YANKEES WIN SERIES OPENER 3-1

Ruffing Sends Champions Off To Victorious Start For Third Straight Title

(By Paul Mickelson, Associated Press Sports Writer) WRIGLEY FIELD, Chicago, Oct. 5.—(AP)—Everything a championship team must have to win great games—power, pitching, superb fielding and that intangible something called luck—combined to send New York Yankees off to a victorious start in their quest for a third straight, record-breaking sweep of World Series baseball plunder this chill, blustery day.

Before a near record crowd of 44,242 customers, who packed every nook and cranny of the remodeled Stadium, the Yankees chilled the hot Chicago Cubs, 3-1, in the series opener.

They beat the best Gabby Hartnett and his gallants had to offer, hitting their pitching pride, General Bill Lee, for 11 of their 12 hits, four of them by catcher Bill Dickey, who equalled a series record.

Yanks Lucky Says Hartnett Praising Lee

(By CHARLES DUNKLEY, Associated Press Sports Writer) CHICAGO, Oct. 5.—(AP)—A tense and brooding silence ruled Chicago Cubs clubhouse as Manager Gabby Hartnett trooped in with his players—beaten 3-1 in the opening game of the World Series today.

Then the grumbling and snarling started. "What the hell," screamed Hartnett, "These guys better look better tomorrow than they did today or they had better look out. They were just lucky, that's all. They got three cheap runs. A base on balls and an infield boot (error) gave them a couple of them. Lee should never have had a run scored on him, the way he was pitching."

Suddenly Hartnett's voice rose to the breaking point as he was screaming so loud. "Get this you guys," he yelled. "We'll battle them silly tomorrow. They're more scared than we are."

Pulling out a big black cigar, Hartnett went to his private office and dropped his 220-pound frame into a chair. Then he mumbled "Oh, I have an announcement to make. I got to make this one myself."

He jumped up, dashed to the middle of the players' dressing room and shouted, "Dear boys tomorrow."

The great one was reading a telegram in front of his locker when Hartnett announced him as tomorrow's pitcher. He didn't say a word. He merely looked at the telegram and then he looked at the Yankees, Dean, grim and sober, said:—

"I ain't making no predicaments. I'll give them all I've got; that's the best I can do."

Hartnett, besides praising Bill Lee's work also lavished praise on Frankie Crosetti, Yankee shortstop, who played a sparkling game.

"That pickle headed so and so really was the guy that beat us," Hartnett said. "He cut off the tying run at third base and was in a couple of double plays that really hurt us. He really played a hell of a game."

Lee took his defeat solemnly. He said he made a mistake in pitching two bad pitches, inside, Bill Dickey, Yankee catcher who got four for four.

Captain Billy Herman of the Cubs referred to the Yankees as a "lot of lucky hits."

"It was a long game for Lee to lose," he said. "We'll tear into them tomorrow."

The Yankees celebrated their victory by themselves as Manager E. J. McCarthy barred the door to newspaper writers. He nearly broke a leg stumbling upstairs to the clubhouse and turned down all requests to see the players, even refusing New York writers.

Island Champs Defeated In Straight Games By High-powered N. B. Squad

The first two men were retired starting the 13th when suddenly five straight hits rang off the bats of the Moncton hitters, including a home run and a triple and before the local team could get the third out Moncton had scored five times to take a 7-3 lead. Indians replied with a brace of counters in the last half of the same inning to again get into the running but the Aces, far from through, scored eight times in the eighth on seven hits to sew up the verdict; Indians pushed across another brace of tallies in the same inning but after Moncton had scored an orphan tally in the ninth Drillon bore down hard to retire the Island team in order in their last turn at the plate.

Drillon, Toronto Maple Leaf hockey star, after holding the Islanders to four hits in Moncton during the first three home runs, a triple and a double. Mollins first up but seven hits for the first six innings was found for 12 additional blows in the last three frames to account for his defeat after pitching a brilliant game up to this point.

Edgett, right fielder for the Aces led the hitting parade yesterday hitting safely four times out of seven trips to the plate, two of his blows being home runs in the seventh and eighth. Williams and McInnis led the local team's batting each getting three hits out of five trips, off the smoke-bell delivery of the left-handed Moncton ace.

