MR. MURDOCK STEWART

On Saturday, May 5th, 1928, Mr. Murdock Stewart, a very highly esteemed resident of Hartsville passed peacefully away in the Brigham Hospital, Boston, Mass., at the age of 54 years.

The deceased had been in rather a poor condition of health for the greater part of a year. His friends and loved ones had hoped that with the return of spring he would be restored to health, but in the Providence of God it was willed otherwise. Instead of improving he gradually grew worse until on the above mentioned date his gentle spirit winged its heavenly flight.

Mr. Stewart was the son of the late Mr. and Mrs. Donald Stewart of Hartsville.

He leaves to mourn the loss of a kind and loving brother, three sisters, Mrs. Annie Sherman, Lowell, Mass., Miss Margaret Stewart, Boston, Mass., and Miss Isabella Stewart, Pictou, N. S.

The deceased will be much missed by all who had the privilege of knowing him. Besides taking care of his farm he spent part of his time at carpenter work throughout the country.

Because of his moving about from place to place at his work, he was very widely and very favorably known. He was a gentleman of irreproachable character and was often spoken of as a prince among men.

He was just the type of man that the world needs to-day in every walk of life. Just why one so much needed and with apparently many years of usefulness yet before him should thus be cut down at a comparatively early age seems hard for

us to understand. But here as in many cases of like kind, God teaches us that while He removes His workers He nevertheless carries on his work. Several years ago Mr. Stewart went to live in Boston where he worked at his trade.

While there he lost a sister in the early part of 1927. The remains were brought to P. E. Island for burial. It was while taking charge of the funeral, it is believed, that he received a chill from which he never fully recovered.

During his somewhat prolonged illness, he was bright and cheerful. He had learned the art of looking on the bright side of things. His presence was always a benediction.

When the end drew near he was calm and untroubled. Death had no terrors for him. Sustained and soothed by an unflinching trust in the goodness and love of the Great God and Father of all he laid him down to rest as one who wraps the drapery of his couch about him and lies down in pleasant dreams. His passing was one of sweet peace.

The funeral, which was a large one, was held on the afternoon of Tuesday, May 8th, in the Presbyterian Church at Hartsville.

The service was conducted by Rev. R. Hensley Stavert.

The pall bearers were Messrs. Dougall McPherson, Alexander McLellan, Col. Allan McLeod, Neil Dan McLeod, Hamilton Newman and Malcolm Nicholson.

Interment was in the Presbyterian Cemetery at Hartsville.

General Pankalos, former dictator of Greece, a political prisoner since 1926 in Athens, who was suddenly released Tuesday night by the newly appointed Premier Venizelos. Gen. Tryon Tid-Bits

Miss Mabel Shaw, Charlottetown, is visiting in North Tryon, the guest of Mrs. H. M. Chisholm.

Sparks' Circus has come and gone. In the evening it was there, in the morning it was not. However many people both young and old enjoyed the day in the beautiful little town of Borden and at night went home tired but happy, while the Circus people after a strenuous day departed well pleased with their reception in the "Garden of the Gull." Tryon, of course, turned out a big crowd to see the

Messrs. Baline and George Dawson, North Tryon, were Monday visitors to Summerside, and returning visited Sparks' Circus at Borden.

Mr. Norman McWilliams, Boston, arrived on Monday on a visit to his parents, Mr. and Mrs. Ed. McWilliams, Cap. Traverse. Mr. McWilliams came by motor and enjoyed the trip thoroughly.

Around Tryon the hay mow can be heard for "haying season is beginning." The potato growers are spraying and all in all the farmers of Tryon are not having a picnic for work—work—work is the order of the day.

Mr. Lorne Campbell, of R. T. Holman, Ltd., Summerside, is visiting friends in North Tryon.

The ice-cream festival held in Pooley's rink by the Presbyterian congregation of North Tryon, Wednesday was (although slightly marred by the weather) enjoyed by all present. If the weather had been more kindly there is little doubt but that as the old Scotchman said "a grand time" would have resulted.

Messrs. H. Vessey and Elmer Saunders, Charlottetown, representing George H. Rundle Sons Co., and Cornell Clothes, were recent visitors to Tryon.

Mr. J. E. Thomson, North Tryon, left on Thursday for Nova Scotia, where he will spend a few days.

Mr. Reg. Muirhead, North Tryon, has accepted a position in Pooley's Filling Station, which is now open in the building formerly occupied by The Pooley Garage. The proprietor, Mr. W. A. Pooley, intends handling gas, oils, greases, tires and tubes, etc., and is prepared to furnish an up-to-date service on batteries, tires, tubes, in addition to operating an oxy-acetylene welder. An up-to-date service such as this operated in the country speaks well for the type of settlement wherein it is located, and I venture the assertion that Mr. Pooley has the first real up-to-time filling station on P. E. Island, that is, outside of Charlottetown and Summerside. Good luck to him, is our wish.

NOTICE

We regret that the Chrysler advertisements in the Guardian of July 9 & 17, which carried W. Herbert Poole's name as dealer in Montague were in error as Mr. Poole resigned as personal representative last March and his contract has not been renewed.
