Winnipegs Win Canadian Football Championship Defeating Tigers 18-12

(By Elmer Dulmage, Canadian Press Staff Writer)
(C. P. By Guardian's Special Wire)
HAMILTON, Ont., Dec. 8.—Canadian football supremacy was carried West tonight by the blue warriors of Winnipeg, the one Western team in history that smashed out triumph on an Eastern gridiron. Winnipeg upset Hamilton Tigers in the intersectional final here Saturday 18-12.

While 9,000 wild-eyed spectators roared in a frenzy of excitement, the blue challengers held off a desperate last-minute Tiger charge that reached the four yard line and heard the final whistle as little Fritz Hanson, greatest running half-back ever to play football in this sector, snatched an onside kick and carried it safely out.

It was the blond Hanson, former North Dakota State college star, who dominated a thrilling struggle with sensational sprints through the broken field. It was his breathtaking 75-yard run for a touchdown in the third quarter that finally broke every Eastern hope of turning back this Manitoba assault, the 12th attempt of the West to make a national gridiron conquest.

A towering, impregnable wing-line, backed by burly Bert Oja, and a well-equipped backfield that carried every attacking weapon except the punt provided the 145-pound Hanson with great support. But Fritz's twinkling toes were the deciding factor.

The most deadly tackling squad in the East, comprising Johnny Craig, Seymour Wilson and Jimmy Simpson, was helpless to do anything about Hanson. They flung themselves in his path—or what looked to be his path. They snatched at his slender ankles and nearly always missed.

Winnipegs were fighting to hold a 12-10 lead in the third quarter when the North Dakotan made his climaxing move, a lightning-like stab that brought the crowd up howling for the little man who moves faster than any football player in the Canadian sport. The Western team had been pushed back to its 30 yard line by the punting of Frank Turville and Huck Welch, and an early lead was being washed away.

Then Welch punted a low ball that bounced along into Hanson's arms. Two tacklers were on the little man, who sidestepped them. He swung over to centre and started to run. Down the middle of the field he raced so fast that not a single hand was laid on him. The dramatic sprint, followed by Russ Rehbolts' convert made the score 18-10.

United States To Take Part In Olympics

(A.P. By Guardian's Special Wire)
NEW YORK, Dec. 8.—The Amateur Athletic Union at its final session today, ratified full United States participation in the 1936 Olympic Games at Berlin after defeating all attempts to bring about a boycott of the games.

The convention qualified its decision only by withholding endorsement of the policies of the Nazi government.

The decisive vote, after two days of bitter debate, came on a proposal made by Supreme Court Justice Aron Steiner of New York to send a three-man commission to Germany to investigate conditions and report its findings to the American Olympic Committee. This proposal was defeated on a roll call vote of 58 1-4 to 55 3-4.

The balance of power again was exerted by the allied bodies, who voted 15 to 1 in support of the Olympic forces. The vote of the 34 active associations of the A. A. U. was 54 3-4 to 43 1-4 in favor of the Steiner proposal.

Two third period goals from the stick of "Smack" Johnson gave the Stewart's Bakery team a hard-earned 2-1 victory over the Pirates in a City Hockey League match at the Forum Saturday night. Johnson's smart efforts offsetting the 1-0 lead the losers had held from the first period when Alf Doucette beat Murley with a brilliant shot from the left boards.

Neither team showed their best efforts and as a result the encounter was dull and ragged in spots but the closeness of the battle plus the efforts the players put into their play offset this to a large extent. Plenty of heavy bodying was in evidence throughout and incoming forwards had a tough passage from the blue line to the net.

Waiting for an opening the two evenly-matched squads displayed a close checking brand of hockey throughout the first period. Both teams had several scoring chances but the two goalies had "no admittance" signs hung out. Midway through the period however Doucette put the Pirates one up; skating over the line on the left boards, the tricky centre let go and the puck whizzed in the lower corner of the cage, the shot having Murley beaten all the way.

Trailing 1-0 the Bakery team took to the offensive at the start of the second session but although they did get in close on several occasions overanxiousness plus smart rebounding by Martin turned the threats aside. Stewart's however claimed a goal in the closing minutes of the period but despite their heated arguments the goal judge claimed the puck had entered through the side of the cage.

Lack of scoring punch robbed Stewart's of tying it up early in the third session after working in close with the Pirates playing a semi-defensive game. However with ten minutes to go the winners sent five forwards up the ice and after about five minutes Johnson poked the equalizer into the cage, taking Fred Whalen's pass 10 feet out and easing the rubber behind the hard-worked Martin. Two minutes later Gordon Stewart opened the way for Johnson to count the winner.

Breaking over his own blue line Stewart whipped a long forward pass to his right-winger at the Pirate's line and Johnson taking the pass in full stride found the unprotected corner with a fast shot. Pirates forced for the remaining time left but failed to count although they did break through on more than one occasion.

