Lens Grinding Do You Know-

That we operate the only Lens Grinding Plant on P. E. Island?

That we employ a skilled Surface Grinder, and are daily grinding from the rough glass—the most complicated kinds of lenses?

These are facts, which mean a good deal to the Glass wearing public, doing away with the annoying delays caused by sending away for special lenses.

Send your glasses in by mail, you'll get them back promptly and in perfect condition.

Call in and look over our plant.

G. F. Hutcheson Optometrist and Optician

ELLIS'

Say and have proven with their own stock that they have the Island's greatest Condition Powders. It gives horses a good appetite, glossy coat, loose hide and healthy appearance which helps the sale of your stock. Its effect on Cattle, Pigs, Sheep and Poultry is marvellous.

Besides Ellis' Stock Food and remedies, we carry the following: Royal Purple, Pratts, International, Dr. Daniels, Columbian, Granger, Woodbury's and Pendleton's.

Come to our store for information regarding your horses.

The Castle Pipers

Written by an island member of the "Firsts" who spent several days at Edinburgh Castle while on leave from France.

To hear the Castle Pipers play it sets me all a-thrill; It stirs my pulse, it fires my blood Like marching down a hill—

Like marching down a hill at morn, through harvest fields, when birds are waking, With youth's rejoicing heart and free, My early way a talking.

To hear the Castle Pipers play it sets me all a-thrill; My raptured soul with wild desire, The swelling war-notes fill, Before me pace with regal grace The tartered chiefs of song and story.

They call to me, they call to me, To join them in their glory!

PTE. FRANK WALKER, Edinburgh Castle, December, 1917.

Listen to This! Says Corns Lift Right Out Now

You reckless men and women who are pestered with corns and who have at least once a week invited an awful death from lockjaw or blood poison are now told by a Cincinnati authority to use a drug called "Freezone," which the moment a few drops are applied to any corn, the soreness is relieved and soon the entire corn, root and all, lifts out with the fingers.

It is a stick ether compound which dries the moment it is applied and simply shrivels the corn without inflaming or even irritating the surrounding tissue or skin. It is claimed that a quarter of an ounce of Freezone will cost very little at any of the drug stores, but is sufficient to rid one's feet of every hard or soft corn or callus.

You are further warned that cutting at a corn is a suicidal habit.

RESOLUTION OF SYMPATHY.

The following resolution of sympathy has been gratefully received by Mrs. Mallett of Cornwall:

Kingston, P.E.I., March 13th
Kingston, P.E.I., March 15th, 1918.

Dear Mrs. Mallett:

At a meeting of the Quarterly Official Board of Cornwall Circuit, held on March 13th in Kingston church, the resolution which follows was adopted: "Whereas, on the fifth day of the present month our beloved brother Henry W. Mallett, a highly esteemed member of this Official Board, was removed by death at the early age of forty-eight years, and Whereas, Brother Mallett was Associate Superintendent of Cornwall Sunday School and also one of the Circuit Stewards of that appointment and always took a deep interest in the work of the Church.

Therefore Resolved, that we, the members of the Official Board of Cornwall Circuit, assembled in the Kingston Church, place on record our deep sense of loss on account of his death and our great appreciation of his character and work, and Further Resolved, that we convey our sincere sympathy to his bereaved wife and family in the terms of the following letter:

Dear Mrs. Mallett: We, the members of the Official Board of Cornwall Circuit, desire to express on behalf of the whole circuit our sincere and heartfelt sympathy with you and your family—Edison and Sadie—in the great and unexpected sorrow and bereavement through which you are called to pass in the death, after a short illness, of your loving husband and father. We earnestly pray that the Divine Blessing will sustain you in this sad hour and that Edison in his absence from home at the war may receive that strength which comes to those who look to God for help in their bereavement and loss. We sorrow with you for we have also suffered a great loss in the death of our friend and brother. You have a precious memory of one who was always kind and thoughtful of your comfort and happiness and who, amid the many interests and demands of this life, did not neglect the matter of his eternal welfare and came to the end of his short and useful life in the blessed hope of a glorious immortality.

Years with sincere sympathy, Signed, on behalf of the Board,

J. HEANEY, MINISTER.

GEORGE CRUWYS, Recording Steward.

King's County Seed Fair And Poultry Show

PRIZE LIST—CLASS B.

Plymouth Rock Cockerel, Barred—1, J. Leslie Poole, Lower Montague.
