DISARMAMENT
(Continued from Page 1)

hoped that when the conference meets again all the South American representatives would be in complete harmony.

Dr. W. W. Yen, China's spokesman, abstained from voting, saying his nation would give no pledge of disarmament until the Sino-Japanese conflict has been settled in accordance with the principles of the League of Nations. The other abstainers were Afghanistan, Albania, Austria, Bulgaria, Hungary, Italy and Turkey.

Premier Edouard Herriot of France closed the deliberations by expressing cordial thanks to Arthur Henderson of Great Britain, President of the Conference.

"To our good shepherd," M. Herriot said, "we extend the tribute of respect and affection from his peaceful flock."

surgency of Senator Borah" was noted here, however, and the question was raised, "will the Senator's suggestion have any effect on the administration?"

GENEVA, Switzerland, July 24 (A.P.)—Consideration of war debt revision by a world conference, as proposed by United States Senator W. E. Borah, would be a valuable sequel to the Lausanne Conference, League of Nations officials said today.

Such a conference, they declared, should pave the way to European economic recovery and hasten the return of prosperity throughout the world.

Plucky Play Wins Classic

CHICAGO, July 24 (A. P.)—Plucky Play, a 10 to 1 shot, defeated Equipose, American handicap champion by a neck in winning the \$27,000 Arlington Handicap Saturday. Pittsburgher was third and Tred Avon was 4th in the field of six. Plucky Play ran the mile and a quarter in 2:02 1-5.

Plucky Play, owned by Norman W. Church of Los Angeles, led from start to finish with Pittsburgher furnishing the challenge most of the way. The heavy impost of 134 pounds proved too much of a burden for Equipose, and his chances for victory were further impaired by a long delay at the post. Equipose went to the post a 7 to 1 favorite in the betting with Stephenfitch second choice at 5 to 1.

The defeat of Equipose was a stunning surprise as the Whitney four-year-old previously had won seven stake events this season, earning \$68,825.

Plucky Play paid \$26.04 to win, \$6.48 to place and \$5.22 to show.

Leave For Home
(Canadian Press)

SYDNEY, N. S., July 24—Shilling of workers under economic pressure continued here today when upwards of sixty foreign born steel laborers left for their homes in Russia, Ukraine, Czechoslovakia and Germany, via Quebec.

Arrangements for their departure were made by the authorities of Sydney, New Waterford and the Federal Department of Immigration.

Entrance to the bank premises was affected about one A. M. one of the gunmen remained in the automobile, two stayed down stairs while one went upstairs. The latter ordered Mrs. Laferrere to keep quiet, bound her hands and legs and gagged her. Two daughters were similarly treated.

The Prince Will Attend Wedding

LONDON, July 24 (Canadian Press Cable)—With the Prince of Wales attending, one of the most brilliant weddings of the summer takes place tomorrow at St. Margaret's Church, Westminster, when Betty, daughter of the late Captain the Hon. Alfred Shaughnessy, and a grand-daughter of the first Lord Shaughnessy, will be married to Lord Grenfell. Among more than 500 wedding gifts is one from His Royal Highness, Lord Grimthorpe, is lending his villa at Ravello, Italy, for the honeymoon.

Miss Shaughnessy's father was killed in the Great War, and her mother married in 1920 Hon. Piers Legh, who is now Equerry to the Prince of Wales.

Lord Grenfell, who is 26, succeeded his father as second Baron in 1925.

Bedeque Man Loses Residence

Col. Hugh Dawson was struck on the head by a pole as he drove his car into the farm yard of Edwin Lord here early this morning on his way to assist in fighting a fire which destroyed Lord's house.

Heroic efforts by volunteers prevented the fire from spreading to the farm buildings. Lord's stock and several valuable foxes were saved but the house was completely burned.

Bandits Make \$6000 Haul

ST. LEON, Que., July 24—(By The Canadian Press)—A total of \$6,000 was secured today by four gunmen who robbed the local branch of the Banque Canadienne Nationale. Three women who were sleeping over the bank premises, Mrs. Georges Laferrere and her two daughters, were tied with stout cord. Her son, Georges, the bank manager, was forced to open the safe.

The men, of whom good descriptions were obtained, escaped in an automobile. It was the second serious crime in this usually quiet little Maskenonge county village within a week. Mrs. Marie Valcourt was killed on Wednesday, her skull fractured from a blow inflicted by an iron bar. A Couroner's jury has held Alfred Couombe, 47, criminally responsible.

