PETERS ROAD AND VICINITY

Succeeding the recent hot wave, the cool, humid weather now prevailing is a relief.

Harvest operations are now becoming general. Mr. Malcolm Reid has harvested and threshed an early sown field of oats, which gave an excellent yield.

Mrs. Ida Merrill of Malden, Mass., is spending her vacation at her home, Peters Road, guest of her parents, Mr. and Mrs. Neil B. Johnston.

Miss Olga Johnston, R. N., Toronto, is now visiting at the home of her mother, Mrs. A. P. Johnston, Peters Road.

Mr. Joshua C. Jenkins and his son Roy of Trenton, N. S., made a flying visit to this part of the province, visiting relatives and friends and were the guests of Mr. and Mrs. John A. Stewart and others. Mr. Jenkins reports rather dull times in the steel works there.

Mrs. S. L. Jenkins has returned from her vacation in the province to her home at Medford, Mass.

Rev. J. S. McKay and Mrs. McKay are visiting their old friends at Murray Harbor North and Peters Road. Mr. McKay was formerly pastor of the Presbyterian Churches at Murray Harbor North and Peters Road.

In the building line, we note that Mr. John McLean, City, is having the buildings on his newly purchased property at Peters Road put in thorough repair, particularly the residence.

Mr. Edward Munn is in charge of the work and needless to say a pleasing transformation is evident.

Mr. J. B. Finlayson, proprietor Point Pleasant Mills, has his spacious Mill pond leased to a select number of urban citizens. Little by little these pleasant retreats, which gave recreation to the rural dweller are being absorbed by the city.

Mr. McGuigan, Mail Courier on this route is as usual giving excellent service.

REPORT OF CONVENOR OF AGRICULTURE— Mrs. S. J. Ross

It is my pleasant duty to present my report on Agriculture to your Institutes, and through it to encourage you to further the work that has been carried along this line.

Early in June questionairies were sent to each Club in order to obtain information on those phases of the work. Out of one hundred sixty-six Clubs which received the questions, sixty-three replies were received.

From these I was able to get an insight into Agriculture work of the Clubs as follows:—

(1) In the Institutes at New Arman, St. Peters North, Springfield, Sherbrooke and Marshfield there are members who keep bees. Information regarding beekeeping may be obtained from the Experimental Farm, Charlottetown.

(2) Sixty-one out of the sixty-three Institutes replying stated an interest in poultry raising, and fifty-one reported that they were having their flocks culled. Thirty-seven Institutes have taken advantage of the co-operative method of marketing their poultry. Any information regarding this may be obtained from Mr. Fred Nash, Dominion Department of Agriculture, Charlottetown.

(3) Thirty institutes have given assistance to the School Fairs. And we certainly trust that every Institutes will be able to take part in such a wonderful undertaking, this Fall.

(4) Ten Institutes have planted trees for the beautification of their communities, while eighteen reported that they had had rubbish cleaned up to better surroundings.

(5) Eight school grounds have been improved by school gardens and by levelling, and six have been improved by grading, carried out through the efforts of the Institutes.

(6) Kingsboro, Bayside, Mayfield, Grand River West and Ocean View, have made improvements to their cemetries.

(7) Maple Leaf has cared for the memoral plot around the Soldiers' monument. St. Raphael has helped raise funds for building a monument.

(8) The grounds about the halls and schools have been improved in twelve localities, and signboards have been erected on two schools. Two Women's Institutes have had interior of schools painted and two the exterior of the schools. Maple Leaf has built an addition to the hall for a Club room, and Seaview built a dressing room to the hall. Hunter River and Victoria Institutes helped repair the sidewalks, and Georgetown has repaired the tennis court.

(9) It is indeed pleasing to know that fifty-nine of the Institutes replying show an interest in gardening, and fifty-three grow enough vegetables for their tables the year around. Information of use to the members may be found in the pamphlet which Mr. J.A.Clarke compiled for your Convenor a few years ago. It called "Vegetables for the Home Table," and may be obtained from the Women's Institutes office, as well as the pamphlet on "Hardy Herbaceous Perennials."

Discussions on the growing of flowers and on Home Gardening were held.

