

# Canadiens Make Comeback To Beat Maroons 5 To 2

FORUM, MONTREAL, Que., Nov. 17.—(By The Canadian Press)—The Montreal Canadiens showed flashes of the brilliant hockey form that carried them to their second straight world's title last spring when they beat the Maroons, Montreal's other National Hockey League Club in the first intra-city game of the season here tonight 5 to 2.

**PENALTIES COSTLY**  
All the old bitter rivalry between home team clubs flared again and the crowd was as rabidly partisan as ever. Penalties were not rare, and both sides took some heavy checking. The penalties proved costly to the Maroons, as the Canadiens ran in their first two goals when the Maroons were short-handed.

**MUNRO GOOD**  
As speedy and colorful as ever, the "Flying Frenchmen" showed to much better advantage than in their first appearance of the season last week. They had the speed and the punch and their back checking broke up Maroon attacks in a demoralizing manner. Dunc Munro, a Maroon defence stalwart for several years made his bow as foe to the Maroons and bumped them energetically as they swept in on the Canadiens defence.

**THREE GOALS IN OPENER**  
The Canadiens rattled three goals into the twine behind Normie Smith in the opening period and clicked with two more in the dying moments of the game. Wasnie and Joliat teamed up for three of the world champions goals. Nels Stewart was the main spring of the Maroon attack. His sure wrist was responsible for the Maroon's two

goals. Maroons were ragged in their passing and careless around the enemy nets. They fought every inch however, and back checked consistently.

# RANGERS SHUT OUT AMERICANS WORTERS HURT

(Canadian Press)  
NEW YORK, N. Y., Nov. 17.—Showing unusual speed for so early in the season, the New York Rangers shut out the Americans 3 to 0 tonight in the first game of the "city championship" series between New York's two National Hockey League teams. Besides losing the game, the Americans received a severe blow when Roy Worters, their star goal tender, received a bad cut on his face late in the game. The Rangers outplayed and outpassed their rivals to hold the upper-hand most of the time. The game was as strenuously contested as most Ranger-American battles. Two major penalties were called, one to Butch Keeling for charging into Worters in the play in which he was hurt and one to Earl Selbert for holding Vernon Ayres clear over the boards.

**THE LINEUP**

Americans	Position	Rangers
Worters	Goal	Roach
Dutton	R. D.	Selbert
Ayres	L. D.	Johnson

# Boston Bruins Win Overtime 1-0

Fifteen Thousand See Rossmen Humble Detroit In 65 Minutes Of Play.

BOSTON, Mass., Nov. 17. (By the Canadian Press)—The Boston Bruins opened their National Hockey League home season before their 15,000 ardent followers here tonight with a 1-0 overtime victory over the Detroit Falcons.

The unexciting conflict appeared headed for a scoreless deadlock, when after more than 65 minutes of tame, open play, George Owen, centred a puck from the right of the Falcons' defense zone to Clapper who flipped it into the net with a backhand shot. The Falcons were outplayed, especially in the second and overtime sessions when the Bruins' attack became so determined that Tiny Thompson, Boston goalie, was called upon to make but two stops in each chapter. Only three penalties were called during the slow game, all on Detroit.

**THE LINEUPS**

Boston	Position	Detroit
Thompson	Goal	Connell
Shore	R. D.	Noble
Owen	L. D.	Smith

# "BIG TRAIN" WITH MAROONS

FORUM, MONTREAL, Que., Nov. 17. (By the Canadian Press)—The management of the Montreal Maroons professional hockey club of the National Hockey League came to terms with Lionel Conacher, hold-out defenseman just before the game with Montreal Canadiens here tonight. The "Big Train" immediately donned a uniform and was on the players bench with his team mates when the game started.

# "Happy Days Are Here Again"

Sporting Editor, Guardian:  
Sir:—At a meeting of the Highfield Hockey Club, the following officers were elected:  
Gordon Stetson, Pres.; Lemuel McKinnon, vice pres.; Leo Blake, Secy and manager. Mr. Otto Campbell was appointed referee for the season in Highfield rink and Mr. Archie Duffett as timekeeper. A large crowd attended and everything points to a big season in this rink, which is being made the regulation size with the City lights installed, not forgetting the lunch room and heated dressing rooms. The name of the hockey team is the Highfield Granites and colors red and white, and despite the low price of potatoes our theme song is Happy Days are Here Again.

Tom Rogers had better get that Cross Road team of his in pretty good shape, as we are a-coming. I am Sir, etc.

# SNOWSTORM CAUSES DEATH

CALGARY, Alta., Nov. 16. (By the Canadian Press)—Winter came to Alberta during the week end, blanketing practically the whole province with a heavy mantle of snow and sending the mercury into the zero regions. One death due to storm conditions was reported Saturday, Miss Maude Ghent of Gadsby, east of Stettler, Alta., in the central section of the province, died from injuries received in an automobile collision near her home town. Impairment of vision because of snow was given as the cause of the accident. Minor automobile accidents occurred in Calgary, Edmonton and Lethbridge due to slippery streets. Numerous points reported temperatures below zero, the first to be recorded this year.

