ALWAYS CONSULT THE PHONE DIRECTORY.

Almost every day The Guardian receives orders by mail to insert news matter of an advertising nature. In most of these cases the senders, who are frequently not known to any member of the staff and who have no account in the advertising department, write "Please insert such advertising and oblige," thus apparently implying that they think the items will be inserted free. Only a few weeks ago a reader wrote asking that his advertisement of Farm for Sale be inserted free from day to day until he cancelled it, as he is a subscriber to The Guardian. In this connection it may be said that the subscription price is not sufficient to even pay the actual cost of paper, ink, presswork, mailing, bookkeeping and other expenses of the Circulation department proper, and thus subscribers have no privilege of free advertising and are on the same footing as non-subscribers. Seldom ever does the sender pay for same, and all which will be returned by first mail in the event of the item not being chargeable, or if more money is sent than necessary to pay for the item the surplus will be returned at once, there being a greater discount for cash with order for advertising of churches & than for regular business notices. The Advertising department communicates with the sender as quickly as possible by mail or phone, often paying the messenger service to get them to the telephone if not too far distant, thus saving all possible time. People write this office to know if News, Letters to Editor, etc., are charged for and to all such there is but one reply—all items etc., of a money making nature, even though they be somewhat of a news nature, are chargeable. For instance, the advance notice or notices of a concert, lecture, pie social, picnic, etc., are chargeable if there is an admission fee, silver collection, sale of pies or sale of food or refreshments, etc. Advance notices of purely religious services, even though a silver collection is to be taken up, are not chargeable. The particulars of any of the above, after they have been held, are, however, news and thus not chargeable. The news of any past present or future business, which is still being conducted, is chargeable, if it is so stated that the object is to make the business more widely known and thus increase it. Veres accompanying death notices are also chargeable. Even items which are actual news and not chargeable but once in either Morning Daily or Evening Daily or both are chargeable for more than one insertion, as they are thus not news.

...ONE CENT per word each insertion for advertising in this column. Cash must accompany order. Minimum charge twenty-five cents.

...DRUG CLERK WANTED.—One or two years' experience preferred. Chas. R. McLellan, Summerside, successor to McNeil Drug Co. 4-17M11.

...WANTED.—Spruce, Fir and Hardwood Logs, wanted for which the highest price will be paid. Montague Furnishing Co., Montague. 1-9M11.

...SUBSCRIBERS should renew a week or two before the time they have paid for has expired and thus not miss an issue, as all papers are discontinued promptly on expiry date.

BECKLEY, W. Va., Feb. 15 (Special)—Arrested on a charge of larceny two months ago and held pending trial, Samuel Smith, thirty-seven years old, called through the cell door one morning that he was unable to move. Guards opened the door, and he convinced them he had no control over his legs. Physicians followed. "He's a confirmed paralytic," they reported.

The Kidneys Are To Blame WHEN A WOMAN'S BACK IS NOT STRONG.

Women are coming to understand that weak, lame and aching backs from which they suffer are due to wrong action of the kidneys. The kidneys are overtaxed—given more work than they can possibly do—then they cry out in protest through the pain in the back.

When the back aches and pains it is almost impossible to do her household, for every move and turn means pain. On the first sign of backache Doan's Kidney Pills should be taken so as to avoid all this suffering. Mrs. Harvey W. Brownell, Northport, N.S., writes: "I now take pleasure in writing you, stating the benefit I received by using Doan's Kidney Pills. About a year ago I was terribly afflicted with lame back, and was so bad at times I could not sweep my own floor. While looking through B.B.B. Almanac, I saw Doan's Kidney Pills were a great kidney remedy, so I thought I would try a box or two, and did so and found great relief. After using five boxes I was completely cured, and I am very thankful to have found so speedy a cure." Price, 25 cents a box, 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. McBurn Co., Limited, Toronto, Ont. When ordering direct, specify "Doan's."

MINISTERS' SALARIES.

TORONTO, February 12.—There are many ministers in the Methodist Church who are not getting the minimum salary laid down by the conference for ordained married men, which is \$900, provision for a house and allowance for a horse and its maintenance. This was revealed at a joint meeting of five committees of the Methodist Church, held today, at which matters of interest to the church came under discussion. A recommendation was passed that the minimum salary be paid to all ministers, and this will come up before the quarterly boards of the different

NO COMPROMISE AND NO AMALGAMATION—ROOSEVELT

NEW YORK, February 13.—Colonel Roosevelt made his first public appearance in the councils of the Progressive party for many weeks at the Lincoln Day dinner of that party last night to say that, so far as he was concerned, there would be no compromise, no amalgamation, no yielding in the light for the party. "The Progressive party has come to stay," he declared. The ex-President again attacked the Supreme Court of Idaho for its decision denying the Progressive party a place in the ticket at the fall election. Colonel Roosevelt declared unequivocally against the amalgamation of the Republican and Progressive parties, as recently proposed by one of the leaders in the Progressive campaign last fall.

Child Had Bronchitis

Once people get acquainted with the wonderful control which Dr. Chase's Syrup of Linseed and Turpentine exerts over bronchitis, whooping cough, croup and asthma it is not easy to persuade them that anything else is "the best good." This is why the immediate recovery was so very fast. In 1902 Mrs. Eugene Her, King Street, Truro, N. S., wrote as follows: "From an infant one of my children was troubled with bronchitis, and the least cold would aggravate the trouble. We could not get anything to help him, and were often greatly alarmed. Hearing of Dr. Chase's Syrup of Linseed and Turpentine as a treatment for bronchitis we used it, and are glad to state that it effected a complete cure. If any of the children take a cold or cough I give this medicine, and have never known it to fail to bring relief. Now the mother writes that she has since proven this medicine to be a cure for whooping cough, and would not be without it in the house."

STOMACH STARVERS EAT ANYTHING NOW

No Indigestion or upset stomach for "Pape's Diapesin" users.

Every year regularly more than a million stomach sufferers in the United States, England and Canada take Pape's Diapesin, and realize not only immediate, but lasting relief. This harmless preparation will digest anything you eat and overcome a sour, gassy or out-of-order stomach five minutes afterwards. If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion. Get from your pharmacist a fifty-cent case of Pape's Diapesin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors. Pape's Diapesin is a certain cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there. Relief in five minutes from all stomach misery is waiting for you at any drugstore. These large fifty-cent cases contain more than sufficient to thoroughly cure almost any case of dyspepsia, indigestion or any other stomach disorder.