(10) Fourteen Clubs had Roll Call answered with hints on "Gardening," "Poultry", "House Cleaning," and also with suggestions from the Women's Institutes handbook.

(11) Fourteen Institutes encourage a school garden, and Georgetown has an Institute Community Garden. Forty-four Institutes are interested in the growing of small fruits, and fifty-six are endeavouring to beautify home surroundings by raising flowers.

(12) Seven Clubs have assisted in making the Arbour Day celebration of interest to the children.

It is pleasing to know that we live in a disease Free area, which will be a great benefit to the people of the Island. Let us boast of this fact.

"Now, don't forget to bring me Dr. Chase's Nerve Food. I am feeling so much better I don't want to miss a single dose."

Dr. Chase's Nerve Food

INSIDIOUS EYE STRAIN

We use this adjective advisedly.

Sufferers from Eyestrain may have perfect vision and therefore do not suspect the presence of any eye defect.

The motive power of the entire human organism is Nerve Energy.

Normal eyes, it is computed utilize about 20% of this Nerve Energy, but when Eyestrain is present, a much larger proportion is required. Hence defective eyes, through their consumption of an excessive amount of Nerve Energy may seriously affect the functioning of other organs of the body and produce ill health.

ST. JAMES CHURCH—The service in St. James Church on Sunday forenoon was conducted by the Rev. D. MacVicar, Thornburn, N. S., who preached an able sermon on "Overcoming the World by Faith."

CIRCUIT.—For Sept. 2nd as follows :Hazelbrook, 11 a. m., Cross Roads, 3 p. m., Alexandra, 7 p. m., Prayer Meeting at Hazelbrook, Wednesday, 8 p. m. Mr. Moriarty of Halifax will be the speaker on Wednesday evening.

NEW UNIFORMS — Twenty-one new uniforms, blue trimmed with French Grey, have arrived from London for the members of the Canadian Legion Band. Equipped with these fine new uniforms, the band will undoubtedly present a fine appearance.

MARSHFIELD PRESBYTERIAN CHURCH.—The annual Sunday School picnic came off successfully on Mr. MacBeath's shore Saturday afternoon when those present enjoyed a feast of good things. At the Sunday evening service, Mr. N. Barnett, student-in-charge, reported on the success of the Presbyterian Camp at Canoe Cove, and intimated arrangements had been made for a similar camp next year. Miss Blanche MacBeath, who was in excellent voice, sang very sympathetically and effectively, "Ask Me Not to Linger Longer."

A PAINFUL ACCIDENT — A distressing car accident occurred near Murray Harbor North, on Saturday evening. Mrs. Beck and her two children, who had been gathering blueberries were kindly invited by a gentleman to have a ride home in his car, which they gratefully accepted. On nearing home a Charlottetown motor truck was standing in the middle of the road and in order to avoid collision the car with its occupants was thrown into the ditch. On extricating the victims it was found that the hand of the little girl, aged 9 was badly smashed. A doctor was hastily summoned, who found it impossible to save the hand. It was immediately amputated. The deepest sympathy of the community goes out to the little girl and her parents.

FLOOD-SMITH NUPTIALS.— St. Dunstan's Cathedral, Charlottetown was the scene of a very pretty wedding on Wednesday, July the twenty fifth at seven o'clock a.m., when Joyne E., daughter of Mr. and Mrs. Martin Smith, was united in marriage to Mr. Lorne B. Flood, Southport. Rev. Monseigneur Maurice McDonald, performed the ceremony. The young bride looked winsome in a gown of poudre-blue silk georgette with pearl trimmings and hat to match and carried a corsage bouquet of butterfly roses and maiden hair fern. She was attended by her sister, Miss Mary who was attired in a gown of Rose Marie georgette and black picture hat and carried a bouquet of pink carnations and maiden hair fern. The groom was ably supported by Mr. John Aylward. After the wedding ceremony the bridal party motored to the home of the bride's parents. Soutport where only their immediate relatives and friends were present. As the bride and groom entered the strains of the wedding march were ably rendered by Mrs. A. H. Burke in her most talented manner, after which they entered the dining room which was beautifully trimmed with yellow and white cut flowers and streamers, where a sumptuous wedding breakfast awaited them, daintily prepared by the bride's mother. After the wedding breakfast they all entered the parlor where a pleasant hour was spent in vocal and instrumental music, after which the bride and groom accompanied by the bridesmaid left on a tour through the western part of the province, returning home late in the evening where a jolly crowd of charivaries awaited them. The wedding presents were numerous and costly including china, silverware, cut glass and checks. The many friends of Mr. and Mrs. Flood join in wishing them a happy wedded life.