# HORSE LOSING IN GERMANY

Motorizing of German farms is at last putting the horse to flight. Aided by the post-war business difficulties, the breeders of domestic animals made every effort to prevent the introduction of tractors, and met with success until recently. Now the motor truck and modern agricultural machinery are steadily driving the horse and the ox from the highway and the farm. It is estimated that German agriculture can now use 100,000 tractors, but undoubtedly the saturation point will constantly recede as machine agriculture continues to expand.

# RESCUED

LONDON, Nov. 17.—(Canadian Press Cable)—The entire crew of the schooner Ria of St. John's, Newfoundland, was rescued early today by the Steamer Aztec, according to the owners of the latter vessel. The St. John's boat, a three-masted schooner of 190 tons, was west-bound from Cadz to the Grand Banks. It was abandoned in latitude 35.58 north; longitude 38.10 west. A F. Buffet is the owner of the schooner which was built in 1920 at Marystown, Newfoundland. The steamer Aztec is owned by the Cuyamel Fruit Company of Cortez, Honduras. The message from the Captain did not disclose the reason for the abandonment of the Ria.

# Gandhi Has New Experience

LONDON, Nov. 17. (A.P.)—Mahatma Gandhi talked across the Atlantic ocean over a telephone for the first time in his life today. He bestowed his blessings on the people of the United States and said he would visit them "in God's appointed time." He was hurrying to keep an appointment with Lady Astor when the phone rang and the operator announced that St. Paul, Minn., was calling. The Rev. Fred Fisher pastor of the First Methodist Episcopal Church at Ann Arbor, Mich., and a former missionary in Calcutta, was on the line and he wanted to invite Gandhi to come to the United States.

# SAILING SHIP ENDS JOURNEY

(Canadian Press)  
NEW YORK, N. Y., Nov. 16.—A hardy Norseman emulating a hardy Italian of four and a third centuries ago arrived in Brooklyn yesterday in his 65 foot sailing ship after a ten months voyage that took him from Norway to New Orleans, up the Mississippi, through the Great Lakes and down the Hudson to New York Harbor. Captain Gerhard Folgeroe, 35, and his crew had travelled 15,000 miles since leaving Norway in the strange looking vessel which is strikingly painted and carries a Dragon in signia at its high bow and stern. The vessel has one mast and is manned by a crew of two beside the Captain. An auxiliary engine had to be installed to get it up the Mississippi but it crossed the ocean with its sails alone as had Christopher Columbus in 1492.

# LOOKING 'EM OVER

BY "TEC"  
"LOOKING 'EM OVER"  
The trek of Maritime sports writers to Charlottetown, the Mecca for mainland hockey clubs desirous of early season ice practice, has begun. Last evening Bill McCaull, prominent Nova Scotian Sports Writer, dropped into the office to say hello, and at the same time informed us that the Abegweits look pretty good. Mr. McCaull is visiting in the city with an eye to getting a line "on the red and black squid and the hockey situation in general."

**SEVENTEEN "HAWKS" COMING**  
The Hawks, Moncton entrant in the New Brunswick and Prince Edward Island hockey group will leave Moncton Thursday for Charlottetown where they will work out for several days under the direction of Percy Nicklin, former Fort Francis coach, prior to their taking the ice against the Abbies on Nov. 27 in their first game in the pre-season big six series.

Those who will make the trip to Charlottetown, in addition to Coach Nicklin, and Manager Ambrose Wheeler, will be: Jimmy Foster and Perc MacKenzie, goalers; Bill Gill, Len Burridge, Eddie Kervin and Cople LeBlanc, defence players; and Duke McDonald, Monty Muckle, Red Cook, Bert Connolly, Norman Cook, Joe McIntosh, Wick James and Snap Dickie, front liners.

**SECOND HIGHEST**  
Dave Trotter of the Montreal Maroons, who played in Charlotte-

town last winter, is the second highest paid player in the N. H. L. His contract is second only to that of Eddie Shore of the Boston Bruins. The Toronto Star says "Trotter signed up when salaries were at their height and he drove a bargain that would have been a credit to Davie Harum, the celebrated hoss trader."

**A HOCKEY FAMILY**  
An Exchange says: Harold Gross, this year with the Charlottetown Abbies, has a cousin who is a team mate of Stanton Jackson with the Buffalo Bisons. They both played in the opening game of the International League Friday night when Buffalo took an overtime win from Detroit. Gross' father, who passed away in Kitchener recently was a member of a former Allan Cup team and later a professional.

**EFFECT WONDERFUL RESCUES**  
Airplanes keep adding to their long list of works of mercy. Not the least among their recent achievements was the rescue of woman from a deserted legation on the Indian frontier during a rebel uprising. Soldiers who kept in constant touch with forts by radio, guarded the refugees as they were taken to safety. In another rescue planes solved a mystery of the Baltic Sea. The Russian motor vessel "Communa," with twenty-six persons on board, was found by airplane. The ship's engines had been disabled and it was helplessly drifting when espied from the air. A tug completed the rescue.

Owners of drug stores in Brazil are now compelled to employ college graduates as managers of pharmacies.
