ADMIRAL DOT TO SHERIFF.

WHITE PLAINS, N. Y., Jan. 25.—"Admiral Dot," a midget, was sworn in by Sheriff Merritt, of White Plains, as a deputy sheriff. He is only forty-eight inches tall and says he is the smallest deputy sheriff in the United States.

INSTANTLY KILLED.

STELLARTON Station, Jan. 27.—Robert Robson was instantly killed by a train yesterday afternoon at the coke ovens. He was working around a car and his foot slipped. He was the son of James Robson and was 19 years of age.

Human Body Has its Equinoctial Storms.

In its March From the Cradle to the Grave the Body Has its Periods of Change Which are Associated With Alarming Disturbances.
 There are two great periods in men's lives. About forty-five every man realizes that some new condition has arisen, and if this time is happily passed, about sixty the health barometer takes another dip and storms of great import cloud the horizon of life.
 These storms must be met, and wise people will fortify the resisting power of the body by Ferrozene, which builds up bodily strength, renews the blood, strengthens the heart and vital organs. New tissues are formed by Ferrozene, which enables the body to resist disease and prevent the organic changes so likely to supervene at this critical time.
 No matter what the age or sex of the individual, as a nerve builder, a brain strengthener and general body invigorator, Ferrozene is the best medicine. It puts back the feeling and appearance of old age, and puts the elasticity and vim of youth into systems that ordinary remedies fail to rebuild. This is not mere theory, but a claim that is reinforced by overwhelming evidence of the honest merit of Ferrozene.
 Unlike oily emulsions, and alcoholic bitters which are no longer prescribed by intelligent physicians, Ferrozene contains the latest and best strengthening elements in tablet form. Its quality therefore is uniform, its dose is small, just one tablet at meal time. You can't fail to be greatly benefited by Ferrozene, which is sold at druggists, price 50c per box or six boxes for \$2.50. Insist on having only Ferrozene. Refuse all substitutes. By mail from N. C. Polson, Kingston, Ont., and Hartford, Conn., U. S. A.

CARD

At the solicitation of a large number of Electors of Ward Four I have consented to contest the ward at the forth coming election. Upon the important question, (Electric lighting) which engages the attention of a large portion of the citizens, I deem it necessary to state my views. I am in favor of City Ownership and supplying light at cost, as it is with the sewerage and water at present.
 I elected I will always use my influence toward the improvement of the citizens generally and especially those of Ward Four. As my time is limited and I may not be able to make a personal canvass, I take this means of stating my views and asking your support.
 I am always as I will be if elected your humble servant.