Entrance to the bank premises was affected about one A. M. one of the gunmen remained in the automobile, two stayed down stairs while one went upstairs. The latter ordered Mrs. Laferrere to keep quiet, bound her hands and legs and gagged her. Two daughters were similarly treated.

The Late Miss Janie MacNutt

The death occurred at her home in Malpeque on July 21st of Miss Janie MacNutt daughter of the late Mr. James M. MacNutt for some years Collector of Customs for the port of Malpeque, and Mrs. MacNutt. Miss MacNutt was a lady of exemplary character, of loving disposition and was beloved by all who knew her. Hers was a life of indefatigable service for others. Prominent in church and social work and ever ready to lend a helping hand for the furthering of every worthy cause which came within her reach, her death makes a blank in the community which will not soon be filled. The constant companion and faithful attendant during the illness and death of her father and mother and later with her sister, Mrs. D. K. Currie she at her dying sister's request undertook the care of the latter's children which she faithfully carried out until they were old enough to care for themselves. New ground to manhood and womanhood she will cherish through life the loving memory of her devoted kindness and care.

In recent years until the time of her death she was the constant companion of an invalid sister who will carry through life the fond memory of her untiring devotion. There are left to mourn besides numerous friends and relatives one sister, Mrs. Annie and one brother Mr. Thomas MacNutt, M.L.A., all of whom the Guardian extends sincere sympathy in their bereavement.

The funeral took place from her late home yesterday afternoon at 2:30 and was very largely attended. Rev. Mr. McMillan assisted by the Rev. Mr. Williamson conducted the service. The pall bearers were: Peter G. Clark, Robert McNutt, Peter McNutt, Lee Owen, John Simpson and Sinclair McGougan. The mourners were: Messrs Thomas McNutt, D. K. Currie, Lester McNutt, John S. Wright, Dougal McNutt.

Mrs. Robertson was prominent in women's work in the capital and was an active church worker, being a member of Chalmers United Church. Her devotion to her husband and family was one of her most striking attributes and her care of Senator Robertson in his recent illness was said to have contributed greatly to his recovery. When Senator Robertson, after ill-health forced his resignation from the Canadian Government, in which he was Minister of Labor, attended the International Labor Conference in Geneva, Mrs. Robertson accompanied him and nursed him through the illness by which he was stricken while abroad.

Mrs. Robertson was born at Watford, Ont., 58 years ago, the daughter of Alexander and Mary Hay. She was married to Senator Robertson on June 10, 1886.

Prime Minister R. B. Bennett, members of the Cabinet and of the Senate, to whom her death came as a distinct shock, expressed their regrets tonight at the passing of Mrs. Robertson. The funeral will be held Tuesday afternoon with services at Chalmers Church.

Mrs. Robertson is survived by her husband and five children, Edwin and Mrs. Dr. T. Ingram, of Hamilton, Roy, Alma and Lorne, of Ottawa. Another son, Elliott, was killed in the world war.

COMING CELEBRATION

In August, 1932, the new Charlottetown Hospital opened its doors for service to the public. The modern and up-to-date maternity department was the first to operate, and for ten years this special unit of Hospital service has been an unusually busy one and a large group of young Canadians have emerged from its portals to enter happy Island homes.

This opening event is to be commemorated on Tuesday, August 2nd, by a Garden Festival, which will be held on the lovely grounds of the Hospital, facing the beautiful harbour front to which all the children born in Charlottetown Hospital in the past ten years are being especially invited, together with their parents and friends.

The children will have their names registered in a Re-union Book, and some lucky one will win a lovely prize. There will also be a prize for the most perfect baby, from a medical standpoint, born in the Hospital in 1931 or 1932.

All citizens are most cordially invited to attend this unique festival on August 2nd, which opens at 3 o'clock. Afternoon tea will be served by the ladies of St. Charles Auxiliary Society, and gaily decorated booths will dispense ice cream, strawberries and delicious homemade candies. There will also be a fancy home-baking counter, where tempting cakes and pastries can be secured.

In the evening a band-concert will be given by the League of the Cross Band, which will prove a wholly enjoyable feature in such attractive surroundings.

Light refreshments will be served throughout the evening, also all friends of the City Hospital are asked to attend this happy anniversary of a decade of Hospital service and join in the Garden Festival celebration.

gether in the morning but no plenary session will be held.

