U. N. Officials Are Shocked By Assassination

The Late Count Bernadotte

JERUSALEM, Sept. 17—(CP)—Swedish Count Folke Bernadotte, United Nations mediator in Palestine, and a French aide were assassinated by four men in Jewish uniform here today.

The mediator was shot down in Jewish territory while on an official truce inspection tour of the "trigger happy" city, a phrase which the Count himself had used a few hours before to describe conditions within this battle-garred town.

He came here despite an anonymous warning that he would be fired upon, and had continued even after a sniper's bullet had smacked into his automobile tire. "I will not be frightened," he had declared.

Col. Andre Serot, French officer and senior United Nations observer in Jerusalem, was the other victim.

John Joseph Macdonald, United States Consul here, reported to the

Archbishop Kingston En Route To Canada

HALIFAX, Sept. 17—(CP)—Rev. G.F. Kingston, Primate of all Canada, will arrive in Montreal Sept. 21, the Anglican synod office said today. He sailed for New York Thursday aboard the Queen Elizabeth.

Archbishop Kingston spent the summer attending world church conferences, including the Lambeth conference in London and the world conference of churches at Amsterdam. After arrival in Canada he will attend church meetings in Ontario. He will return to Halifax Oct. 3 or 4.

BY D'ARCY O'DONNELL

OTTAWA, Sept. 17—(C)—John Diefenbaker, tall, colorful member of the Commons for Lake Centre in Saskatchewan, threw his hat into the Progressive Conservative leadership ring today. He told newspaper men he was confident he could beat Premier Drew of Ontario in the contest.

"Of course I will beat him, and I mean that although I would not have said that two weeks ago," said Mr. Diefenbaker emphatically when asked if he thought he could win over the Ontario Premier. Mr. Drew, although frequently mentioned as a likely candidate, has yet to say whether he will contest the leadership at the party's national convention here Sept. 30, Oct. 1-2.

Mr. Diefenbaker, who will be 53 tomorrow, said he had been asked to contest the leadership which John Bracken, 65, is giving up because of his age and ill-health.

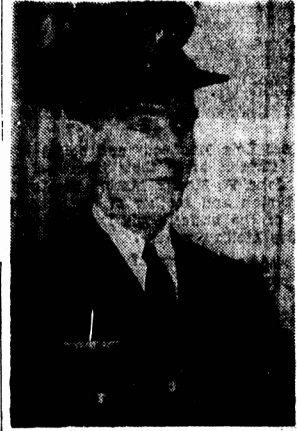

Since Mr. Bracken made his retirement announcement July 19, "a call has come to me to offer myself as a candidate for that high position," said the well-known criminal lawyer, who placed third in the leadership convention of 1942 which chose Mr. Bracken as party chief.

"I have never shirked my responsibility as a member of this party, and will not now, although I am fully mindful of the magnitude of the task, and the responsibility that will fall on the leader of this party to contribute to the national unity of Canada," said Mr. Diefenbaker in a prepared statement.

The statement contained the announcement of his candidature and his views on some of the problems facing Canada. Later, he gave a press conference at the Parliamentary Press Gallery.

By making the announcement, Mr. Diefenbaker became the third candidate to enter the leadership race. The others are Gerald Lacombe, 57, a member of the Commons for the Ontario constituency of Grey North, and J. W. Hanna, 59, member of the Ontario Legislature for Huron Bruce.

Freight Rates Issue

Final resolution today was one detailing earlier plans of the Maritime transportation commission asking that a co-ordinating committee be formed to gather information for use in the commission's report on freight rate increases.

D. R. Turnbull of Halifax, chairman of the commission, a committee of the Maritime board, said the suggested committee would be formed to gather information for use in the commission's report on freight rate increases.

The board declined to endorse the move when members said the group was opposed to such a committee and thought it would be deviating from policy.

