The funeral of the late Richard Elliott of Pleasant Valley, took place last week. It was under the auspices of Calvin L. O.L. No 1157, Bradshaw, of which deceased was a member for thirty-eight years. The services at the house were conducted by Rev Mr Murray of Clifton, assisted by Rev Mr Pierce of Pleasant Valley. The burial services of the Orange Order was conducted at the grave. The pall bearers were John McLeod, J. D. Bigger, Duncan McKinlay, Duncan Gillis, Robert McKenzie and Jas McKay. The funeral was largely attended as the deceased was highly respected by all who knew him. He lived to the ripe age of eighty-three years.

An Obituary correspondent writes:—The many friends of A. A. McNeill are pleased to see him out again after his recent severe illness.—The Temperance people here are doing extra work this winter. They held a social last week which proved a great success. The sum of \$30 was realized.—Robert Ellis has his new store almost completed and when finished it will be one of the finest country stores in the Province.—W. H. Dennis, carriage builder has done a rushing business this season and is at present, in company with Mr. Bernard of Kensington, taking orders from the farmers for Frost and Wood Binders.—It is evident the people must have the tunnel, as there are about fifty carloads of pressed hay for sale in this vicinity and no means of getting it to market.—J. A. G. Ellis left last week on a well-earned holiday to Florida. All wish him a pleasant trip and a safe return. George McAlary, will have charge of his drugstore during his absence.

THE DEAF MADE TO HEAR.

Deafness because usually due to catarrh, is quite curable. In a thousand cases this is proved absolutely true. Success invariably attends the use of Catarrhones which has cured catarrhal deafness of twenty-five years standing. Penetrating through the mass of the ear, the soothing vapor of Catarrhones relieves the inflammation, destroys the seeds of catarrh and thereby allows nature to re-assert herself. Try Catarrhones, you will find, 25c, and \$1.00 sizes sold by all dealers.

\$50,000,000 FOR ADVERTISING.

LONG BRANCH (N. J.) Feb. 9.—"James B. Duke, the tobacco king, recently claimed in an interview that he had spent more money in advertising than any other living man. He said that the figures would reach fifty million dollars. —Newspaperman."
Yet James B. Duke is, to-day one of the wealthiest men in the world. When you see a liberal advertiser you see a rich man. The business man who in this age of advertising is afraid to invest any money in publicity will never accumulate a fortune.—Record.

STOCK NOTES.

M. A. White, Graham's Road, Lot 20, has purchased from David Reid, Victoria Cross, King's Co. the imported Clydesdale stallion Victor of Goodwood, (238). Four years ago Mr. Reid purchased this stallion at a cost of \$1100, and claims him to be the best stock raiser he ever handled in his 20 years' experience. This purchase adds to Queen's county, one of the best draft stallions in the province and there is no reason why Mr. White should not receive a large patronage.

Liver Trouble From Overeating

THE KIDNEYS AND BOWELS ALSO DERANGED AND CURE ONLY OBTAINED BY USE OF

DR. CHASE'S KIDNEY-LIVER PILLS.

Harried eating and lack of proper mastication of the food are among the most common causes of indigestion, and overeating is undoubtedly the beginning of trouble with the liver and kidneys. Kidney disease and rheumatism are not usually the first indication of a deranged system, but these troubles follow unheeded headaches, constipation and bilious attacks.

Because of that direct and combined action on the liver, kidneys and bowels, Dr Chase's Kidney-Liver Pills are effective in whatever stage of such derangements they may be used, except when the structure of the kidneys has been wasted away by Bright's disease.

What we would emphasize, however, is the advantage of beginning this treatment at the first indication of trouble with the liver. It is the liver which first feels the result of overeating because of its difficulty in filtering the blood. Keep the liver right by the timely use of Dr Chase's Kidney-Liver Pills and you not only prevent headaches, biliousness and constipation, but entirely escape derangements of the kidneys, which are at once so dreadfully painful and fatal.

Mrs James Lawrence, West Adelaide, C. B. writes:—"I have great confidence in Dr Chase's medicine and believe that Dr Chase's Kidney-Liver Pills saved my life. I was a great sufferer from chronic dyspepsia and entirely unable to do anything. Two boxes of Dr Chase's Kidney-Liver Pills cured me and I have recommended them to many people."
"My husband was cured of liver complaint by using these pills and we would not think of being without them in the house."
