SAVED BABY LYON'S LIFE

Untold Suffering and Constant Misery—Awful Sight From that Dreadful Complaint, Infantile Eczema—Commenced at Top of his Head and Covered Entire Body.

MOTHER PRAISES CUTICURA REMEDIES

"Our baby had that dreadful complaint, Infantile Eczema, which afflicted him for several months, commencing at the top of his head, and at last covering his whole body. His sufferings were untold and constant misery, in fact, there was nothing we would not have done to have given him relief. The family doctor seemed to be wholly incapable of coping with the case, and after various experiments of his, which resulted in no benefit to the child, we sent to Mazon, Ill., to a druggist and got a full set of the Cuticura Remedies and applied as per directions, and he began to improve immediately, and in about three or four days began to show a brighter spirit and really laughed, for the first time in a year. In about ninety days he was fully recovered, with the exception of a rough skin, which is gradually disappearing, and eventually will be replaced by a healthy one. "Praise for the Cuticura Remedies has always been our greatest pleasure, and there is nothing too good that we could say in their favor, for they certainly saved our baby's life, for he was the most awful sight that I ever beheld, prior to the treatment of the Cuticura Remedies. Mrs. Mabelle Lyon, 1828 Appleton Ave., Parsons, Kan., July 15, 1905."

DOMINION EXHIBITION

The Fisheries Department, the Art Display and the Amusement Features of the Forthcoming Great Show at Halifax.

An interesting addition to the Prize List of the Dominion Exhibition at Halifax, September 22nd to October 5th, will be the Gold Medal offered by the "Canadian Bank of Commerce" for the best exhibit of the largest variety of good fish. The Committee will, at an early date, announce the conditions of this exhibit so that ample time for preparations may be given to all concerned. The Fisheries Building will afford full accommodation for this and all the splendid exhibits that are being arranged for by the Committee in charge of the Marine Department. The Amusement Feature of the Dominion Exhibition will be on a scale of great magnificence. The splendid grounds and equipment, the fast half mile track, and the Grand Stand, with a seating capacity of 8,000, the various and beautiful buildings are contributing factors to make the Show one that will never be forgotten. On the Afternoon of the Opening Day a Horse Show will be given which should attract and please a large concourse of people. The management have guarded against a program that by its length might become tedious, and it will be limited to seven events. The first of the nine days Horse Racing was to have been on Tuesday, September 25th, but it has now been decided to start the racing on Monday the second day of the Fair. M. McF. Hall is now in New York selecting features for the Exhibition's Vaudeville Show, which will be made to excel in interest and attractiveness anything of the kind attempted in the past. For the Pyrotechnic Show the grand "Carnival of Venice" has already been secured.

Sin Against Health

Why the Usefulness of all Organs is Destroyed by Costiveness. Most important to health and comfort is proper action of the bowels. Retain these wastes and are intended for the removal of the waste particles of matter accumulate in the system. Habitual costiveness is best overcome by Dr. Hamilton's Pills, which establish regularity that is exactly consistent with nature. Not a drastic purgative—not even a pain or sensation of grip, because Dr. Hamilton's Pills are vegetable and free from irritating mineral substances found in so many widely advertised remedies. In every case Dr. Hamilton's Pills do cure and bring sure relief from headache, biliousness and other manifestations of constipation. Jas. McConnell of Walkerton writes: "Since I was comparatively a young man I have not enjoyed real good health. My appetite was good and strength kept up, yet I knew something was wrong. Frequently I took bilious attacks and violent headaches. My stomach was disordered, my skin was marky, under my eyes were heavy dark rings. Last winter I read through the "Polson's Almanac and decided my trouble was constipation. I used Dr. Hamilton's Pills, and can hardly tell the help they have given. I am now as fresh, strong and well as a boy. Just try the wonderful magic of Dr. Hamilton's Pills. Sold by all dealers. 25c per box, five boxes for \$1.00. By mail from N. C. Polson & Co., Hartford, Conn., U. S. A., Kingston, Ont.

ADVERTISING IS BROAD.

Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of the announcement, the better the advertising. No occupation space that directs attention along given and desired lines can be reasonably regarded as wasted; nor can any funds expended to this end be adjudged extravagant.—American Medical Journal.
