
WASHINGTON, July 17.—Another check-up on San Francisco's food situation today convinced Federal relief administration officials the need for government aid to supply the strike cordoned city was light.
R. C. Branion, State relief administrator in San Francisco, informed Aubrey Williams, acting Federal relief administrator, food channels had opened up overnight through strike relaxations.
Williams announced yesterday a survey had convinced him San Francisco's food supply was ample and immediate help from the relief administration was not necessary to keep hunger away. He reached the same conclusion today.
Outwardly, this was almost the only sign of activity among government agencies immediately concerned with the California strike, although the new national labor relations board took its first definite action during the day.
The board formally refused the request of the company union of the Milwaukee Electric Railway and Light Company for an election to determine what labor group should represent the plant's employees in collective bargaining. But no decisions or comment were forthcoming on the principal concern of all government labor mediation agencies—the San Francisco walkouts.

The One Horsepower Car

A midget, fully licensed, taxed and insured, this midget car, recently made its appearance in London. Not to be outdone, the little fellow passed a London bus during the trout, reportedly a mean accomplishment for so small a car.

FLOODS DEVASTATE SOUTHERN POLAND

(C. P. - Havas)
(By Guardian's Special Wire)
WARSAW, July 17.—Floods in southern Poland which counted at least 53 victims yesterday, mounted today as heavy rainfall continued.
Tarnow, at the juncture of several rivers, was the latest city threatened. (Tarnow has important nitrogen works). Two trains of sappers were hurrying with pontoons from Kowno to Siary Saz where 17 young men took refuge on a dry peak when a labor camp was invaded by the roaring water.
Communications between Krahov and Lwow were cut and more than 12,000 feet of bridges carried away by the swollen streams. Rescue work was seriously hampered by the impaired communications.
The Vistula's overflowed banks were believed to constitute the chief worry for Krahov and Warsaw, too, feared that the waters from that stream might reach towns above and below it by Friday or Saturday, but no fear was felt for the capital itself.

Govt. May Confiscate Funds Set Aside For Dawes Loan

(A. P. By Guardian's Special Wire)
BERLIN, July 17.—Experts of the Reich's finance ministry assembled hastily today to consider what to do about a decision by the three Dawes loan trustees to withhold for foreign bondholders about 200,000,000 marks which normally would have been used to pay some of the government's domestic bills.
A government statement said the Dawes loan trustees—three foreign bankers—are jeopardizing the Reich and assurance was given that the "necessary action" would be taken.
What that action is was not fully disclosed, but the government announced the revenues of certain internal duties would no longer be credited to the trustee's account.
In some quarters it was believed the government may be pushed to the extremity of confiscating the funds now set aside to service the Dawes loan. The funds are on deposit in special accounts at the Reichsbank, and the loan trustees gave notice they will not turn them over to the government while the German moratorium on foreign debts blocks interest payments on the Dawes loan.

NO NEED TO WORRY...

• Take it easy! When your bakings are in the oven, there's no need to spend the time on tenthooks, wondering what the results will be. • Use Schwartz Baking Powder, following good recipes carefully, and you're sure to have biscuits and cakes of which you'll be proud. • You'll save money, too, for it costs but 29c/lb.

SCHWARTZ BAKING POWDER

High-grade — Maritime-made — Alum-free

DISCUSSES SERVICE OF PICTOU BOAT

Visiting Newspaper Man Quotes Local Opinion That Hochelaga Should Be Replaced With C. N. R. Steamer.

Comment on the Pictou boat service to Charlottetown is quoted by Mr. J. W. H. Sutherland, of the New Glasgow Evening News, one of the newspaper men who visited Charlottetown over the week-end in connection with the conference here of the Maritime division of the Canadian Press.
In Monday's issue of his newspaper, Mr. Sutherland refers appreciatively to the entertainment provided by His Honour Lieutenant Governor DeBlois and by Mr. and Mrs. H. P. Duchemin. He then continues:
"At the Canadian National Hotel the Evening News representative found Messrs. Aubrey Randall and Douglas Gordon of New Glasgow on duty as Clerks. They are both capable and obliging, and very popular with the travelling public. The big hotel gives a splendid service at very reasonable rates but there was no rush of tourists. This is due to a certain extent to the high charges for transporting autos between the Island and the Mainland. The C.N.R. would make no

STREET CAR AND TRUCK IN COLLISION

Six Killed, Nine Injured In Montreal Street Accident.

