DO'S AND DON'TS TO AVOID COLD
Advice to Mothers: as to the danger of colds, flu, bronchitis and such respiratory troubles.

When serving tea and sandwiches or cakes at a large table it is so much wiser to set the cups on salad plates, rather than their own saucers.

DOROTHY DIX SAYS -

War Widow's Sorrow

Departed Soldier's Mate Told She Must Forget Her Loss

DEAR MISS DIX: I am a young war widow of 24. Two years have passed since I lost my husband and I am still sunk in grief.

ANSWER: I would advise you to gather all of your courage together and force yourself to realize that you are acting like a coward.

I do not minimize your sorrow. I know that your youth has been blighted by the loss of the man you loved.

Time dulls our pain, or else we could not live. And so I think you would be very foolish to adopt a child until you have, at least, given yourself a chance to come back to normal.

DEAR DOROTHY DIX: My mother married her second husband five years after the death of my father, when I was only 13 years old.

ANSWER: Your family are acting like the feeble-minded children that they predict you will bring into the world.
