Chronic Rheumatism Cured 50,000 BOXES FREE

TRY LIKE I DID UNDER LIKE CONDITIONS. JOHN A. SMITH.

For rheumatism, that horrible plague I found a simple remedy and in order that every sufferer reader may learn it, I will gladly mail him a package free. This marvelous remedy I found by a lucky chance while an invalid from rheumatism, and has since cured hundreds of others, among them cases of over 30 and 40 years standing. In Fountain City, Wis., it cured an old gentleman who had suffered 33 years, and after seven doctors had tried in vain. In Marion, Ohio, it cured a lady who had been bedfast for thirteen weeks. In Palmer, Nebr. it cured a lady 61 years old. In Bennington, Vt., it cured an old gentleman who had been lame for 20 years. In Stayner, Ont., it enabled a lady to abandon her crutches. In Englewood, Ohio, it, cured a gentlemen of 67, who had suffered 18 years.

No matter whether your rheumatism is chronic, muscular or sciatic, nor mind if any other remedies have disappointed you, write me without fail, and by return mail you will receive the trial package absolutely free and also free a book on rheumatism which is illustrated with many stippled drawings from actual life, and which will tell you all about your case.

Never before has a remedy for rheumatism been so highly endorsed as this. Among the eminent people who have endorsed it is Eugen H. Plumacher, United States Consul, Maracaibo. Publisher of "Health", London, England. Doctor Quintero, of the University of Venezuela Stevenson MacAdams, F. J. C., F. C. S. of Analytical Labratory, Surgeons Hall Edinburg, Scotland and many others. Address: JOHN A. SMITH, 27 Laing bldg., Windsor, Ont.

THE GUARDIAN COVERS THE FIELD

The Guardian covers the City and Province within which it is published more fully and completely than any other newspaper printed in Canada.

With a daily circulation of its morning and rural edition now about 8,000 and growing from day to day, it has broken all records for a daily publication in a small community.

Charlottetown has a population of 12,000 and Prince Edward Island has 103,000. The Guardian's daily circulation is therefore 1-1 to 1½ of population in the city in which it is published, or 1 to 13 of the population of the Province. This is, the management believe unequalled by any daily newspaper published in Canada.

Take one or two comparisons with other leading newspapers in other cities and Provinces.

St. John has a population of 40,000 and the Province of New Brunswick 320,000 St. John has five newspapers and among these The Telegraph and The Sun are perhaps the foremost. Each claims a circulation of about 8,000 or say as 1 to 5 of the population of that city and 1 to 40 of the population of the Province.

Or again: Toronto has a population of some 250,000 and the Province of Ontario about 2,225,000. The Toronto Globe is a great Canadian newspaper, known all over the world as one of the foremost journals. The Globe's published daily circulation is slightly under 50,000. That is as 1 to 5 of the population of Toronto and 1 to 44 of the population of Ontario.

The point is this that The Guardian covers the field of its circulation three and a half times as well, if compared with population of the city, and over three times as well, taking the population of its Province, as the best New Brunswick and Ontario daily newspapers, and these are admittedly among the best in Canada.

These facts are printed in no spirit of boasting, but for the satisfaction of Guardian readers and advertising patrons alike. They have a right to know how completely their favorite Journal's endorsed by the reading public among whom it circulates and how completely it covers the field as an advertising medium in this City and Province.
