

THE PRINCE COUNTY GUARDIAN

Offices in Summerside, J. Frank Lafferty, Manager, and in Alberton, Herbert Clark, Manager

The latest news, first of all. Mrs. Henry Cassley, Kensington, has had a stroke of paralysis and is still quite ill. The following vessels are laid up in Summerside harbor for the winter: Schooner Lizzie Catherine, owned by R. Campbell & Sons; schooner Telephone, owned by Joseph Read & Co.; schooner Enterprise, owned by Capt. Wm. Mallett; schooner Malabar, owned by Joe. Read & Co.; schooner Minnie Bell, Captain Day; The Tugs Alert, Weatherspoon, Gipsy, owned by breakwater contractor McDonald, and the steamer Bedesque, owned by Capt. Rhyndard.—Pat.

The firm of Brace McKay & Co., Ltd., Summerside is known all over the province as The Big Specialty Store that has made such remarkable progress during the past few years that today it is by common consent "Headquarters" for the many lines they handle. Their large and growing business is accounted for by each member of this firm having a thorough knowledge of his particular branch, and their being in a position to effect great saving in buying, selling and operation. They believe in quick turnovers at small margins, and the per cent of profit on which they do business would mean quick bankruptcy for most dealers. Last spring they enlarged their office to double its former size, and furnished it in a very pleasing and convenient manner, besides installing an up-to-date Cash Carrier System. This fall they have had their large store front painted, which gives it a bright and particularly pleasing and attractive appearance. The lines this progressive firm handle may be classified generally as Shelf and Heavy Hardware, Fishermen's Supplies, Choice Family Groceries, Seeds, Paints, Furniture and Stoves. This month they would draw attention particularly to the following display:—In their Furniture Department one must only call to see their splendid showing of pictures, parlor clocks, odd pieces of parlor furniture, music cabinets, rattan work baskets, etc., oil heaters, Queen Heaters for wood and all kinds of stoves for hard and soft coal. Right here can be seen positively the best base burner that has ever been offered to the Canadian Trade—the "Art Laurel"—made by the Gurney Foundry Co. This base burner is of superb design, being attractive and cheerful looking, is very economical on fuel, and has more good features than any other base burner on the market. One marked advantage it has over all others is the peculiar flue construction, which takes the cold air from the floor and radiates heat either in the same room, or one above. Although they have had several shipments from the Foundry this season, they have found it difficult to keep up with the demand. In the hardware department they are offering splendid values in Horse rugs, straps and body bells, skates—the biggest and best line in P. E. Island "Mic-Mac" Hockey sticks, boys' and girls' sleighs, Gillette Safety Razors, carvers, in cases, pocket and table cutlery, silverware, etc. In the grocery department there is a nice selection of dried and evaporated fruits, peels, essences, table raisins and nuts, extra quality tea and coffee, and the best family and pastry flour. Brace McKay & Co., is known as "The Store That Saves Your money," and at this season (or at any other time, for that matter) they will be glad to have purchasers drop in and take a look over their premises and see their goods.

Cablegram From Santa Claus

Switzerland Dec. 11th 1908 Messrs M. Trainor & Co Charlottetown, P. E. I. Canada. Dear Sirs:— It gives me great pleasure to inform you that I shall this year, as usual, make your popular store my Headquarters for Christmas Gifts in your line. The good taste displayed last year, as well as the great variety and excellence of the goods, pleased me beyond measure, and I feel sure there will be preparations on a large scale made this year. Have everything in readiness! Tell the young people! (Signed) Santa Claus

Dear old Santa; what a royal welcome we shall give him. Yes! The Christmas spirit is already in the air and thousands will experience the pleasure of selecting gifts, which will, in a slight degree express their love and good will to the recipients. And where else can so many dainty things, in so many different lines, be found as in this, the Headquarters chosen by Santa? We have gift goods which are not only dainty and appropriate, but useful as well. Gift goods for old and young, for men women and children, for rich and poor, gifts which will delight the recipients, and reflect credit on the taste and good judgment of the donors. Later we shall publish an interesting list of good things as an aid to your memory, today we shall mention only one class, a class in which we stand as acknowledged leaders in the Province, we refer to furs, and if you'd bestow lasting pleasure, let your gift be a choice piece of fur. What so acceptable at this season? What so thoroughly appropriate? No need to pay extravagant prices, unless you so wish, as we can supply you with choice furs at very moderate prices indeed. Fur coats, fur lined coats, fur caps, fur mitts, fur collars for both ladies and gentlemen, fur ruffs, stoles, and muffs, for ladies, white bear coats, stoles, muffs, caps, mitts and sleigh robes for the children, in fact everything you could wish for in furs. Come in and make your selections early.
