Looking Ahead

with
Hal Bohaker

I made a call on a friend of
mine the other day, and to my
surprise, I found him packing
grips in preparation for a
journey. "Going away, Bill?" I
asked.

"Sure. Going away on a bus-
ness trip."

"The way long?"

"Couple of months."

"I turned to his wife who was
helping to pack. 'How are you
going to get along without
him?' I asked."

"Don't worry, I'm not going to
starve," she replied laughing.
"I'm making sure that he leaves
me enough to get along with
until he gets back."

"That's a simple little story
of a man who is leaving home
for two months. He arranges
the family budget so that every-
thing goes smoothly until he
returns. Life insurance has a
bigger problem than that. It
must arrange the family budget
for a journey from which there
is no return. No one can tell
when the trip will come to
take the journey. It may be many
years. It may be tomorrow. But
the Sun Life of Canada can
arrange the budget for you at
once, simply, economically and
effectively. Call or write me and
I will gladly talk things over
with you. . . . and no obligation
incurred."

PLANNING FOR THE FUTURE
The Bible Society is now looking to the future and preparing plans which it is hoped to bring into operation when the war is over. Indeed it would be no exaggeration to say that in recent months much of the time and energy of the (Committee and the Staff have been devoted to this all-important task. A special committee has been set up charged with the responsibility of examining the whole situation in Europe and the Far East with a view to discovering the best lines on which the Society should reorganize its work to meet post-war needs; and a careful preliminary survey of the whole position is now in progress.
