If Constipated Or Biliious—"Cascarets."

Headache, sour stomach, biliousness and bad taste gone by morning

Purred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will ease your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too.

MAUD MILLER'S

Wish that she hardly dared to own For something better than she had known, is the wish of many an overworked housekeeper who is compelled to cook 3 meals a day on an old-fashioned poorly equipped stove. If this

had existed in Maud's day, "It might have been" different and Whittier could not have called her a "house hold drudge."

The MONARCH lightens labours, saves time and fuel, is a good baker, and gives an ample supply of hot water for the daily tasks.

Our new catalogue is out, showing the different ways the MONARCH is supplied. Ask your stove dealer to let you see it, and also examine the Range for yourself.