Shamrocks Blank Tecs

Biggest upset of the International Hockey League's four-game week end schedule was the 1-0 victory of the bottom-place Pittsburgh Shamrocks over London Tecumseh, leaders of the eastern section, as goalie Joe Starke turned back a barrage of rubber in the last two periods at London Saturday.

Syracuse Stars went down in a hard-fought struggle at Cleveland when they yielded in overtime 5-4 while Detroit Olympics retained leadership of the western section by holding the Bi-Cons to a 2-2 overtime tie at Buffalo.

Bill Touhey and Ace Cunningham were the goal-getters for the Bisons and Carl Lecombe and Lorne Duguld for Detroit in Saturday's game while Gordon Fraser struck the decisive blow at London with the only goal. Bill Cunningham scored the overtime goal at Cleveland after Syracuse had tied it up with two goals by Jim Fowler and one by George Parsons in the third period.

The Stars ran wild in the third period at Syracuse Sunday after scoring one goal in each of the first two to beat Detroit 6-1. It was the second weekend game for both teams.

Leafs Defeat Senators In Hectic Game
(C. P. By Guardian's Special Wire)
MONTREAL, Dec. 8.—A riot in which Stan Pratt, Ottawa defenceman, received a broken nose featured the Montreal Senior Group weekend games.

Verdun Maple Leafs subdued Ottawa Senators 5-4 at Ottawa Saturday night in a hectic encounter. Pratt and George Vernon came to blows in the second period, after Brown was stopped in a scoring effort. During the general free-for-all spectators hopped on the ice and a policeman, received a wack under the eye in an effort to stop the melee. Pratt's nose was broken when Ned Martel of Verdun hit him at the end of the mixup.

Weakened by their strenuous game, the Senators today left before the cellar-dwelling Lafontaine 3-2 who notched their first win of the season.

Frankie LeBlanc, former Montreal player, tied two goals and assisted on another as Royals defeated Victoria 4-2 to advance to second place in the standing.

Kelly Scores As Wings And Amerks Tie

(A.P. By Guardian's Special Wire)
DETROIT, Dec. 8.—Detroit Red Wings played their fifth tie game of the young National Hockey League season here tonight, deadlocking one-all with New York Americans in a rough game before 7,000 fans.

Detroit's goal came off the stick of Pete Kelly, former Charlottetown star, with the Kilrea brothers Wally and Hec, setting the stage with a neat double pass in the opening period. After a scoreless second stanza, Al Murray knotted the count in the third frame slapping in the puck when goalie Smith failed to hold Schirmer's drive.

The overtime period was slow, with the Americans playing for a tie in a road contest, but the fans had plenty of excitement in the three regulation periods. Dutton and Cotton, of the Americans, drew misconduct penalties for protesting too vehemently an off-side decision by Referee Stewart, and Wally Kilrea and Hec Stewart were sent off for high sticks in the third frame in a mixup which, for a moment, threatened to become a general free-for-all.

Buswell's penalty climaxed a speedy game as any seen here this season and came as he skated beside Larry Aurie towards Canadiens' goal. Wilf Cude came sliding out to block Aurie and Buswell hurried over him into Aurie sending the Detroit rightwinger into the boards.

After Manager Mantha argued a while Buswell went off and a Detroit power play brought the winning goal.

The game started at a furious pace and before the crowd was settled down Detroit went two goals up on dazzling play by Marty Barry, Lewis and Aurie, starting the line for the Red Wings and easily the best trio on the ice. Both goals came in the third minute.

Barry got the first goal after a quick thrust took Aurie and Lewis inside the blue line where they passed back and forth until they drew the defence over. Aurie passed the puck to the unmarked Barry near the penalty spot and he drilled a hot one to the corner.

Aurie was on a scoring end of a similar play just 27 seconds later as Barry and Lewis whirled around and worked a perfect opening for him. Barry was also in on Lewis' final goal with Hec Kilrea to give the first-string line eight points for the night.

Canadiens came back fighting in the second period and before five minutes had elapsed had tied up the game. George Mantha streaked from his own end as he trapped Detroit's front rank and gave LeRoy Goldsworthy a perfect pass at the defence. Goldsworthy picked the corner with a sizzling shot.

A little more than two minutes later black haired Johnny Gagnon drove in the tying marker after Paul Haynes and Jack McGill had kept the puck in the Detroit end for minutes before they finally got a pass away to Gagnon for the score.

Mayor Camilleen Houde of Montreal introduced several of his colleagues on the continuing committee of the Dominion Mayor's Association from centre ice. Mayors Cragg of Halifax, McGeer of Vancouver and Simpson of Toronto, who faced off the puck, were among those at the game.

Mustangs For Rose Bowl Game
(A.P. By Guardian's Special Wire)
NEW YORK, Dec. 8.—Two Texas teams which are aiming at further gridiron glory in post-season struggles on New Year's Day, Southern Methodist and Texas Christian, kept the southwest conference in front as the most potent football group of the United States yesterday when they concluded highly successful seasons.

