More And Better Sweet Corn

Growing sweet corn in the home garden is on the increase as the true facts concerning the evanescent quality of the sweetness of sweet corn become known. This cannot be preserved in the market, and for this reason market sweet corn is seldom if ever as sweet as the fresh picked vegetable.

Each year sees new varieties of sweet corn, the chief improvement in which is earliness and sugar content. The use of Golden Bantam as breeding stock, transmitting the sugary quality and yellow color of the kernels to cobs of larger size and growth has been the basis of a number of new varieties. Sixty-day cobs are now offered, the 60 days referring to the time between germination and the day the first picking ears are ready for use.

One of these 60-day cobs, Golden 60-day, is a Golden Bantam hybrid. The 60-day white has become a favorite with market gardeners in many sections because of its earliness, sizeable cobs, and attractive quality which makes it a quick seller.

Mammoth White Corn is another popular corn for its earliness. Stowell's evergreen and Country Gentlemen are old time staples for the main season crop and are hard to beat in quality and size of cob.

Sweet corn is harder than field corn and may be sown earlier. When the farmer starts corn planting, sweet corn in the garden ought to be out of the ground for the early crop and the main and late crops will be going in.

The Black Mexican or calico corn with dark purple kernels is an old favorite for its earliness and sugary flavor. The color is again, it with those unfamiliar with it. To those who know it and are familiar with the dark kernels it is a garden standby. There are specially selected strains of this black corn which are well worth a trial in the garden.

Get the soil well plowed or spaded with plenty of fertilizer ready for the sweet corn. Mellow soil, warmth and plenty of food are the prescription for quality sweet corn. Anybody can have it that will take the trouble.

Sow icicle radish to follow the little early red kinds.

Dwarf ageratum and sweet alyssum are an effective edging combination.

Plant a herb garden for unusual flavors.

The dwarf morning glories make a striking bed in rich deep blue tones.

MT. STEWART NOTES

Misses Cora and Jennie Douglas spent the week end at the home of Mr. and Mrs. Nathan Douglas, Mount Stewart.

Miss Edith Cameron, Stanhope, spent the week-end at the home of her parents, Mr. and Mrs. Calvin Cameron, Head of Hillsborough.

The Lorne Valley Dramatic Club presented their three act play entitled "Those Dreadful Twins" in Mount Stewart Hall on Friday, May 23rd. The cast of characters was as follows: Josiah Brown, Deacon in our Church, Stirling MacLeod; Deacon on Whitebeck, also of our church, Earle MacDonald; Bill Nabem, the Sheriff, Stirling MacLeod; Lynx, the Detective, Frank MacArthur; Rastus, out of work, Harry MacLeod; John and Fan, awful twins, James MacLeod and Dorothy Leard; Josie De-

con Brown's Daughter, Dorothy MacLeod, Mrs. Brown, supposed wife of J. C. MacDonald, Mount Stewart. Donald join in wishing them many years of happiness.

A very pretty wedding was solemnized at the home of Mr. Ira Johnson, Canavoy, on Wednesday evening when his eldest daughter, Alice became the bride of Mr. Vernon MacDonald of Covehead. The ceremony was performed by the Rev. M. K. Charman. The bride, who was given away by her father, looked very charming in a gown of beaded white satin. Miss Sadie Farquharson, acted as bridesmaid and Mr. Ray MacDonald, cousin of the groom acted as groomsmen. The groom's gift to the bride was a beautiful necklace, to the bridesmaid a necklace and to the groomsmen a pair of cuff links. The bride and groom were the recipients of many beautiful gifts. The many friends of Mr. and Mrs. Mac-

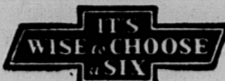

Services were held in Mount Stewart United Church on Sunday at eleven a. m. Rev. M. K. Charman, Pastor.

Mr. and Mrs. Frank Tremere and Miss Edith Warren, Nanpetoe, were visitors to Cherry Hill on Sunday.

The monthly meeting of the Women's Missionary Society of Mount Stewart, United Church was held on Tuesday evening at the Manse, where a very enjoyable evening was spent.

Mr. Henry Douglas, Charlottetown spent the week end at the Head of Hillsborough.

Mr. Arbenas Jardine, Charlottetown, was a visitor to Mount Stewart on Sunday.

From Every Standpoint it is wise to Choose a Chevrolet Six

Consider its low price, low operating cost and six-cylinder performance

MANY thousands of people are availing themselves of the advantages of six-cylinder performance because they realize how little it costs to operate a Chevrolet Six. And because Chevrolet is in the lowest price field—easily within the reach of all who can afford any automobile.

Operation and maintenance are equally inexpensive. No other car you can buy can surpass Chevrolet's economy of gasoline and oil! And Chevrolet service—available throughout the country—is remarkably economical. In fact, charges on many operations—including both parts and labor—are the lowest in the industry.

Once you drive a Chevrolet Six, you will never be satisfied with less. For nothing less than six cylinders can give you six cylinder smoothness. And Chevrolet is the lowest priced six cylinder car. Moreover, the Chevrolet 50-horsepower motor is the most powerful in its class. That is why Chevrolet is faster—quicker at the "get-away"—a better climber on the hills!

The new Chevrolet Six is equipped with "Body by Fisher"—the most beautifully designed in the industry. No other car in the price field offers you this outstanding advantage!

CHEVROLET SIX

Only Six cylinders give Six-Cylinder smoothness

Table listing Chevrolet Six models and prices: The Sport Roadster \$715, The Coupe \$740, The Coach \$750, The Super Sport Roadster \$795, The Club Sedan \$810, The Sport Coupe \$840. Also lists ROADSTER or PHAETON \$635, The Sedan \$870, The Sport Sedan \$940.

Prices at factory, Oshawa. Taxes, bumpers and spare tire extra. A complete line of Commercial Cars and Trucks from \$495 up.