FATALLY BURNED

YARMOUTH, N.S., Sept. 17—(CP)—Mrs. Archibald Fevens died in hospital today from burns suffered when her clothes caught fire as she was carrying a flaming pot of wax from her home.

Britain Strengthens Her Home Defences

LONDON, Sept. 17—Britain announced today an increase in the size of the Auxiliary Territorial Service, the women's branch of the army, and issued a call for 10,000 men to serve as special constables in London.

The announcement lightened internal defence plans following a slowdown in demobilization from the armed forces and intensified recruiting for the army and the R. A. F.

The War Office said it plans to increase the size of the A. T. S. by 45,000. It called for 25,000 women from 18 to 40 for anti-aircraft duty and 20,000 for general work.

These measures were taken due to the tense international situation, which was the subject of a meeting of key Cabinet Ministers and Defence Chiefs today. Foreign Secretary Bevin reviewed the international picture at the meeting.

Bevin leaves for Paris Sunday to attend the meeting of the United Nations General Assembly in Paris. He is expected to make a major declaration of British foreign policy to the Assembly. But the statement may be delayed until after he has returned to London to speak on the German crisis next Wednesday in the House of Commons.

Current feeling in London is that anything short of a clear affirmative answer from the Soviet Government to the points at issue in the Berlin situation must lead to the three Western Powers referring the problem of blockaded Berlin to the United Nations.

Premier Jones In Nova Scotia

Premier J. Walter Jones was in Nova Scotia last night and it was understood he would confer with Premier Angus Macdonald before returning to this Province early next week. In the meantime Hon. G. H. Barbour, Minister of Public Works and Highways is acting Premier.

A Canadian Press report from Halifax last night said Mr. Jones had reservations to sail for Southampton tonight aboard the liner Aquitania. But was learned that he would be accompanied by officials and from the Premier's home that the reservations had been cancelled. It was considered possible the Premier might sail later to attend the British Empire parliamentary conference opening in London Oct. 11.

Those sailing tonight for the conference, the Canadian Press said, included J. H. Doone, provincial secretary of New Brunswick and Solon Low, Social Credit leader.

Also aboard the Aquitania will be 50 Canadian hockey players on their way to British leagues.

Berlin 'Bombed' With Coal

BERLIN, Sept. 17—(AP)—The United States Air Force "bombed" Berlin with coal today.

Le-Gen. Curtis Lemay, commander of the American Air Force in Europe, directed every plane in the air to carry coal and promised that 4,000 to 5,000 tons of the fuel would be dumped in the city in the 24 hours ending at noon tomorrow.

The concentration on delivery of coal was ordered as a demonstration on the anniversary of the United States Air Force.

The one-day haul will be distributed at once to all families in Western Berlin with two or more small children.

Meanwhile the Western Allies tightened their counter-blockade of the Russian zone, plugging border holes through which some contraband cargoes have been slipping.

Princess Expects Baby In November

LONDON, Sept. 17—(Reuters)—Princess Elizabeth's baby will be born about mid-November and the birthplace will be Buckingham Palace, a Palace official said tonight.

The decision that the baby, which will be the first grandchild of the King and Queen, shall be born at the Palace was taken because Princess Elizabeth and her husband, the Duke of Edinburgh, still have no home of their own.

Clarence House, their official London home near St. James's Palace, will not be ready for occupancy until early next year. The Princess and the Duke have a suite at Buckingham Palace.

Princess Elizabeth is in excellent health and at present is living quietly with other members of the royal family at Balmoral Castle in Scotland.

Death Yesterday Of N. S. Health Minister

(By The Canadian Press)
INGONISH, N. S., Sept. 17—Dr. Frank Roy Davis, who held three portfolios in the Nova Scotia Government, died today following a heart attack. He was 60.

The Health Minister suffered the attack Tuesday after arriving in this Northern Cape Breton town to attend the annual convention of the Nova Scotia Medical Society. Death came at 8:30.

