NERVES GAVE WAY— PE-RU-NA CURED.

Miss Aseneth Brady, Cor. Sec. Illinois Woman's Alliance, had Headache, Backache and Serious Indigestion.

Miss A. Brady, Corresponding Secretary Illinois Woman's Alliance, writes from 2725 Indiana Avenue, Chicago, Ill.: "Last year from continued strain in literary work I became very much exhausted, my nerves seemed to give way, and I had backache, headache and serious indigestion.

"One of my friends suggested that I try Peruna. It certainly acted like magic on my system.

"Within ten days I felt new life and health given me; and by taking an occasional dose off and on when I feel extra tired, I keep my system in perfect order."—MISS A. BRADY.

Mrs. Fanny Klavatscher, of Summerville, N. Y., writes as follows:

"For three months I suffered with pain in the back and in the region of the kidneys, and a dull pressing sensation in the abdomen, and other symptoms of pelvic catarrh.

"But after taking two bottles of Peruna I am entirely well, better than I ever was."—Mrs. Fanny Klavatscher.

THE CAPITAL OF THE WEST

SCHOLARS are reminded that the public schools will reopen on Monday.

Dr. Henry Dickie Mrs. Dickie and two children left yesterday on return to Windsor, N. S. after a vacation spent in this Province.

The Methodist Church Summerside will hold anniversary services to-morrow morning and evening. Rev. Mr. McConnell of Charlottetown will preach at both services. Special music has been prepared by the choir and it is expected that Miss Comstock will sing in the evening. The pulpit platform will be beautifully decorated with flowers.

The cargo by the Northumberland yesterday included 14 cattle, 10 calves, 4 horses, 10 pigs, 70 sheep and 18 crates of fowl for the St. John Exhibition; the cattle belonged to Senator Ferguson, Marshfield and Donald McMillan Royalty; three horses were also owned by Mr. McMillan and one horse owned by S. Mann North Wiltshire. Besides these were seven horses, an excellent lot, shipped to Adam Burns & Co of Bathurst N. B., and three horses shipped to different parties.

It is quite a common thing for to see women and girls embracing and kissing each other publicly when bidding farewell on the departure of the Northumberland from Railway wharf Summerside and occasionally we see a gentleman bid a lady and affectionate good bye, but rarely do men take such partings with men. Yesterday two strange men were seen on the wharf looking in each others arms and kissing while tears rolled down their cheeks and with a bottle—the contents of which could only be surmised—in one hand and a handkerchief in the other wiping away the tears a story without words was pictured on the minds of a few on lookers.

FAMILY QUARRELS.

With the liver and kidneys sluggish, and torpid digestion is impaired and temper ruined. But Dr. Chase's Kidney Liver Pills by invigorating the action of these organs ensure good digestion and sound health. One pill a dose, 25 cents a box.

"Is your husband a bibliomaniac?" asked Mrs. Oldcastle, as she was being permitted to view the treasures in the library of the new neighbors. "Mercy sakes, no," replied Mrs. Backenham, "he never bibles a bit. Oh, of course, I don't say that he wouldn't take a little at his meals if the rest were doin' it, but that's as far as he ever goes in them kind of things."
