

"SPRING FEVER"

The need of a spring medicine seems to be universal. This is due to the fact that during the winter the blood becomes impure on account of the hearty food eaten. This causes that tired, weary, a-l-gone, don't-care-to-work feeling which is so prevalent at this time of year.

BURDOCK BLOOD BITTERS

That Tired Feeling

Mr F H Leard, Saskatoon, Sask. writes: "I have used Burdock Blood Bitters as a blood purifier and think it an excellent remedy. Everyone should take it in the spring to cure that tired-feeling that comes to so many at this time of year."

Uses it Every Spring

Mr H. Langley, Hamilton, Ont. writes: "I have used Burdock Blood Bitters as a spring tonic, and I find it the best thing I can take. It builds me right up and I use it every spring. It is excellent for the blood."

"SPRING MEDICINE"

The Foundation of a Good Bed

The foundation is the most important part of a building. It is on the foundation that the whole weight of the structure rests. A fault in the foundation means the entire building at fault.

\$8 - A "Banner" Spring Bed - \$8

is the foundation of a good bed. A "BANNER" Bed is the right principle to begin with, because spiral springs are the only ones which will not sag in the middle—will not stretch out of shape—will not lose their springiness.

The "BANNER" is the perfect spiral spring bed. It is made of best quality 100 spiral springs. These are oil tempered, like a razor blade—japanned to prevent rust—and rigidly attached to flat steel bands which in turn are riveted to angle iron sides. This method of construction also enables the "Banner" to fit any iron bed without the use of slats.

If you want a bed that is noiseless—that will hold its shape—that will always be easy and comfortable—and that is guaranteed for a lifetime—you should certainly buy the "BANNER" Spring Bed. The price is \$8—anywhere.