His death left the standing in the 30-seat Nova Scotia Assembly at 26 Liberals and two C. C. F. Dr. Davis leaves a vacant seat in two-member Lunenburg County while the other vacancy is in the dual riding of Pictou.

There was no speculation yet as to the successor to the Health Minister, usually handled by a doctor. At present there is only one member-doctor in the House.

A redistribution act passed at the last session of the Legislature provides for a seven-member increase in the House.

The big doctor staged a heroic battle during the three days he fought for his life. Commercial oxygen, obtained from a construction crew, was flown to this resort town and administered through a home-made mask.

Funeral arrangements had not been completed early tonight.

Perhaps the most colorful event of his career was his part in the rescue of two Torontonians trapped in the Moose River gold mine in 1938.

Dr. Davis volunteered to enter the crumbling caverns to bring aid to the men, near death from terror, exposure and hunger. He worked side-by-side with a daredevil rescue squad of miners until the rescue was made.

HYDERABAD YIELDS AFTER 109 HOURS OF FIGHTING

NEW DELHI, Sept. 17—(AP)—The princely state of Hyderabad yielded to India today, and the hereditary Nizam ordered his people to adjust themselves to a "new mode" of democratic life.

The state's Muslim ruler, reportedly the richest man in the world, ordered a cease-fire effective at 5 p.m. (7:30 a.m. EDT) after 109 hours of fighting. Indian troops, pressing in from all sides, had approached to within less than 50 miles from his capital.

He was the last of 562 princes to give to Hindu India or Muslim Pakistan, the two dominions created by the partitioning of India a year ago.

The 62-year-old Nizam, Gen. Sir Mir Qasim Khan, accepted the resignation of his government and agreed to the demands put forward by New Delhi when Indian troops swept over the borders of the hemmed-in state at 4 a.m. Monday.

Besides ordering the cease-fire he outlawed the "Tazkars, fanatical bands of Muslim volunteers" and agreed to stationing of Indian troops in Hyderabad.

He also ordered his delegation to the United Nations in Paris to withdraw the case against India as "I want to begin a new chapter of friendship with India."

The Security Council had agreed only yesterday to take up the case on Monday.

The Nizam advised New Delhi that he would form a new government tomorrow. Political observers here said the new regime would have to be approved by the Indian Government.

EXPECTS WAR WITHIN TWO OR THREE YEARS

LONDON, Sept. 17—(CP)—Quentin Hogg, Conservative member of Parliament for Oxford, said tonight that unless a definite and unexpected change takes place there is likely to be war within the next two or three years.

In an address to a merchants' organization here, he said that although war is not inevitable, at the present time all the evidence points to it in the future.

HYDERABAD YIELDS AFTER 109 HOURS OF FIGHTING

NEW DELHI, Sept. 17—(AP)—The princely state of Hyderabad yielded to India today, and the hereditary Nizam ordered his people to adjust themselves to a "new mode" of democratic life.

The state's Muslim ruler, reportedly the richest man in the world, ordered a cease-fire effective at 5 p.m. (7:30 a.m. EDT) after 109 hours of fighting. Indian troops, pressing in from all sides, had approached to within less than 50 miles from his capital.

He was the last of 562 princes to give to Hindu India or Muslim Pakistan, the two dominions created by the partitioning of India a year ago.

The 62-year-old Nizam, Gen. Sir Mir Qasim Khan, accepted the resignation of his government and agreed to the demands put forward by New Delhi when Indian troops swept over the borders of the hemmed-in state at 4 a.m. Monday.

Besides ordering the cease-fire he outlawed the "Tazkars, fanatical bands of Muslim volunteers" and agreed to stationing of Indian troops in Hyderabad.

He also ordered his delegation to the United Nations in Paris to withdraw the case against India as "I want to begin a new chapter of friendship with India."

The Security Council had agreed only yesterday to take up the case on Monday.

The Nizam advised New Delhi that he would form a new government tomorrow. Political observers here said the new regime would have to be approved by the Indian Government.
