Skin Diseases ARE PAINFUL AND UNSIGHTLY.

Among the most prevalent are Eczema, Eczema, Tetter, Rash, Boils, Pimples and Itching Skin Eruptions. These troubles always arise from the blood being in a bad condition and it is absolutely impossible to eradicate them from the system unless you put your blood into good shape. This you can do without the slightest trouble by using Burdock Blood Bitters.

It drives out all the humor from the blood, and makes it pure and rich. Thousands of people have used it during the last thirty-five years and have been cured.

Mr. Robert Gamble, Jones Falls, Ont., writes: "I was afflicted with a great blood purifier, Burdock Blood Bitters. My wife and I had itching sores on our face and ears, and tried everything to help them, but found no relief. We saw your B.B.B. advertised and got a bottle, and before it was half gone we both were getting better, and when it was all gone we were cured."

Burdock Blood Bitters is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

Have You A Bad Sore?

If so, remember these facts—Zam-Buk is by far the most widely used ointment in Canada. Why has it become so popular? Because it heals sores, cuts, skin diseases, and abscesses, and is claimed for it. Why not let it heal your sore?

Remember that Zam-Buk is altogether different to the ordinary ointments. Most of these consist of animal fats. Zam-Buk contains no trace of any animal fat, or any mineral matter. It is absolutely harmless.

Remember that Zam-Buk is at the same time healing, soothing, and antiseptic. Kill the germs, soothe the sore, and prevent infection, and it is suitable for recent injuries, and diseases, and for chronic sores, ulcers, etc. Test how different and superior Zam-Buk really is. All druggists and stores at 50c. box. Use also Zam-Buk Soap. Relieves sunburn and prevents freckles. Best for baby's bath. 25c. tablet.
