Penalty of War
Acute Gastritis

West Croydon man had a bad time until he took Carter's Little Liver Pills

It is terribly disheartening when one's stomach and intestinal tract are weak. Trouble of this nature is often aggravated by a sluggish liver. It was so in the case of Mr. A. E. R., who writes: "Discharged from His Majesty's forces with Acute Gastritis, I was left with a very weak inside, and those who suffer similarly know how very careful one must be in what one eats and what medicines one takes. Constipation and indigestion generally commenced my attacks. Headaches and Bad Breath naturally followed. But to-day I am able to eat anything I fancy." Vegetables, as everyone knows, promote health. Dr. Carter's Little Liver Pills are entirely vegetable and should not be confused with ordinary laxatives. These wonderful little pills will tone up your liver, invigorate your digestive tract and keep you in the best of health. Sold by druggists over 60 years. 25c & 75c red pkgs.

—HEALTH IMPROVING—The many friends of Mrs. Joseph G. McLellan, Indian River, who is a patient in the Prince County Hospital will be glad to hear that she is somewhat improved. Mrs. McLellan is suffering from a fractured hip as a result of being thrown out of a carriage when it was struck by a passing car.

—MAKING GOOD RECOVERY—Miss Ethel McArthur, Kensington, who was successfully operated on in the Montreal General Hospital last week is making rapid progress toward a good recovery and expects to be home soon. She will be accompanied by her father, Mr. W. B. McArthur who has been in Montreal since she entered the hospital.—K.

—ENJOYABLE CARD PARTY—Mr. Edward Pendergast, Mrs. P. S. McIntyre and Miss Lucy Gorman were hostesses on Friday night at a most enjoyable card party in the Brunswick Hotel, Kensington. The commodious rooms of the hotel proved an ideal place for such an affair and twenty tables of auction forty-fives were in play. Prizes were won by Mrs. John T. Mullin for the ladies and Mr. W. H. Darrach for the gents. The lucky chair prize was won by Mr. Leonard Sheehan. Refreshments were being served when news of the fire in Phillip's store adjoining the hotel was brought in which sent everyone scurrying to the fire. The fact that so many men were near and quickly on the scene helped materially in getting the fire under control. Quite a number came back after the fire and finished their lunch. Several musical selections by Mr. Elmer Phillips, violin and Miss Mary Ready piano were greatly appreciated. A vote of thanks was tendered Mr. and Mrs. Devine, managers of the hotel, who so generously gave their house and ex-

Tignish

Among those who visited Tignish from Summerside, Sunday were Alex MacDonald, Henry Bernard, Adrien Richard.

Mr. W. H. Tidmarsh, Charlottetown, was a visitor to Tignish the first of the week.

Mr. and Mrs. J. J. Gaudet visited Tignish on Tuesday.

Miss Dora Hackett and Miss Marguerite Richard have just returned to their homes here after a very pleasant visit in Charlottetown.

A large number of men with teams were busy Wednesday building a sand break on the north side of the Tignish breakwater. The breastwork on the north side had been eaten away by the heavy storms last fall and the fishermen rather than see the harbour fill in with sand voluntarily went to work to build this protection. Mr. Frank S. Gaudet was foreman and the work was speedily rushed to completion.

Mr. Isidore A. Doucette, one of our "able sea dogs" was fortunate in getting a nice catch of fall codfish on Tuesday, and our town-

people have had an opportunity of enjoying this rare treat at this unusually late time of the fishing season. Isidore is always abreast or ahead of the times.

Mr. Emmet McCue has purchased the large farm property formerly operated by Mr. Alfred Gillis, Montrose. Mr. and Mrs. McCue, formerly of Tignish, have been living in Boston for a number of years and it is pleasant to know that they have decided to make "beautiful Montrose" their future home. They are being warmly welcomed by their many friends.

Mr. Wilfred Tanton and Mr. M. M. Foley of Alberton were among the many visitors to Tignish on Wednesday.

On Tuesday a bazaar was held in the newly enlarged Parish Hall at Palmer Road. Quite a number of parishioners attended in the afternoon and evening. Dainty suppers were served by the ladies. Games of forty fives were indulged in by the older folks while the youth and beauty of the district enjoyed themselves at Bingo, The Fishing Pond and other games. A handsome sum was realized in aid of the Church funds.—T.

SONG OF THE SHIRT

DURANT, Okla., Nov. 19—A shirt for which W. F. Bennett, Durant paid 35 cents, 33 years ago, never has had a stitch taken in it and is still being worn by him.

Bennett said he wore the shirt regularly for several years, part of the time in a grocery store where he worked doing heavy work. More recently Bennett has worn it only on fishing trips, but occasionally wears it downtown.

Citizens in rural communities in Saskatchewan, Canada, are taxed \$7 to \$10 per family to engage the services of full-time physicians at annual salaries ranging from \$3,000 to \$5,000.

—BRIDE-TO-BE SHOWERED—Mrs. Parnell McMahon, Kensington entertained on Thursday night in honor of Miss Helen Kelly whose marriage to Mr. Vernon Durant of Summerside takes place this week. The dining room was prettily decorated in blue and white and wedding bells. As the bride-elect entered, to the strains of the wedding march played by Mrs. (Dr.) W. P. McBride, a large wedding bell opened and literally showered her. The gifts were opened and presented by Misses Margaret McMahon and Mary Power. Miss Kelly thanked her friends in a few well chosen words. Music and song whiled away the evening very pleasantly. A dainty luncheon was served by the hostess. After bouncing the bride-to-be and singing "For She's a Jolly Good Fellow," the guests departed wishing Helen every happiness.—K.

—BRIDE-TO-BE SHOWERED—The community of Hamilton and Malpeque gathered at the home of Mr. and Mrs. William Mann of Indian River to tender a shower to their daughter, Miss Ethel, whose marriage is to take place in the near future. The house was charmingly arranged with autumn flowers and the bridal chair was draped with white ribbon and pink flowers. A miniature bride and groom, Miss Irene Hamilton and Master Kenneth MacKay preceded the bride into the room to the strains of the wedding march played by Miss Alma Woodside. A dainty basket containing many lovely gifts was brought in. Miss Mattie Ramsay opened the gifts and Miss Adema read the accompanying verses. When all the presents had been admired, Miss Mann made a charming speech thanking one and all for their kind wishes and lovely gifts. A dainty lunch was served and the remainder of the evening spent in music and dancing.—S.

PRICES ARE DOWN

Furniture prices are lower today than they have been for twelve years. Not since 1919 have prices been as low as they are today. We believe with well known economic authorities that prices have reached rock bottom. Surplus stocks, the main cause of the drop in prices, have been used up. New goods with very few exceptions can not be made at lower prices. Furniture factories are busy again working almost full time. With furniture stocks depleted, orders are pouring in. As conditions improve prices must advance. **BUY NOW AND SAVE.**
