

# Compound Syrup Of Hypophosphites

When a person feels "blue"—"all tired out"—feels weak mentally and physically—complains of poor appetite and sleeplessness—suffers from headache—then his nervous system is run down and demands a good upbuilding tonic.

Nervous Exhaustion is caused by too close attention to business, overwork, worry, devotion to a trying family, over study etc.

Foster's Compound Syrup of Hypophosphites forms the best Nerve and Brain food known and has restored many sufferers to health—\$1.00 bottles.

### ICE RACES.

The fourth of the series of races was held on Okeffes Lake Armadale Saturday, March 15th. The ice was in perfect condition and the sport was enjoyed by the large number of horsemen present. ### NOTES

A half mile was taped off before the race and needless to say some of the horsemen were shocked to find out how fast they were moving.

The officers intend putting on another feature in addition to the usual programme namely a "slow race" so bring along your slow ones boys.

If the ice holds clean until Wed. 19th another race will be pulled off if not fine the following Sat. March 22nd.

Miller's Worm Powders work so effectively that no traces of worms can be found. The pests are massacred in the stomach and pass away in the stools without being perceptible. They make an entire and clean sweep of the intestines, and nothing in the shape of a worm can find lodgement there when these powders are in operation. Nothing could be more thorough or desirable than their action.

Minard's Liniment Cures Colds, Etc.

### HORSE RACES

**ICE RACE.**—The race which took place on Pownal Bay Wednesday afternoon was a great success from start to finish. Six horses started but only three stayed in the race. Old horsemen say it was the best race they ever saw being a fight right through. The following is the summary:—  
Judson Lad R. Judson, 2.3.1.2.1.1.  
Juno, D. Myers, 1.2.2.1.2.2.  
Judson Boy, A. Cawer, 3.1.3.3.3.3.

### NOTE

Judson Lad is a son of Nutwood and a year old that is hard to beat when he can beat horses like Judson Boy that can do his 1/2 on ice in 1.08. And Juno another old timer step pretty lively time 1.04. Judson Lad.

### Horrid Man

She sighed "I saw the loveliest lace curtains!" she murmured. "I did want them so badly!" She sighed again. "But I knew you wished to economize, my dear, so I didn't get them."

Then he spoke. "That's too bad, dear," he said generously. "Anything that adds to your happiness and brings gladness to your eyes; anything that brightens your domestic cares and gilds the lowering clouds; anything that borders with flowers the thorny path of duty and appeals to your aesthetic nature, you are welcome to—if it doesn't cost more than a quarter."

The greater the bore a man is, the smaller the hole he leaves behind him.

## Helping Nature, the Key to Good Health

### Watch for these Symptoms

Kidney or Bladder affections don't develop seriously until Nature has given you plenty of warning that the trouble has commenced.

Constant headaches, dizziness, pains in the back or sides, swollen joints and ankles, brick dust deposits, or painful urination should make you realize positively and beyond doubt that your kidneys are out of order and need assistance.

Nature is wise and never sends out unnecessary or foolish warnings. Her call is for help, and you must do your part by bringing relief to those overburdened kidneys, or suffer the consequences.

Rheumatism, Lumbago, Sciatica, Gravel, Stone in the Bladder, Neuralgia, etc., are all caused by inflamed or congested kidneys and the consequent deranged kidney action. Don't suffer the agonies produced by these diseases. Help Nature to relieve the congestion—to heal those inflamed kidneys and to make them strong once more—by taking Gin Pills.

Gin Pills are the best remedy for Kidney and Bladder troubles on the market to-day. This is a fact proven by hundreds of testimonials. Try them and be sure of instant relief. For sale everywhere at 50c a box. A sample box free if you write to—
