

### How the great strike of Coal Miners in Great Britain is benefiting Hewson Pure Wool Textiles, Limited.

At first glance this would seem altogether unlikely. However, it is a fact that this strike is proving a benefit to this well known commercial industry. It is another instance of "ill winds blowing profit to nobody." It comes about in this way. Owing to the shortage of coal all mills which manufacture tweeds and worsteds in the Old Country are closed down. This means that Canadian clothing manufacturers and wholesalers who import British cloths will receive their supply late. Now, in order to overcome this inconvenience, they are ordering Canadian made cloths in much larger quantities than usual, and owing to the comparatively small number of such mills in Canada, and the favorable regard in which the lines of the Hewson Pure Wool Textiles are held, these mills are receiving a large share of such business. While this business cannot be expected to so large an extent in future years, still it affords the Company an opportunity of showing just what it can do, and will add a still further impetus to the very largely increasing volume of sales being experienced.

Investors can participate in the property of this Company by purchasing the 7 p. c. Preferred Stock with a substantial bonus of Common Stock, offered for sale by F. B. McCURDY & CO., Charlottetown, P. E. I.

### Doan's Kidney Pills

Are the Best Remedy in The World FOR BACKACHE.

Many people fail to understand the significance of a lame, weak, sore or aching back. They overtax the kidneys—give them more work than they can possibly do—then they cry out in protest through the pain in the back. Backache is simply kidneyache and the best remedy in the world for backache and all kidney troubles is Doan's Kidney Pills. We have thousands of testimonials from all quarters of the globe to prove this. Here is one from a party who used them in England, but who is now a resident of Canada. Mr. P. R. Glaister, Wycliffe, B.C., writes: "When living in the 'Old Country', three years ago, I suffered severely from pains in the back, and had to give up work. The pain was so bad that when I stooped down to pick anything up, I felt my back must break. I tried all sorts of remedies and several doctors, but all to no purpose. One day I read of Doan's Kidney Pills, and thought I might as well try them, and to my surprise, before I was half through one box the backache had entirely disappeared, and it has not caused me any trouble since. I always keep 'Doan's' in the house and shall always recommend them to all sufferers." Price 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Stationers, Toronto, Ont. "Having direct supply 'Doan's'."

"Broom's" showing of soft felts is the highest and best that has ever been seen in this Province. Every shade, size and shade is shown. Prices range from \$1.50 to \$3. Broom's, The Home of Good Hats, 4-153d.
