ASTHMA

Can be Cured

is being Permanently Cured Daily by Clarke's Kola Compound

Why do you continue to suffer from this terrible, torturing disease, now, honestly, why do you? You know it is tearing down your system and making your life miserable. There is only one way out of your difficulty. Take Clarke's Kola Compound. It has cured thousands of others and will cure you.

Mr. R. N. Hume, C.P.R. engineer, Western Division, Kamloops, B.C., writes: "For more than twelve years I had been troubled more or less with asthma, and during the last two years the attacks became so severe and frequent that I had to lay off work for weeks at a time. Many nights I could not sleep lying down at all. Nothing I could get gave me more than a little temporary relief until the C.P.R. doctor prescribed Clarke's Kola Compound for me in Dec. '97. I took in all three bottles which helped me from the start, and since completing the third bottle have been completely cured. I have not had a single attack of asthma now for nearly three years, and express a pleasure in recommending anything so worthy as Clarke's Kola Compound. I know a lady in our town even worse than I was, whom it has cured."

Clarke's Kola Compound is sold by Chemists everywhere. \$2.10 per bottle or three for \$5.00. Book on Asthma mailed free by the G. & M. Co., Limited, 121 Church Street, Toronto, Canada.

Not To Be "Beaten"

A farmer went into a grocery store and exhibited to the eyes of an admiring crowd an enormous egg about six inches long, which proved to have been laid by one of his own hens. He had it packed in cotton and would not allow anyone to handle it, for fear of breaking the phenomenon. The grocer examined it with the rest, and, intending to chaff the countryman said: "Pshaw! I've got something in the egg line that will beat that." "I'll bet you a dollar you haven't," said the countryman, getting excited. "Right!" replied the grinning grocer; and going behind the counter, he brought out a wire egg-beater. "There's something in the egg line that will beat it, I think," said he, reaching out for the money. "Hold on, there," said the farmer; "let's see you beat it." And he handed the egg to the grocer. The latter held out his hand for it, but dropped it in surprise on the counter, where it broke two soup plates and a platter. It was of solid iron painted white. "Some folks think they're mighty clever," muttered the farmer, as he pocketed the money and walked out; "but 'tain't no use backing against the solid fact."

"Taint no use backing against the fact that neither the quality nor prices of our Groceries are to be beaten. This accounts for our increasing trade."
