TREATMENT FOR DEAFNESS, HEAD NOISES AND CATARRH SENT FREE!

Offensive Catarrhal Conditions Ended By Home Remedy!

Successful Home Treatment Originated By Dr. W. O. Coffee Assures Quick Relief for Nasal Catarrh.

Free Trial Treatment Sent to All Sufferers.

This is a generous offer. An offer of a special, carefully prepared and tested home treatment for catarrh of the nose, throat, head and air passages absolutely free. No strings to it in any way—it is open to everyone—to every catarrh sufferer in the entire United States. Every sufferer, everywhere, who reads this announcement, should unhesitatingly accept it.

There are sure to be thousands of these treatments given away. The more the better; because it is certain that all who make this free test will prove to their satisfaction the worth of Dr. Coffee's treatment. Every self-treatment will make a permanent booster.

For no matter how much you are told about this way of combating catarrhal conditions, or of the thousands who have been given complete freedom by its use—and its reactions—in your particular case is better than all explanations.

This treatment for catarrh—for freedom from that condition—relieves and forestalls many feared and distressing situations. A real test is better than the usual testimonials from those who have been given relief. And when the gift-treatment has been tried, you will wonder why this splendid treatment was never called to your attention before.

Dr. Coffee won success as a catarrh and deafness specialist. He has suffered with catarrh, deafness and head noises and many of its complications. Innumerable treatments failed to better his condition.

Is This Your Condition?

He experimented until he found a way that gave him real and actual relief in a permanent way. Following this, he treated thousands of sufferers in the same manner. Many have written, after completing the treatment, expressing thanks for their recovery; that they had absolute freedom from colds, nose and throat discharges; from poisoned systems, foul breath, bronchial affections and even rheumatism and intestinal troubles. All due, as they say, to their catarrhal condition.

Catarrh is a Handicap.

Dirt and dust, from contaminated sections are deposited in the nose and throat with every breath. Much of it finds its way into the mouth, for nasal catarrh causes the disgusting, offensive mouth breathing. The impurities in this filth-laden air are deposited in the catarrhal fluid—the mucus. Soon it finds its way into the body—and it is a strong constitution indeed that can withstand the disease, once it is started.

Thousands Recommend Dr. Coffee's Treatment.

Don't miss this chance to make the acquaintance of this logical and purely medical catarrh treatment. A treatment, the worth of which is attested by so many who have written of their relief.

Slowly and carefully it was developed—until at last, after many thorough, painstaking tests, Dr. Coffee was convinced that he had the best treatment, the most effective course he had ever found. Its success in the past proves that it accomplishes its purpose. And it is free on trial to you. Just send the coupon.

"DON'T YOU THINK AN OLD LADY LI' ME WOULD BE HAPPY TO BE LID OF HER DEAFNESS AND CATARRH."

Saved From Deafness and Catarrh by Home Treatment!

Literally thousands of people from different sections of the United States have used this special, original home treatment. Not only have many found relief from distressing head noises, but restoration of good or normal hearing as well.

Wonderfully Improved

"I received your treatment for catarrhal deafness and in just three days after I had used it, my hearing began to improve. And now I am wonderfully improved."

Yours very truly,
D. H. Carpenter,
Alabama.

Please accept my sincere thanks for the successful treatment of my hearing. After being nearly deaf in both ears I have attained my good hearing once more.

Sorry not to have acknowledged before and wish to say I am grateful to you for the wonderful results.

Mrs. C. Lunden,
Per E. Lunden.

Head Noises Gone.

"I was remarkably benefited by your treatments. I have been troubled for years with violent head noises and finally a friend advised me to try your method; he sent for the treatment himself. I noticed improvement at once, and now I am well."

Mr. C. McGinness,
Pennsylvania.

I'm writing this letter in reply to the one that I received from you. Your treatment has certainly done wonders for me. I can't find words to express my thanks. I will recommend your treatment wherever I go. If you wish to publish this letter you have my permission to do so.

Yours truly,
Mamie A. Chapman.

"I had been suffering with catarrh for seven years and tried a great many remedies, but did not find anything that helped me until I got hold of Dr. Coffee's. Can say after taking the treatment I noticed a change for the better inside of a week. I will recommend your treatment to anyone who has catarrh."

Deafness Due to Catarrh Of The Air Passages

Authorities Blame Ear Tubal Catarrh For a Large Per Cent Of Deafness Throughout The World.

Free Trial to All Sufferers.

According to authorities who base their assertions on years of research and actual medical observation and practice, a very large percentage of the deafness in the world today is due to catarrh—ear tubal catarrh.

