THE funeral of the late James E. McDonald, M. L. A., at Cardigan Monday was one of the largest ever seen in Kings county and showed the respect in which the deceased was held both by rich and poor alike. A large number went down by special train from the city and to Cardigan flocked people from all sections of King's County. The pallbearers were Hon. Mr. Cunnissey, Benj. Rogers of Charlottetown, W. H. Altkin, of Charlottetown, Mr. Kieckham, of Souris, Mr. Corcoran, Baldwin's Road, D. C. Moreau, of Cardigan. At the church where the service was held the immense audience crowded it to its utmost capacity and many could not obtain a sitting. Pontifical High Mass was celebrated by His Lordship, Bishop McDonald, assisted by Rev. Father Gillis, St. Peter's Bay as deacon and Rev. Dr. Walker as sub-deacon. Rev. Father Ignatius McDonald was master of ceremonies. Among the other clergy present were Rev. A. B. McLellan, Rev. J. C. McLean, Rev. Father Phelan of Lower Montague and Rev. Gregory McDonald. The sermon by Rev. J. C. McMillan was an eloquent eulogy of a man respected for his good works by all—a man high in every walk of life—in politics, in business and in the church. Dr. McMillan's address was listened to with deep attention by the vast audience. The remains were laid to rest in the adjoining graveyard.

Percy Lavers has accepted the vice principalship of the high school made vacant by the promotion of Joseph J. Gillis to the principalship. Mr. Lavers holds a first class license and it may also be remarked is the first and only Manual Training graduate the Island has as yet produced. The trustees and rate payers are to be congratulated on securing his valuable services.

The funeral of the late George Moor took place this morning from the railway depot to St. James R. C. Cemetery. The cortege was one of the largest seen here for some time evincing the esteem in which the late Mr. Moor was held. The pall bearers were: Capt. Hugh McPhee, George Parker, Thomas Hessian, G. F. Boyver, Michael MacDonald, and Richard Kehre. The deceased who had reached the allotted span of three score years and ten, was a native of Georgetown, which place he at one time represented in the Provincial Legislature. He was actively engaged in farming until this summer when illness compelled him to retire. He therefore disposed of his property in Georgetown Royalty and removed to Souris where his daughter, Mrs. A. L. Fraser resides. Another daughter, Mrs. McDonald and a son Henry, now located in Winnipeg survive him to whom the Guardian extends sincere sympathy. The late Mr. Moor was a thoroughly upright man and his removal from this vale of tears will be a distinct loss to the community.

NO RHEUMATISM SINCE. That is what W. J. Dixon reports. After a Treatment of Dodd's Kidney Pills.

BARWICK, RAINY RIVER, Oct. 5.—(Special)—Rheumatism, one of the terrors of this new country, cannot stand before Dodd's Kidney Pills. This is the pleasant experience of many settlers. W. J. Dixon is one of them. He speaks as follows: "During the summer of 1901 I had an attack of Typhoid Fever, and Rheumatism set in as one of the after effects. I had pains in my back and right hip so bad I had to use a stick to walk. I could scarcely dress myself for nearly two months, and for three or four weeks I could not lace my right shoe. "On my brother's advice I started to use Dodd's Kidney Pills. After taking three boxes I began to walk and do my work. I was cured, and I have had no pain since."

Dodd's Kidney Pills take the uric acid out of the blood and the Rheumatism goes with it.
