

# CHEMICAL ANALYSIS

Reveals That "Pe-ru-na is Calculated to Tone up the System, Restore the Functions and Procure Health."

SO SAYS PROF. L. J. MILLER, CHEMIST.

PROF. L. J. MILLER.

Prof. L. J. Miller, late Professor of Chemistry and Botany of the High School of Ypsilanti, Mich., writes from 337 N. Clark Street, Chicago, Ill., as follows: "As several of my friends have spoken to me of the favorable results obtained through the use of Peruna, especially in cases of catarrh, I examined it most thoroughly to learn its contents. I found it composed of extracts of herbs and barks of most valuable medicinal qualities combined with other ingredients, delicately balanced, calculated to tone up the system, restore the functions and procure health. I consider Peruna one of the most skillfully and scientifically prepared medicines, which the public can use with safety and success."—PROF. L. J. MILLER.

"Builds up the System."  
Hon. Joseph H. Ridgeway, Secretary of the American Anti-Treat Society, writes the following letter from the Grand Central Hotel, St. Paul, Minn.:

"It is with great pleasure that I endorse Peruna as an honest medicine, competent to do all its claims. I have used it several times and know of nothing that cures so completely, and at the same time builds up the system. I have recommended it to a number of my friends and always feel that I do them a service for I know how satisfactory the results invariably are. I only wish every family had a bottle—it would save much sickness and doctor bills."—Joseph H. Ridgeway.

Joseph Ridgeway.

"Feel Better Than for Five Years."  
Mr. James B. Taylor, Roberts, Ind., writes:

"I am at the present time entirely well. I can eat anything I ever could. I took five bottles of Peruna, and feel better now than I have for five years. I have doctored with other doctors and on and on for fifteen years, so I can recommend your medicine very highly for stomach troubles. I take great pleasure in thanking you for your free advice and Peruna."—James B. Taylor.

"I Enjoy my Meals as I Used to."  
Mr. J. W. Pritchard, Wolf Lake, Ind., writes:

"I am pleased to say that I have been cured of catarrh of the stomach by Peruna. I could hardly eat anything that agreed with me. Before I would get half through my meal my stomach would fill with gas causing me much distress and unpleasant feelings for an hour or two after each meal. But, thanks to your Peruna, I am now completely cured, and can eat anything I want to without any of the distressing symptoms. I can now enjoy my meals as I used to do, and it is all due to Dr. Hartman and his wonderful medicine, Peruna.

"It has been one year since I was cured, and I am all O. K. yet, so I know I am cured."—J. W. Pritchard.

Dyspepsia is a very common phase of summer catarrh. A remedy that will cure catarrh of one location will cure it anywhere. Peruna cures catarrh wherever located. That it is a prompt and permanent cure for catarrh of the stomach the above letters testify.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

## CATARRH IS A GERM DISEASE.

Science, armed with the microscope, has established it a fact, and this conclusion renders obsolete the practice of treating Asthma, Catarrh and Bronchitis by stomach drugging, sprays, snuffs, &c. Such treatments are an utter failure because they cannot penetrate the delicate air cells of the lungs, or permeate the air passages of the nose and bronchial tubes where the germs of Catarrh have their stronghold. Catarrhoxone is the only certain remedy. It is inhaled by the mouth and after spreading through all the respiratory organs is exhaled through the nostrils. Catarrhoxone kills the germs, heals the inflamed tissues, clears the head and throat in two minutes, and cures in a few hours. Nothing is so effective, pleasant and simple as Catarrhoxone. Two months' treatment \$1.00. Small size, 25c. Druggists or N. C. Polson & Co., Kingston, Ont.