ABEGWEITS LOOK GOOD FOR THE MARITIME TITLE

Locals Working Hard Every Evening With a View to Bringing to the Island its First Baseball Gonfalon

The big Provincial Exhibition is over; the McKenna-Allen fight is relegated to the discord—it's history now and the fans are now waiting and watching for the next thrill. It's coming—Next week the playoffs for the baseball championship of the Maritime Provinces will get under way when the Abegweits play the winners of the New Brunswick series home and home games, best three out of five, and the winners of the Cape Breton-Westville group play the Halifax City League titleholders for the right to meet the survivors of the N. B.-P. E. I. tilts.

The Abegweits scenting their first Maritime baseball crown, are practicing every evening with a view to annexing the gonfalon in straight wins, and judging by the wholehearted support given to Manager Lou Campbell by the fans and players alike it looks as if the teams throughout the Maritimes, all and sundry will be forced to play ball as they have never played before to nose the locals out for the coveted silverware.

The Water Department team, Saint John, only succeeded in slightly bending the Moncton C. C.'s by a score of 7 to 5 in Saint John Saturday and much interest awaits the outcome of their second game. As it is Moncton has a glorious chance. If they come through it is a two to one bet that the Abbies will defeat them here to qualify for the Nova Scotia-Cape Breton finals. At any rate, according to exchanges the Abegweits of Charlottetown are considered the biggest threat for the flag—Watch the Abegweits.

BILL SHARON WON FREE FOR ALL AT THE HA LIFAX RACES

(Canadian Press)

HALIFAX, N. S., Aug. 27—Thrilling finishes, good racing and fast time marked the opening of the Nova Scotia provincial exhibition meet here today. Bill Sharon, the famous trotter owned by Dr. McAllister, Sussex, N. B., was too speedy for his field in the free-for-all winning all three heats and lowering the track record of 2.15 1-2, formerly held by Billy C., made in 1912, and Mayor Todd in 1916.

Fred Medium, owned and driven by Col. D. A. MacKinnon, Charlottetown made the race with him in the first heat with Batonette, owned and driven by W. A. Rudderham, Sydney, defeating the Island horse the next two heats.

Major Aubrey, owned by McNeill and Buntain, Charlottetown outfooted a classy field in the 2.25 class winning three fast heats without being extended. Bingen Aubrey, owned by Col. MacKinnon was second in every heat. Dustless Grattan created a sensation in the first heat, throwing his driver and bolting. He afterwards won third money. Devenport Prince, owned by Leo Blake, Charlottetown had too much speed for the others in the 2.29 trot, winning all heats. About 4000 people attended the races.

St Louis In Hockey

ST. LOUIS, Mo., Aug. 27.— St. Louis will replace Winnipeg in the American professional hockey league in November, it was announced here today, with the purchase of the franchise by F D. McDonald and Earl Reflow. Winnipeg was dropped because of the extreme distance, officials said.

The St. Louis team will be composed of Canadians, with a Canadian manager, present plans indicate.

To Meet Bernard

LONDON, Aug. 27.—There is a good chance that Gene Tunney will achieve his wish to meet George Bernard Shaw, who is taking a holiday at Antibes, France.

The Daily Mail's correspondent at Antibes told Shaw of Tunney's expressed desire to meet him and the latter replied:

"Tell Gene I will be delighted to meet him, in fact I have every intention of making his acquaintance. I will be in London, September 15, and hope to see him then."

Shaw added that he did not intend to allow reporters or photographers at the meeting. "We will meet as private gentlemen," he he said. "I will discuss boxing and Gene will discuss literature, so we ought to get along very well."

