He apparently thought better of it, however, and decided to cross to the mainland again. It was on this second trip that he was recaptured. Police, who had been tipped off that he was on the island and likely to make another attempt to reach the mainland, searched the train at Tormentine, N.B., and found Mills concealed in a washroom.

PLEASANT SURPRISE. - A very pleasant evening was spent recently at the home of Mr. and Mrs. Edward Balderston, when the teachers on behalf of the North Wilkshire Sunday School, called to express their appreciation for the many years of faithful service which Mr. Balderston has given to the Sunday School. For over fifty years he has faithfully served and only illness has ever kept him absent. An address was read by Balderston although taken by surprise made a fitting reply. After singing "Best of the Tie That Binds" the teachers departing wishing Mr. and Mrs. Balderston and family a Merry Christmas and a Happy New Year.

PROVINCIAL RED CROSS MEMBERSHIP CAMPAIGN

The 1946 Membership Appeal for the peace time activities of the Red Cross Society would normally be held during March of this year. The objective for the Prince Edward Island Division has been set at \$12,500.00 which is one quarter of its objective during the war years.

In order that there will be no conflict between the Membership Campaign of the Red Cross Society and the campaigns being put on in March by the P. E. Island Hospital and the Prince County Hospital for necessary funds to carry on their essential work the P. E. Island Division has decided to postpone its campaign until the first week in June 1946. It is realized that it will lose the benefit of the National Publicity Campaign in March but it is felt that the many friends of the Red Cross Society, in this Province will still continue to assist the Society in its peace time work and will agree that the postponement until June in order to let the two hospitals put on their campaigns is desirable under the circumstances. We ask you to budget for your Red Cross contribution in June 1946.
