—the charming story, and its sequel, of a sensitive boy and his enduring love for his very own colt

MANY BENEFITS - ONE OBLIGATION: Over 600,000 book-reading families now belong to the Book-of-the-Month Club. They do so in order to keep themselves from missing the important new books they are really interested in. As a Club member, you receive an advance publication report about the judges' choice - and also reports about all other important coming books. If you decide you want the book-of-the-month, you let it come. If not (on a blank always provided) you can specify some other book

you want or simply say: "Send me nothing." Last year the retail value of free books given to Club members was over \$7,000,000 - given, not sold! These book-dividends could be distributed free because so many subscribers ordinarily want the book-of-the-month that an enormous edition can be printed. The saving on this quantity-production enables the Club to buy the right to print other fine library volumes. These are then manufactured and distributed free among subscribers - one for every two books-of-the-month purchased. You pay no yearly fee as a member. Your one obligation is that you must buy no fewer than four books-of-the-month in any twelve-month period. Your subscription to the Club is not for one year, but as long as you decide; you can end it at any time after taking four books-of-the-month. You pay for the books as you get them - the regular Canadian retail price (frequently less) plus a small charge to cover postage and other mailing expenses.

YOU CAN BEGIN YOUR SUBSCRIPTION WITH ANY ONE OF THESE NATION-WIDE BEST-SELLERS

(double selection) DOWNGRADE PRICE TO MEMBERS \$3.95

### JOSEPH THE PROVIDER BY THOMAS MANN

\$5.50

### WAR BELOW ZERO BY BRINT BALCHUN, COREY FORD, AND OLIVER LA FARGE and LOST ISLAND BY JAMES NORMAN HALL

(double selection) DOWNGRADE PRICE TO MEMBERS \$3.75

Says Christopher Morley: "You will lose your heart to Clony Brown, the smart English paragonist who has no conception of the things that Army's Done. And Henry Seidel Canby calls Pastoral 'wholly charming, one of the freshest and most natural, love affairs in recent fiction.'"

The fabulous civilization of Ancient Egypt lives again in this masterful treatment of Old Testament history, telling anew how Joseph rose from slavery to power. One of the lasting novels of our decade.

War Below Zero is a unique story of life and death in the ice of Greenland. Lost Island is a timely story set in the vast, unpopulated space of the South Pacific.