The British delegation spent the week end studying the various proposals, submitted by the four dominions—Canada, Australia, New Zealand and South Africa. Each in turn made a bid for some portion of Great Britain's import trade, making in return an offer of reciprocity for British exports. A series of agreements will be sought, between Great Britain and a single Dominion; between two dominions and among Great Britain and several Dominions.

Many delegates attended today the consecration of the new colors of the Governor General's Foot Guards, one of Canada's crack regiments. The ceremony was held at Rideau Hall, residence of the Governor-General.

Mr. Garvin thinks the task so big and complex that the conference itself can only lay down broad principles of agreement, "but we may safely say," he contends, "that even during the next few weeks a memorable measure of success will come in sight—upon the one strict condition, that representatives of the Mother Country and the Dominions alike shall not be fettered by platitudes. The Dominions vitally stipulate that the Mother Country shall discriminate against foreign wheat, meat, and other products. We have all got to square up to this crux of the matter, or else there will be no foundation for any new system of Empire trade."

elaborating, on his text "if the foundations be destroyed what can the righteous do?"

Attending the Anglican service were Rt. Hon. Stanley Baldwin and Mrs. Baldwin, Viscount Hallisham and Lady Hallisham, Sir Philip Cunliffe-Lister, Rt. Hon. Stanley Bruce, and Rt. Hon. J. G. Coates.

At the Presbyterian service were Sir John Gilmour of Great Britain, Hon. N. C. Havens, Hon. A. P. J. Forde and Hon. P. G. W. Grobler of South Africa; Rt. Hon. MacKenzie King, Hon. Hugh Guthrie and Hon. Murray MacLaren.

A special prayer for the Imperial Economic Conference was recited at St. Matthew's. It was as follows:

"Almighty God, who hast given our Sovereign Lord King George an Empire whose Dominion is over divers races, languages and customs, we pray thee give thy grace to those who have assembled in conference to consider the Empire's common interests that, by working together in true fellowship, prosperity and peace may be established within its borders, and the welfare of mankind preserved."

Taking as his text the words of St. Paul to the Romans—"As we have many members in one body and all members have no: the same office; so we being many are one body in Christ and every one members one of another"—Archbishop Worrell said the ideal unity of mankind as shown in the New Testament emphasized the equality of all parts of the Christian church; the mutual consideration these must have to each other; and their active participation in the work of the Church each in its own particular office.

From this picture he drew a parallel for the Empire, each of whose dominions were "possessed of magnificent resources and absolutely equal in their value."

Sounding a warning that the Empire must not be considered as living in a splendid isolation, the Primate continued:

"No man can live to himself and no nation can. Whether we want to or not we are to some extent dependent on other nations and the strength of the Empire will call for a recognition of its place as one of the nations of the world and as such making its contribution to world prosperity in general. That prosperity will be real when all nations have learned the value of unity and the duty of all unselfishly and wisely to consider the rights of others."

N. B. Potato Situation

FREDERICTON, N. B.—(By The Canadian Press)—The humid, warm weather of the present week, has been conducive to the development of late blight in potatoes, in the opinion of Donald J. McLeod, of the Dominion plant pathological service in this city. As yet, however, few reports of outbreaks, have been received and returns from various parts of New Brunswick are awaited here.

Mr. McLeod said that there has been a slight appearance of the blight in York County and also in Carleton, but the great area of the province appears as yet to be unaffected.

Provided that the detrimental action of blight is slight throughout the season, the seed potato yield in this province will be about equal to last year, Mr. McLeod believes. The acreage for both seasons is around the 5,000 mark. Table stock varieties on the other hand, will show a great curtailment this year, tuber plantings being reduced in most sections of the province in favor of heavier crop grains.

Reports received here from Maine indicate that late blight has already made an appearance in Aroostook county and is being combated by the farmers.

Entrance to the bank premises was affected about one A. M. one of the gunmen remained in the automobile, two stayed down stairs while one went upstairs. The latter ordered Mrs. Laferrere to keep quiet, bound her hands and legs and gagged her. Two daughters were similarly treated.

Bandits Make \$6000 Haul

ST. LEON, Que., July 24—(By The Canadian Press)—A total of \$6,000 was secured today by four gunmen who robbed the local branch of the Banque Canadienne Nationale. Three women who were sleeping over the bank premises, Mrs. Georges Laferrere and her two daughters, were tied with stout cord. Her son, Georges, the bank manager, was forced to open the safe.
