Boston Red Sox In 7-1 Victory Over Detroit For Sixth Straight Win

Matinee Races Today At Springfield

The recent heat wave last week has stirred up standard bred bloods along the countryside, and if the generous weather man will do his part once again, fans from far and near can be assured of a grand outing this afternoon at the Matinee races at Sunny Acres, Springfield.

Mr. Nelson Mathieson has invested largely this season in time and material to bring his Sunny Acres track to A-1 condition and which some day soon may be among the best speedways in the Maritime, and Mr. Mathieson has been receiving the highest praise from horse lovers in surrounding area for the fine work he has done.

With plenty of fine three-year-olds coming to the fore every day in the surrounding districts, the four classes of A, B, C and D events should be filled with plenty of entries for today's program, and will be watched with interest by the large number of race enthusiasts who are expected to attend.

Mr. Robert Dewar of Summerside will be the official starter and one of the highlight events of the program will be the match race between two veteran campaigners in that district, Betty S. and Chestnut Daddy.

This afternoon's program is scheduled to get underway at two o'clock sharp.

Matinee Races Today At Springfield

(By The Canadian Press) Lefty Mel Parnell became a nine-game winner yesterday as Boston Red Sox stretched their current winning streak to six straight with a 7-1 win over Detroit Tigers.

Two night games were scheduled for the American League.

The Tigers, who have lost all five of their 1949 Fenway Park starts, were not only the victims of effective pitching but also timely hitting and two spectacular fielding gems that checked their scoring.

Ted Williams more than clinched matters in the sixth inning when he lashed his 17th homer against starter Art Houtteman with two aboard.

George Kell banged the first of the Tigers' six hits, a four bagger into the left field screen. With Elmer Valo's fifth inning "grand slam" homer was the telling wallop as Philadelphia levelled Cleveland's world champions for the seventh time this season with a 8-2 victory.

The victory advanced Philadelphia to second place.

Sid Hudson checked Chicago White Sox with four hits to capture his fifth victory as Washington won 9-3.

Brisie of Philadelphia won his seventh pitching victory with Bob Kennedy the only thorn in his side. The Cleveland outfielder homered in the fifth inning and in the fifth—the first of four hits Brisie allowed—and then crossed the plate on Johnny Berardino's fly after a seventh-inning triple.

Valo's wallop came off Bob Lemmon after the Athletics had filled the sacks on two walks and an infield hit.

Riverside Races This Afternoon

The Island Racing Circuit opens its season's programme at Riverside Race Track this afternoon with 32 horses in the Riverside stakes. The word in the four classified races that are on the programme.

In the No. 1 classified nine will come to the wire and this is a class that really has the spectators puzzled for all nine have an equal chance of being returned the winner and the likelihood is that an extra heat will have to be raced to decide the victor.

No. 2 Classified is not far behind No. 1 as far as picking a winner is concerned and the same can be said about the other two classes on the programme. From that it appears as if secretary Leo Praught has come up with a ten-strike for the opening meeting of the season and if everything lives up to early predictions the summer's racing season will be off to its best start in years.

Improvements to the grounds and track have made the plant as up-to-date as possible. Fans can be assured of having a distinct view of every inch of the track; the track itself is said to be lightning fast due to the work put on it this spring and last but not least capable officials headed by starter Dr. F.C. Dougan assures the overflow crowd that is expected of a great day's harness racing.

Races will be called promptly at 2 o'clock sharp. Meals and refreshments will be served on the grounds.

Charles 10-13 Favorite Over Walcott Tonight

(By Jack Hand) CHICAGO, June 21 (AP) — Ezzard Charles of Cincinnati is a shrinking 10-to-13 favorite over 35-year-old Jersey Joe Walcott of Camden, N.J., in Wednesday night's 15-round Comiskey Park bout for the N.B.A. version of the world heavyweight championship.

The two contenders for Louis' vacated throne probably will draw a gross gate of around \$200,000.

Clear skies and slightly cooler weather are predicted for tomorrow's fight.

The winner will be recognized as champ in most states except New York and Massachusetts which do not belong to the N.B.A. Chairman Eddie Egan of the New York State Athletic Commission is on record as favoring a "tournament" of eligibles before accepting any champ. The British Board of Boxing Control will tab the winner of their Bruce Woodcock-Lee Savoldi bout Sept. 6 as the heavyweight king.

Backers of Walcott point to the veteran's two fights with Louis; how he knocked down Louis twice in their first fight when he lost a highly-disputed decision and how he led on points and knocked down Louis once last June 25 before the Bomber flattened him in the 11th round.

They believe that a 194-pound Walcott with "about 130 pro fights" will pack too much weight and ring savvy for 27-year-old Charles, a recent graduate of the light heavyweight class.

Chicago Cubs Wallop Boston Braves 8-4 As Manager Is Suspended

Chicago Cubs of the National League brightened the beginning of manager Frankie Frisch's suspension yesterday when they walloped Boston Braves 8-4.

Three arc-light contests were scheduled.

Johnny Sain again failed to shake his slump. He was battered for nine hits, six of them for extra bases, to suffer his eighth loss against only four victories.

Walt Dubiel, who started for the Cubs, had to retire in the fourth inning when he aggravated a pulled muscle injury in his side. The Braves immediately pummeled Bob Chipman to give Sain a 3-0 lead in the fourth. But Sain was unable to hold it.

The Cubs tallied twice in the fourth and tied it in the fifth. Hal Jeffcoat then broke the deadlock with his first homer of the season in the sixth.

Frisch was fined \$100 and suspended for five days by league president Ford Frick as a result of a row with umpire Art Gore at the finish of Sunday's Cub game with Boston when a Chicago runner was called out after apparently scoring the tying run.

