PROSPECTS PROMISING AT EAST POINT—Mr. F. Baker, Charlottetown, who has returned from an enjoyable visit to East Point, reports crop prospects there as very promising. Hay will be light owing to winter killing and cold spring, but grains are doing well, and the potato crops offer a splendid prospect. There has been no missing of seed, and bugs, owing doubtless to last winter's extreme cold, are entirely absent from large fields. The root crop also looks promising. The lobster catch, though smaller than last year, netted larger prices and as a result the fishermen are in better circumstances. Codfish is reported plentiful. North Lake harbour, built by the Conservatives at a point adjacent to the East Point mackerel banks, is proving a great boon and is likely to prove one of the best boat harbours on the Island.

A shadow of gloom passed over Nine Mile Creek on June 10, 1934 when Letitia beloved wife of Malcolm MacDonald at the age of 68 years passed from earthly cares to her home above. She was a devoted member of the Church of Scotland and was brought to a knowledge of her Saviour under the ministry of the late Rev. Mrs. MacDonald was a daughter of Samuel MacDonald and Jane Stewart late of Bonshaw. The funeral which was largely attended was conducted at her home in Nine Mile Creek by Rev. Mr. Webster of Zion Church Charlottetown, who visited her during her illness and who spoke words of comfort to the bereaved family and friends from the text "Here we have no continuing City, but we seek one to come whose builder and maker is God."

In the early nours of Saturday, June 23, 1934, the immortal spirit of James Arthur took its flight from the earthly tabernacle to be forever with the Lord. For nearly two years he had suffered with heart affliction, but his condition had not been considered grave until about three weeks prior to the end. Everything that love and medical skill could do to combat the disease was done, but in vain.

Mr. Arthur was a man of absolute integrity of character and most equitable disposition, he had a keen mind, remarkable memory, a tender and loyal heart, his sense of honor was high and his abhorrence of all hypocrisy and injustice—marked him a thoroughly consistent Christian.

The late Mr. Arthur was born on the homestead in North Rustico, where he lived his entire life, on October 12, 1859, youngest son of the late Wm. and Katherine Nesbitt Arthur.

Most favourably impressed with the summer attractions of Prince Edward Island on the occasion of his first visit here in many years, Mr. Alistair Fraser, Vice President in charge of traffic, Canadian National Railways, leaves for the mainland today with the avowed intention of seeking an early opportunity to pay a return visit. Mr. Fraser, who is a native of New Glasgow, N.S., and a son of a former Lieutenant Governor of Nova Scotia, commented enthusiastically on the appearance of Island farming communities.

He also spoke optimistically of the increasing evidences of national recovery, especially in the Maritime Provinces.

Mr. Fraser seized the opportunity for his present visit as his family is summering at Guysboro, N.S. Accompanied by Mr. M. F. Tompkins, district passenger agent, Moncton, and Superintendent E. W. MacKinnon, he called yesterday on His Honour Lieutenant Governor DeBlois and Premier MacMillan. Last evening the party visited Keppoch as guests of Mr. L. D. Murray. They leave early this morning for Summerside. The Vice President and Mr. Tompkins will return to the mainland on the noon trip of the car ferry.

A very pretty wedding was solemnized in St. Patrick's Church, Grand River West, on July the 4th, when Miss Irene Morrison, daughter of Venantius Morrison was united in the Holy Bonds of matrimony by Rev. John A. McDonald, P. P., to Mr. Urban McLellan, contractor, late of Pittsburgh, Pa., son of J. D. McLellan also of Grand River, Lot 14. To the strains of Mendelshon's wedding march the bride leaning on the arm of her father and preceded by the bridesmaid Miss Irene McLellan, R. N., entered the Church and proceeded to the Sanctuary Steps where the groom and his attendant Mr. Will Gillis awaited her coming. A large number of friends were present to welcome the tying of the Nuptial Knot.