Southern Methodist, which will oppose Stanford in the Pasadena Rose Bowl game New Year's day, hung up its 12th consecutive victory on a schedule which included major rivals from the Midwest and Pacific coast as well as from the southwest, by trimming Texas A. and M. 24-0. The Mustangs had little trouble overwhelming the Aggies on a wet field to clinch the Conference title.

Last Minute Counter By Wings Sends Canadiens Down To 3-2 Defeat

(C. P. By Guardian's Special Wire)
MONTREAL, Dec. 8.—Sylvio Mantha was convinced a jinx rode his Canadiens tonight as another National Hockey League game went into the loss column by a one-goal margin to make it three straight in that way and Habitués' fourth defeat in a row.

Herbie Lewis' last minute goal while Walter Buswell served a not-yet disputed penalty gave Detroit Red Wings a 3-2 victory Saturday night to place them in a second-place tie with Rangers in the League's American Section as they left immediately after the game to meet Americans in a Sunday night game at Detroit.

Buswell's penalty climaxed a speedy game as any seen here this season and came as he skated beside Larry Aurie towards Canadiens' goal. Wilf Cude came sliding out to block Aurie and Buswell hurried over him into Aurie sending the Detroit rightwinger into the boards.

Rangers And Maroons In Three All Tie As Chihawks Blank Bruins 1-0

(A.P. By Guardian's Special Wire)
NEW YORK, Dec. 8.—New York Rangers and Montreal Maroons ended all even in a bristling National League hockey game in Madison Square Garden tonight. The score was 3-3.

Rangers, caught napping at the opening of the encounter that was played before 13,716 paying customers, spotted Maroons two goals before they went to work. But three minutes and 28 seconds had elapsed when Conacher, on the firing end of a scoring play with Robinson and Blinco, sent the Maroons away to a one goal lead. Less than a minute later, Robinson, unassisted banged home another and it looked like a rout.

Just a second before the buzzer ended the first period, however, Rangers, having come to life, scored as Ott Heller and Lynn Patrick fed in an uproar throughout, as the Bruins, outplaying the Hawks through the first two periods, did everything but score. The Hawks speeded up in the last 10 minutes of the final period, and just before the finish managed to beat goalie Tiny Thompson.

Cook, rushing in with Johnny Gotsellig and Norman Locking shot out of a mix up in front of the Boston cage. Thompson got in front of the puck, but it struck his right arm and bounced in. Gotsellig and Locking were credited with assists.

Ten penalties were called, six of them on Boston, including a major on Babe Siebert whose stick took a piece out of Donnie McPadyen's scarp in the first period.

Neville And Murray Offered Olympic Trip

(C. P. By Guardian's Special Wire)
MONTREAL, Dec. 8.—Dave Neville and Herman Murray, members of last year's Montreal Royals, Allan Cup semi-finalists, today were invited to go to Germany on Canada's Olympic hockey team.

Leo Burns, a member of the Olympic hockey committee, tendered them the invitation and their decision was expected tomorrow.

The two Montreals will join four Halifax players, one from North Battleford and five Port Arthur Bearcats, provided all accept, in representing Canada at the winter Olympic games in Garmisch-Partenkirchen.

Leafs Win Thriller 2-1

(C. P. By Guardian's Special Wire)
TORONTO, Dec. 8.—Toronto hockey fans have preferred watching New York Rangers play their Leafs than any other contest the National Hockey League could provide but now Chicago Black Hawks will get the call.

Leafs defeated them 2-1 Saturday night in the most thrilling contest of the five played here this season but it might just as well have been a Chicago victory.

The first two goals of the game were packed into a minute of play in the second period after a fast but goalless first session. Charlie Conacher was on the penalty bench when Paul Thompson, league's leading scorer, drove the puck past Hainsworth from about 10 feet out after making his way alone past the Toronto defence.

Exactly a minute later Bill Thoms tied the score with a backhand shot that blazed past Karakas from his right and close in. Frankie Finnigan and Happy Day had raced down with Thoms and Finnigan passed across the goalmouth to him.

In the third, Hawks seemed to be playing for a tie. They made few rushes and Leafs had 12 shots on goal in that period to Hawks' five. Chicago played the same sort of hockey in the overtime, until Harvey Jackson, Conacher and Primeau combined in the play that brought the winning goal.

JACKSON

Matching Chicago's terrific speed, bodychecking as often and as well, Leafs showed backchecking ability that hasn't been evident in their other games and had a decided edge in getting their shots away toward young Mike Karakas.

The trio went down together and when Conacher was forced behind the net, he passed out to Jackson who duplicated Thoms' backhand shot. The assist kept Conacher within a point of Thompson among the scoring leaders.
