GRAND DIVISION, SONS OF TEMPERANCE, OBITUARY COMMITTEE'S REPORT.

During the quarter ending Sept. 30, 1910, the Order of the Sons of Temperance through its officials reported loss by death to the extent of four members. We find that 'Highland Division,' located at Hartsville has occasion to mourn the visitation of death in the removal of Bro. Alex McKenzie, P. W. P. This brother gave splendid promise but he was removed hence and we extend sympathy most cordial to the bereaved loved ones, and also to the division of which he was so valued a member. In the decease of Sister Maud McIntosh, another loyal member of Highland Division is taken early in years and we would commend her loved ones and all her dear friends to the consolation of the highest.

Harmony Division at Freetown mourns the removal by death of Miss Mary Lidstone. We would desire to place on record the sense of serious loss sustained in the above deaths and may God of All Comfort abundantly sustain the sorrowing.

But the death of Brother John J. Chappell has made a gap in our ranks hard to fill. His life was not exceptionally long, but it was exceptionally active in connection with the interests relative to temperance, sobriety and good citizenship. In the church he was zealous and consistent, in the community he was circumspect and well-disposed in all his social and moral relationships. As a Son of Temperance he had few superiors, and in the Grand Division of P. E. Island he bore himself with dignity, decorum and honor. His record in the ranks of our Order was a long one.

Initiated into Victoria Division, No. 4, Charlottetown, Jan'y, 12, 1863. Moved to Fairville, N. B., in 1865, and became a charter member by card of Fairville Division, No. 182. He returned to Charlottetown and re-joined Victoria Division by card, Dec. 16, 1867.

He was made a member of the Grand Division of P. E. I., April 20th, 1869. Was elected Grand Scribe of G. D. Oct. 29, 1875, and was elevated to the honourable position of Grand Worthy Patriarch of G. D. of P. E. I., on Oct. 17, 1877. Joined the National Division of North America, June 18, 1878, in the city of Buffalo, N. Y. At the same session of the National Division he was instituted Most Worthy Sentinel.

For some time he faithfully filled the office of Grand Supt. of Young People's Work in his own Grand Division.

To his widow and family we would extend our most sincere sympathy and commend them to the consolations of the grace and comfort of Him who doth all things well.

SURE SIGNS

Of Kidney Trouble.

If your back is constantly aching and if you experience dull shooting pains, your kidneys are out of order. If your urine is thick and cloudy or your passages frequent scanty and painful, your kidneys and bladder are part of order. Neglect quickly brings on rheumatism, diabetes, lumbago, sciatica and etc.

Mrs. John Wagner of 110 Hollis St., Halifax, N. S., says: "Dull shooting pains would catch me across the small part of my back and extend into my shoulders and neck, often causing me to suffer with severe headaches and spells of dizziness. Spots would dazzle before my eyes and everything would turn black. I would fall to the floor and be unable to get up again without assistance. A friend told me of Booth's Kidney Pills and I began their use. The first box gave me relief and I am now well and strong."

GOOD AND POOR FOOD

Some Questions and Their Answers

Why is it that one housewife can make a good loaf of bread from a standard brand of flour, while another makes a very inferior article? It is because one woman "knows how," while the other does not. The same thing is true in making biscuits; a very great deal depends upon the baker. The J. A. Marvin Limited have in their employ one of the very best bakers in Canada, a man of successful experience, whose specialty is making White Lily Cream Sodas, which are "simply delicious." Put up in airtight packages. Ask your grocer for them.

CHIFFON CLOTH, IS THE FABRIC THAT IS BEING USED THIS AUTUMN FOR DRAPING EVENING DRESSES. THE GOOD SHADES ARE HERE, AND THE PRICE HERE IS ONLY \$1.15. THE CLOSEST AMERICAN PRICE, ON THE SAME LINE IS \$1.15. SHOP IN CHARLOTTETOWN AND SAVE YOUR MONEY. MOORE & McLEOD. 11-5dtf.

Cold Feet

lower the temperature of the body and influence the general circulation of the blood. It is easy to understand that when the circulation is defective a person is liable to sickness and apt to suffer from sudden changes of weather.

A Hot Water Bottle

is a great boon at this time of year and obviates such conditions as noted above. Nothing quite so convenient, nothing retains the heat just so long—Of course you know besides curing cold feet the application of a Hot Water Bottle relieves pain like magic.