The bride looked winsome in a costume of white organdie chiffon with veil and wreath of orange blossoms and carried a boquet of Talisman Roses. The bridesmaid was costumed in yellow argandie chiffon with picture hat to match and also carried a boquet. The bride's gift to her maid was a gold necklace and the groom's gift to his attendant a set of gold links.

After the ceremony the happy couple drove to the home of the bride where over a hundred guests assembled to do them honor and partake of the generous hospitality of Mr. and Mrs. Morrison at a breakfast table laden with delicacies disposed to tempt the palate of the most fastidious epicure. Nothing was left undone by the host and hostess to please and assure the comfort of their guests. In the afternoon the bridal party motored to Borden en route to St. John and intermediate points on a ten day honeymoon trip. "May their journey through life be as bright and sunny as the day of their embarkment" is the wish of their many friends.

Many friends throughout the Province will learn with a deep sense of regret of the death in the Prince County Hospital Sunday morning July 15th of Emma Amanda MacNutt, widow of the late Charles A. MacNutt.

About seven weeks ago Mrs. MacNutt was stricken with paralysis in Charlottetown, where she had been residing for the past several years. She had been a patient in the P.E.I. Mrs. MacNutt was born at Margate 54 years ago, a daughter of the late William R. and Mrs. Dennis. She spent her early life in Margate until her marriage. After the death of Mr. MacNutt, who belonged to Kensington, she started the MacNutt House in Summerside where she conducted for a number of years a high-class boarding establishment. About six or seven years ago she accepted a position as dietician in the Prince Edward Island Hospital and later became matron of the Charlotte Home for Aged Ladies in Charlottetown, in all of which capacities she proved highly capable and won golden opinions of everyone with whom her duties brought her into contact. It was while in the last-named capacity that she was attacked by the illness which brought her life of loving service to a close.

After a long period of illness patiently borne Mrs. Angus Neil MacLeod passed away on July 10th, 1934, at her home in Valleyfield, at the age of seventy-seven. The late Mrs. MacLeod was the daughter of Alexander and Flora Martin. Forty four years ago she married Angus Neil MacLeod. They lived for seven years in Boston, returning five years ago to Valleyfield. The late Mrs. MacLeod had a lovely Christian character. Mr. Wilfred J. Kennedy, prominent business man of Johannesburg, South Africa, is revisiting his native province. He is Chairman of the British Manufacturers' Representatives Association, and Canadian Manufacturers of the Union of South Africa, and is member of a firm which handles a large volume of Canadian goods.

Mr. Kennedy is the son of Mr. Alex. and the late Mrs. Kennedy, of Southport, and is a brother of Messrs. H. J. and F. G. Kennedy, also of Southport.

He is accompanied by his wife and daughter, Miss Dorothy, also by his sister, Mrs. Anselm Jones and son Vernon, the latter two having joined the party at Vancouver.

He declares that sales of Canadian goods in his country have increased greatly as a result of the Ottawa agreements, but believes that Canada should buy more from South Africa. That country was prepared to supply oranges to her sister Dominion and July 16th, under a new agreement the first shipment of oranges arrived at Montreal. At intervals of two weeks shipments will be sent to Canada. In order to carry out these fortnightly shipments, the government of South Africa has subsidized the steamship lines. There has also been an increase in trade in dried fruit, wines, sugar, corn and apples between the two countries.

Mr. Kennedy, who is on the executive committee of the Buy Empire Goods, South Africa First Campaign commenced last year, declared that South Africa purchased more than ten million dollars worth of Canadian goods each year, although Canada bought only two million dollars worth from South Africa. If Canadians expect to sell largely to the Union they will have to bring about a greater reciprocity.

WORLD PUBLICITY ANTICIPATED—Tourist Association officials report that while no great increase in tourist traffic has been observed to date, indications are that holidays are being taken late this year, as many inquiries are still coming in from Upper Canada by those seeking accommodation. The forthcoming Cartier celebration, it is expected, will provide excellent publicity for the Island. It is expected many newspapers of Canada and the United States will send representatives to cover the event, as well as news-reel and camera men from the syndicates which feature pictorially events of such world-wide interest.
