### THE BEST GOOD SHOE

The new Invictus Boot for fall wear is built on a smart nobby last—the style is graceful and substantial, stylish and comfortable, but the best feature of all is the absolutely thorough manner in which it is designed and finished.

Made of special quality heavy box calf, leather lined throughout, solid double leather soles, viscalized to make it waterproof; colors black and dark tan.

You couldn't get a better boot at any price. Healthier so wear than rubbers, cheaper, more satisfactory. They cost a little more than ordinary boots, but they're worth every cent of the price \$6.00 and \$7.00.

Another line at \$5.00.

The bride was becomingly attired in a gown of white voile trimmed with hardanger lace and was attended by her sister, Miss Edith, while Mr. Samuel Hume supported the groom. The house was prettily decorated for the occasion with trailing evergreen vines and maple leaves taken from Nature's own garden. After the ceremony the company repaired to the dining-room where supper was served. Among the many presents received was a silver table set from the nurses of the T. B. Hospital, Lawrence, Mass., where the bride held a high position. The evening was spent in games and music, both vocal and instrumental and in the early hours of the morning the pleasant memories of a night well spent. ### Found a Friend in Dr. Chase

His Medicines Proven Effective, and Always Kept at Hand in this Home.

Mrs. Chas. Lovell, Agassiz, B. C., writes:—"I feel it my duty to tell you what a great friend Dr. Chase's medicines have been to myself and family. I cannot praise his medicines too highly, and Dr. Chase's name is a household word in our family. Well, quite a number of years ago I sent to you for a sample box of Dr. Chase's Ointment for protruding piles, and, having used the sample and found relief, I sent to a neighboring town for four boxes, and I am completely cured."

"I have also used Dr. Chase's Kidney-Liver Pills for constipation, and, after using them, I am completely cured of this dreadful disease. I am the mother of ten children, of whom nine are living, and when seven of my children were all very bad with whooping cough, caught in the middle of a severe winter, I used Dr. Chase's Syrup of Linseed and Turpentine, and they were all cured before the winter was over, and now we are never without Dr. Chase's medicines in our home, and I recommend them to all."

### Hearing is Restored to Deaf

Without Mechanical or Artificial Hearing Devices. Deaf Hear With Their Own Ears. A Wonderful English Discovery.

Thousands of people suffer from catarrhal deafness or poor hearing, who having tried specialists, advertised treatments, artificial ear drums, ear phones, electric vibrators and various mechanical appliances without success have at last resigned themselves to a "world of silence" thinking that nothing can ever restore to them their normal hearing. Yet their case is not hopeless. A remarkable scientific treatment discovered a little more than a year ago in England is making people hear after years of deafness and is also unequalled for quickly stopping the distressing head noises that are so often the companions of defective hearing. This discovery is called Parmitin and has attracted widespread notice throughout Europe where reports of the remarkable results it has given to deaf people have come in by the hundred.

The effect of Parmitin it seems is by tonic action to produce a stimulus necessary to reduce all inflammation, swelling, enlargement or thickening of the organs of hearing and it stimulates the entire auditory tract.

Parmitin is now being sold by many leading druggists in Charlottetown and vicinity and a speedy trial is urged upon all who suffer from catarrhal deafness or headaches in any degree. Ask the druggist for 1 oz. of Parmitin (Double Strength) and take it home and mix it with 1/4 pint of hot water and 4 oz. of granulated sugar until dissolved. Take one tablespoonful four times a day and you should soon find a remarkable improvement in your hearing.