Coach Roy Johnson took charge of the team.

Willie (Puddin' Head) Jones slashed out two home runs as Eddie Sawyer's surprising Philadelphia Phils whipped Pittsburgh 9-4 for their second straight win over the hapless Buccos.

Hank Borowy allowed nine hits in notching his seventh win of the season.

The win gave the Quakers undisputed possession of third place as Boston lost to Chicago.

Jones, the Philly third baseman, homered on the first pitch in the fifth inning for his eighth of the season. He entered in the seventh with one aboard.

At the height of his playing career Rainville spent much of the winter season in Bermuda playing in tournaments and followed the tournament trail up through Florida to hit Canada in the late spring in usually top condition.

Midget Baseball Games Played

Two Midget baseball games were played last night on Minor League diamonds and both featured a close brand of ball. The West-end Anchors defeated the East-end Pirates 3-2 in a 3-all tie and the Parkdale Cardinals edged the Spring Red Sox 3-2.

In the game at the Park the East-end Pirates scored two runs in the last inning to earn a deadlock with the strong Anchors from the West-end of the City. The Westenders outbit the East-enders 1-0 but winners on the part of their pitcher and costly errors in the infield spoiled their chances of a victory.

MacDougall, pitching for the Anchors, held the Pirates to a solitary hit but walked five batters. He struck out nine East-end batters. Donnie MacLeod on the mound for the Pirates was touched for five hits over the five innings. Donnie MacLeod got the only hit for the Pirates, MacLeod and Weatherbie had the longest hits, both wallowing doubles.

The game at the Spring Park diamond only went three innings. The game was late getting started. The North-end team used three pitchers during the game with the Parkdale team, who won the game, using two hurlers. Dunn, DeLeon, and Gauthier were the North-enders' pitchers while Taylor caught. Taylor and Carson pitched for the winners and Arsenault caught.

Arsenault was the batting star of the game as he walloped out three hits off the opposing pitcher including a home run. He was the only batter to get more than one hit in the abbreviated encounter.

Four-Team Volleyball League Formed

A four-team Physical Fitness Volleyball League was formed in the City at a meeting held at the Travel Bureau last evening, under the direction of Wes "Bucko" Trainor, acting director for the Department.

The four teams who will compose the league are Holy Redeemer, 17th Recce Regt., Brighton Horseshoe Club and Spring Park.

Although the attendance at the meeting was not as big as was anticipated, those present decided to carry on with the four teams, with the intention of leaving the league open to other clubs who might wish to join at a later date. One spokesman gave reasonable assurance last night that a fifth team for the league will be forthcoming from among Government employees.

With the exception of the opening game, which will be played on Sunday night between the Brighton Horseshoe Club and Holy Redeemer at the latter's home court, remainder of the schedule will not be drawn up for a day or so.

At present, there will be three outdoor courts available for play, one at Spring Park Field, one at the Brighton Horseshoe Club and one at Holy Redeemer.

Find Body Of Famous Quebec Tennis Player

MONTREAL, June 21 (CP) — The St. Lawrence River gave up today the body of Marcel Rainville, ex-Davis cupper and recognized as the greatest tennis player French Canada ever produced.

Oscar Ducharme, a brother-in-law, identified the body and an inquest was adjourned for several days.

Morgue sources said Rainville's wrists had been slashed. The body was recovered by a tugboat crew. Rainville died Friday night near Victoria. Pier where bystanders found a pile of clothing and a sheet of paper with his name scribbled on it.

His great days as a tennis ace were in the early and mid 30s. In his early 40s when he died, Rainville was recalled as one of the three top-line tennis stars in the Montreal district in his day. The others were Roland Longtin and Henri Menard. He was on Canada's Davis Cup team from 1929 to 1934 inclusive.

Rainville stood little over five feet in height and surprised everybody in his hey-day by his terrific back court game, which he developed while going to college. Friends recalled he took up tennis as a health measure when he was threatened with tuberculosis.

In 1930 and 1931, "Pee-wee" Rainville gained No. 2 ranking in the Canadian tennis world. He was tops by 1932, the year he won the Canadian men's singles championship.

At the height of his playing career Rainville spent much of the winter season in Bermuda playing in tournaments and followed the tournament trail up through Florida to hit Canada in the late spring in usually top condition.

Abbies Play In S'Side Twin Bill Today

The Charlottetown Abegweils will journey to Summerside today to play in the second game of a scheduled twin bill of the Island Baseball League. They will clash with the strong Curran and Briggs team of the Western Capital.

The Abbies, who have lost their last two outings, will be out tonight to regain the winning ways that they enjoyed in their first three games. The westerners defeated them the last time the two teams met by a score of 7-4.

Lefty MacAleer will be the pitcher who will have to turn the trick of beating the C & B outfit. Opposing him will likely be Cee Powell, who was beaten by the Abbies in his first starting assignment of the year. If Powell does not work for the Summerside squad, Pony Daly may take the rubber. The first C.A.F. and the Curran & Briggs nine.

The Abbies will leave from White's restaurant at 8 p.m. They will travel by private car.

King Clancy To Be Head Referee

MONTREAL, June 21 (CP) — Frank (King) Clancy, senior National Hockey League referee who announced a year ago he was retiring from hockey, today emerged from N. H. L. offices with a new contract for his 13th season as an official and the new title of "head referee."

The 46-year-old Clancy, who said last year the strain of travelling and refereeing 60-odd games a season was beginning to tell, now will handle only about 25 or 30 games.

Other duties will be conducting refereeing schools, scouting new officials, meeting with N. H. L. officials on interpretations of the rules, and occasionally taking the linesman's job while breaking in new referees.
