DIRE-SING HEADACHES Headaches are largely the result of disordered kidneys. J. Hall, 84 Flora Street, St. Thomas, Ont., says: "I suffered for years with headaches of a most distressing nature. They would come on suddenly, and would last for days at a time. These were usually accompanied by spells of dizziness that would leave me unable to attend to my household duties. My back would be weak and I would feel much suffering through the night. I had done for me, but all in vain. Nothing benefited me and my condition was gradually becoming worse. I learned of Booth's Kidney Pills. One box gave me a complete and lasting cure. I have not had a headache or dizzy spell since and I feel like a new person." Booth's Kidney Pills are sold by druggists, 50c. box, under a guarantee to refund your money if it fails to relieve any disease having its origin in the kidneys or bladder. Postpaid from The R.T. Booth Co. Ltd., Fort Erie, Ont. Sold and printed by Geo. E. Hughes, city.