Not only is ear tubal catarrh, which is really a development of nasal catarrh, blamed for deafness, but at its door are laid many other diseases, such as stomach catarrh, poisoned conditions of the body, and a generally diseased condition.

This May be Relieved.

This condition may be relieved. Dr. W. O. Coffee, a specialist in the Middle West for many years, developed a home treatment for deafness, head noises from ear tubal catarrh, and catarrh itself. Through this method, it is possible to remedy the catarrhal condition in many cases and make hearing practically normal once more. It has been proved that in many cases this is true.

Great Success.

Phenomenal success has attended the Dr. Coffee home treatment. More than 500,000 cases of deafness, head noises due to ear tubal catarrh and ordinary nasal catarrh have used this method in all sections of the country and out of this number a huge number have reported complete satisfaction.

Most of these sufferers have been people whose hearing was bad in one ear and was rapidly getting bad in the other. With every cold, the hearing grew worse. This condition was relieved for many; relieved not only for the time, but the catarrhal condition was bettered and in many cases all traces of the disease disappeared.

Deafness strikes at all—old and young—and Dr. Coffee's home treatment has been used by people of all ages. By this method many who were apparently destined to go through life with the handicap of impaired hearing were made normal once more.

Ear Tubal Deafness Successfully Treated by Simple Home Method

Trial Treatments Given Free To Sufferers From Deafness, Head Noises and Catarrhal Conditions.

Dr. W. O. Coffee, for many years an eye, ear, nose and throat specialist in the Middle West, developed a treatment for deafness and dullness of hearing from ear tubal catarrh and for catarrh itself which has resulted in the restoration of hearing for so many.

Basing his treatment on the fact that in a very large percentage of the cases, loss of hearing is due to a catarrhal condition, Dr. Coffee by concentrating his efforts in that field proved that restoration of hearing is not a myth. Thousands of people from all sections of the United States have taken this original home treatment and have been benefited. Letters from hundreds of these people attesting to the effectiveness of this method are on file here.

Dr. Coffee never claimed that his original treatment would restore hearing to all cases of deafness, but he said if the deafness or head noises are caused from a catarrhal condition and the tissues of the middle ear are not damaged, the hearing should be restored to real good or normal. Basing his experiments in his office on this practical relief of these conditions, he positively demonstrated that the restoration of hearing to many severe cases is an easy, practical thing for the sufferer to accomplish for himself at home.

Tells of Development.

Years ago the late Dr. Coffee himself began to suffer with head noises, dullness of hearing and with catarrh. He was rapidly losing his hearing. It was had in one ear and with every cold it would get bad in the other. Slowly but surely his hearing appeared to be leaving him. He naturally tried every treatment that he knew of, as deafness in his profession would have been fatal to his success. After a great loss of time and when two operations had failed to give permanent relief he calmed his fears and began to analyze the cause and effect of the trouble.

Basing his treatment on the results of this study he evolved a system which he believed would remove the handicap of deafness if anything would. There was nothing magical about it. It was a logical scientific treatment and within a short time he began to improve. After some time, he was normal again.

Treatment Sent to Thousands

Acquaintances and friends of the doctor's inquired as to the treatment and soon he was overwhelmed with requests for the method. To treat this number of people in time allotted to office hours would have been impossible; and so he started to develop a home treatment. After careful consideration he effected a course which he believed to be effective. He allowed a number to try it at home, without the assistance of a physician, and found that they could do the work with almost the efficiency and the good results that a doctor could.

Explains Free Offer.

To prove that this treatment is effective—that deafness, dullness of hearing, and head noises from ear tubal catarrh, and nasal catarrh can be treated and relieved at home, free trial home treatments will be sent to sufferers on request. These announcements are being made in newspapers throughout the entire country and you are urged to send for free treatment now before offer is withdrawn.

Deaf Since Child: Hearing Grew Benefited This Way

Chronic and Acute Deafness Ends.

Mrs. Mona McBride, of Illinois, says: "This is to certify that since having scarlet fever when a little girl, I have been hard of hearing, and for the past four or five years I have been almost entirely deaf. A few months ago my left ear began to discharge. I found it to be abscessed and discharging a foul fluid. Nothing seemed to stop it and finally I tried Dr. Coffee's treatment. To my surprise and delight the hearing in the ear which was partially deaf for nearly 20 years has returned and the abscess has healed. Now I can hear a conversation six feet away. I didn't believe it possible, and I certainly advise anyone suffering with deafness to try this treatment. I obtained relief in a short time."

Treated Successfully at 30 Years

"I used the medicine you sent me and have completely recovered. I am 30 years of age and you can use my name and this letter as you see fit, but I am very thankful for your medicine and I think Dr. Coffee's treatment is great."