Shaw thinks that Tunney is very sensible in giving up boxing now that he intends to marry. "Look what happened to Carpentier and Dempsey," he commented. "Marriage softened them and finished them."

"All I know about Tunney's literary taste is that he disapproves Cashel Byron's profession," Shaw said. "So do I. It shows he has some taste and that we have something in common."

Paddock Through

NEW YORK, Aug. 27.—Returning tonight from the Olympic games and the exhibitions which followed them Charley Paddock, once the "fastest human," definitely announced that he had retired from the cinder path.

"I am through as far as running is concerned," Paddock told newspaper men who met the ship. "I went over to win or lose. I lost."

Paddock's future activities, he said, will be in the moving pictures.

Signs With Yanks

NEW YORK, Aug. 27.— Wildred D. "Rosy Bill Ryan," the Holy Cross right hander, who formerly pitched for the Giants, was purchased by the Yankees yesterday from Toledo of the American Association. Bill Dickey, recruit catcher, recently recalled from Little Rock, probably will be released to make room for Ryan.

Jeanette Royal ; Coming Fast

PRESQUE ISLE, Me., Aug. 26 — Jeanette Royal, one of the sensational Grattan Royal pacers racing in the $25,000 stakes this season, is coming down east for an invasion of the Maine and New Brunswick circuit fairs and will try to lift the crown of Bessie McKylo, 2.06 1-4, as queen of the fast record pacing brigade at the Northern Maine fairs here next week.

The entry of Jeanette Royal has been received by R. J. Smith, veteran chairman of the racing department of the Northern Maine fair, who secured definite assurance during the week-end from Allan J. Wilson of Boston, that Jeanette Royal and the other members of his racing stable would come here.

Mr. Wilson is one of the most prominent figures in harness racing in the New England States. He is president of the Metropolitan Driving Club of Boston, one of America's leading amateur organizations, and he is a former president of the Bay State circuit. For some years he has been the leading spirit in the management of Sage Park, Windsor, Conn., where the first $5,000 and $10,000 stakes raced on half mile tracks were staged, and where this season he conducted the $25,000 New England pacing derby, the first event of such magnitude ever raced on a half mile track.

Jeanette Royal will be a notable addition to the ranks of the free-for-allers at the Northern Maine Fair. She was bought by Mr. Wilson last fall as a candidate for the $25,000 pacing stakes and finished second to Chattanooga in the first heat of the big race at Windsor. Since then she has won some sparkling races on the Bay State circuit, notably her four heat victory at Northampton, Mass.

Accompanying Jeanette Royal in the Wilson Stable will be Colonel Didwell, 2.02 1-4, which once was the free-for-all candidate of the Caribou Driving Club and will start in the junior free-for-all which at the Northern Maine fair is open to 2.09 pacers, and for which a purse of $1,000 is offered. The Colonel is up to fast miles, but he will meet some tough opposition, including Tarzan Grattan, 2.02 1-4; Lambert Todd, 2.02 1-4; El Verso, 2.05; Harry Putnam, 2.07 3-4 and others. The Wilson stable will also have an entry for the 2.14 trot and inclusion of these new horses will add interest to the racing at the Northern Maine fair.

Walker Is To Battle Emanuel

SAN FRANCISCO, Aug. 27.—Having conquered and ruled the welterweight and middleweight divisions in turn, Mickey Walker will take a whirl at another weight class tomorrow night. He tackles Armand Emanuel, San Francisco's most promising light-heavyweight in a ten round bout.

Emanuel having a physical advantage in almost every way, figures to use Walker as a stepping stone to a match with Tommy Loughran for the light-heavyweight crown

Ruth Hits Homer

NEW YORK, Aug. 27—Babe Ruth hit his 46th home run of the season in the seventh inning of the second Tiger-Yankee game here Saturday with Dugan and Gehrig on base and Sam Gibson in the box.

May Fight Friday

HALIFAX, Aug. 27. — Halifax fight promoters will go before the Boxing Commission this morning for a permit for a proposed bout for Friday night between Roy Mitchell and Vic McLaughlin.

McLaughlin, who started his career in Halifax with Mike McTigue, is a big card around New York and has compiled a fine record.