Young Saskatchewan Girl Leads Way Into Quarter Finals For Golf Crown

(By ROSS MUNRO, Canadian Press Staff Writer) OTTAWA, Oct. 5.—(CP)—Five Canadians and three Britons battled through the second round of the Canadian Women's Open Golf Championship here today with the youngest girl in the tournament leading the way.

Slim Marg Esson, 17-year-old youngster from Rosetown, Sask., who has just finished high school and has only been playing golf a few seasons, administered a decisive 7 and 5 defeat to Winnifred Evans of Vancouver as the field of 16 was slashed to the eight who will meet tomorrow in the quarter finals.

The only survivor of five western players who qualified for the second round, Miss Esson smashed her drives to past the 200 mark and seldom failed to approach within a few feet of the pin. Her putting was hot and experts who have followed the open for years maintained they had never seen a performance by such a slight and youthful golfer.

She was only three shots over even for the 13 holes she played. Jessie Anderson, the Scottish Women's Champion and member of the British Curtis Cup Team, shot a 39 medal on the first nine in her match with Mrs. A. J. D. Wright of Montreal to hold a two-up lead at the turn. Then the hard-driving girl from Perth who won the British Women's open last year really played her game and swept to a 5 and 3 win.

Another member of the British Team, Mrs. J. B. Walker provided an upset when she knocked out Mrs. A. B. Darling of Montreal 5 and 3.

Clarrie Tiernan of Dublin was the third member of the Curtis Cup team to win her match. She defeated Douglas McIlwraith of Hamilton 3 and 1.

One of the two Ottawa players to get through the second round, Evelyn Mills eked out a one-up victory over Mrs. J. E. Nickson, top-flight Montreal golfer.

The closest match of the day saw Mrs. F. J. Mulqueen, the Toronto veteran, finally defeat Kaye Farrell of Vancouver one up on the 19th hole.

In the two remaining matches, Mrs. E. H. Gooderham of Toronto defeated Heather Leslie of Winnipeg 3 and 2 and Mrs. W. G. Fraser of Ottawa ousted Paddy Arnold of Calgary 3 and 2.

Aurel Joliat Says Adieu To Pro Hockey

MONTREAL, Oct. 5.—(CP)—Little Aurel Joliat, who considers his 16 starry years with Montreal Canadiens "a few years too long for any man to play to coach professional hockey," formally signed a one-year contract today to coach Verdun Maple Leafs of the Amateur Quebec Senior Hockey League.

Hero of countless games and looked upon as one of hockey's all time greats, the poker-faced Joliat was as emotional as ever as he penned his signature to the contract in the offices of J. Ernest Savard, president of the National Hockey League Canadiens and on the box of directors of the Verdun Club.

Thus the man who became known as "The Mighty Atom" branched out on a new phase of a great hockey career. Joliat, who played all his 16 years of big time hockey with Canadiens, was released recently by the flying Frenchmen. But his mind had been made up last year. "I have decided to quit," he said. "It happened when we were playing Toronto Maple Leafs. Buzz Boll and I collided at centre ice and I got hit on the chin somehow. Everything just went black and I hit the ice, out cold. I knew then it was time for me to give up the game."

Discussing his contract with the Verdun Joliat said "naturally" he hoped to make good. Eventually he would like to coach in Major League hockey but offered that his coaching career "all depends on how I make out now."

Only a short while ago he and Pete Lepine were considered for the job of coaching New Brunswick International-American League Eagles. The position finally was given to Lepine, another former star with Canadiens released at the same time as Joliat.

Plymouths In Deciding Game Today

Plymouth All-Stars, Island intermediate baseball champions seeking to add the New Brunswick crown to their Island title leave this morning for Moncton where this afternoon they take on the Loggieville Bisons in the third and deciding game of their Maritime semi-finals series.

Result of today's game appears to be a toss-up. Plymouths, victors by an 8-0 score in Loggieville in the first game, were set back on their heels by the New Brunswick crew in the second game played on the local diamond and on that occasion Loggieville looked good enough to give the Islanders a merry battle for the right to meet New Waterford in the finals.

However, the locals feel confident they will again hit their real stride today and defeat the Bisons. The same lineup that played in Loggieville will be on hand for the encounter and the wish of every Loggieville fan goes with the boys as they battle it out on a neutral diamond.
