BULLETIN: FINNS CLEAN UP RUSSIANS

Russians captured by Finns are made to strip—as above—and often think this a prelude to the firing squad. But after a hotting their old clothes, they are pleasantly surprised to learn they are getting ready for a much-needed bath. These two sit on the shelf of a "sauna," Finland's famed steam bath. Bewildered..... Russians' biggest surprise comes when, both over Finns give them clean outfits from cap to boots. Meanwhile..... cleanly Finns have carefully piled up the Russian's dirty clothing and burned it. These photos were taken by Eric Calcraft, NEA Service Staff Camera Man on the Finnish Front.
