The other officers also were in their places—wearing a set of new regalia they had obtained as a prize, on previous night of meeting, from the Grand Lodge for having initiated the largest number of members during the quarter. Owing to the fact that Mr. William Richards and family are moving to New Glasgow, N. S., and in recognition of their services in the temperance cause a special entertainment was given in their behalf. After the business of the lodge had been transacted a programme was rendered consisting of speeches by A. D. McDonald, Jas. H. Books, Archd. McDonald and others. Recitations were given by the Misses Nettie Beck and Ruth Brehaut also by Sterling Giddings, Lyman Giddings and A. D. McDonald, while several selections were sung by the choir. Miss Addie McDonald acting as organist. Mr. Richards spoke in behalf of himself and family and thanked the members of the lodge for the pleasant evening's entertainment they had given them. The visitors, Mr. J. J. McKay of New Glasgow, N. S., and Mr. Milton Howes of Guernsey Cove, also expressed their appreciation in a few well chosen remarks. While choice refreshments were being served by the ladies, good music was furnished on violin and organ by Arthur Haberlin and Russel Sencaubaugh. After the young people had amused themselves for a short time with a few games, the meeting was brought to a close by singing "God be with you till we meet again."—(Com.)

The Cause of a Cough It is unwise to attempt the treatment of any ailment until you have discovered its cause. A cough is usually caused by an irritation, or inflammation of the air passages. This is a condition which if neglected, may prove serious, therefore a cough should always be treated before it reaches the stubborn stage. THE TREATMENT To successfully combat a cough use our SYRUP PINE TAR WITH GOD LIVER OIL It will stop the cough in a very short time, by removing the inflammation which caused it. It is a scientific remedy that is made to cure permanently, and not to merely drug a cough into silence. Price 35c per Bottle Johnson & Johnson The Quality Drugstore Cor. Kent and Prince Streets