(By Wallace Ward, Canadian Press Staff Writer)
(C. P. By Guardian's Special Wire)
MONTREAL, July 17.—Funeral candles flickered in a half dozen Jewish homes here tonight as relatives mourned five men and a girl instantly killed in the early morning when a crowded motor truck collided with a streetcar. Nine others were injured as the truck returning from the Laurentian mountains heavily laden with passengers and miscellaneous freight impacted the street-car with terrific impact.
All the dead and most of the injured were members of Montreal's Jewish colony. Relatives claimed their dead at the city morgue after Coroner Lorenzo Prince had opened an inquest so that the victims might be identified and cause of death formally established. The jury viewed the mutilated bodies and then adjourned the hearing until July 24.
The six people killed were spilled from the truck as it reeled away from the streetcar after the impact. The victims were rolling about the pavement in agony. Leo Dupuis, streetcar motorman, and E. Roberge, one of his three passengers, were the only occupants of the streetcar injured.
The dead: Bella Zumick, 19, Montreal seamstress vacationing at St. Adele, Que. She was decapitated in the collision.
Benjamin Schwartz, 44, Montreal merchant.
Boris Hamat, 33, truck helper, Montreal.
Boris Smalkin, 55, Montreal butcher operating a store in the summer months at St. Agathe Des Monts, Que.
Peter Adeland, 45, Montreal merchant.
Leon Haber, 22, Montreal, dresser and father of two children.

Will Not Proceed With Inquiry

OTTAWA, July 17.—Because of the inquiry instituted by the Ontario government, Chief Justice Duff has decided it would be inexpedient for him also to proceed with an inquiry into the charges made against Rt. Hon. Arthur Meighen in his capacity as a member of the Hydro Electric Power Commission of Ontario. On July 7, the Chief Justice of Canada was commissioned by the Dominion Government to conduct such an inquiry. In making the appointment, the government stated Mr. Meighen, in pressing for an investigation had submitted if he were guilty of the charges made against him he should not continue to be a member of the government of Canada.

Arbitration May Settle The Pacific Coast Walk Out

Strike Spreads To Oakland, Alameda, Berkeley And Other Communities. Labor Leaders Accept Proposal For Federal Mediation.

(C. P. By Guardian's Special Wire)
The committee that sponsored San Francisco's general strike last night "advised" arbitration of the longshoremen's walkout and called upon civil authorities to appeal to President Roosevelt for action in the emergency.
Arbitration and settlement of the longshoremen's strike, in effect for more than two months, probably would halt the general strike since it was called in sympathy for the Maritime workers.
(A. P. By Guardian's Special Wire)
SAN FRANCISCO, July 17.—Breaks in the general strike clouds even while they were spreading their brightening shadows over most Pacific Coast cities appeared in two places today.
A member of President Roosevelt's labor disputes board disclosed a definite proposal to end the phenomenal mass walkouts by submitting the central issues to arbitration and by a concerted return to work immediately this was under way. In Portland, Ore., a mass meeting to have been held late today to decide upon a general walkout of 35,000 workers there was suddenly called off.
Definite facts were lacking, but the great general strike committee of San Francisco met suddenly in executive session. George Kidwell, conservative labor leader said a resolution of "great significance" would be acted upon. This was rumored to be a proposal that the central issues behind the mass walkout be submitted to "unlimited arbitration" and "if we can get labor to pass the resolution we can settle the strike," said the member of the President's board.
He said he was positive the waterfront employers would submit all issues if the labor leaders would do likewise.

IS MOTHER OF SEXTUPLETS

Rumanian Woman Gives Birth To Six Children.

(A. P. By Guardian's Special Wire)
BUCHAREST, Rumania, July 17.—Sextuplets were born today to Mrs. Joha Jordas, in the Rumanian village of Jontesti. The mother and children were reported doing well.
The birth of six children at once reported from Bucharest is a rarity in medical annals ever greater than that of quintuplets, which medical historians at the time the famous Dionne quintette was born in Corbeil, Ont., said has occurred only 30 times in the last 500 years.
The five little Dionne sisters, all thriving at the age of 50 days, today will break all records for longevity according to Canadian Press despatches.
Available data shows that in Lisbon, Portugal, in 1868, the last of a group of quintuplets died on the 50th day of her life. No quintuplets child known to medical history, except the Lisbon baby, had lived longer than two weeks.

The Weather, Etc

Moderate northwest and west winds; mostly fair with moderate temperature.
(Canadian Press)
METEOROLOGICAL OFFICE Toronto reports: Minimum and maximum temperatures:

Victoria 50 60
Charlottetown 50 60

AYRSHIRE BREEDERS CLUB MEETING

The annual meeting of the Prince Edward Island Ayrshire Breeders Club was held in the office of the Department of Agriculture. The president, Dr. J. A. Clark, occupied the chair, and delivered a splendid report on the year's activities. The promotion and extension committee also presented its report, in which reference was made to the herd survey work. Mr. W. R. Shaw was called upon to explain the details of this work.
The secretary presented a satisfactory financial statement, which the auditor reported correct.
On a motion by Mr. Major MacRae, seconded by Mr. Wilfred Furness, it was decided that membership fees for this year cover the period from Jan. 1934 to June 30, 1935. On a motion made by Earl Ings, seconded by Louis Cairns, it was decided that the membership fee for the Association be one dollar as from June 30, 1934, and that those members who have already paid their two dollars fee be credited.
