

Watch Your Nerves!

If you are breaking down under the strain and stress of work—take a word of timely advice. Look out for your nervous system. It takes phosphate to nourish your nerves. Modern over-refined foods do not contain enough of these phosphates; therefore, your nerves practically "wear out."

To Darken Hair Apply Sage Tea

Look Young! Bring Back Its Natural Color, Gloss and Attractiveness.

Common garden sage brewed into a heavy tea, with sulphur added, will turn grey, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, you just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

This preparation is a delightful toilet requisite and is not intended for the cure, mitigation or prevention of disease.

BANK PROMOTION.—Mr. E. Blake McInerney, formerly of the staff of the St. John branch, Royal Bank of Canada, King street, has been promoted to the important position of assistant manager at the head office, Toronto. About two years ago, Mr. McInerney was transferred to Montreal, where he was accountant for a year. For the past twelve months he has been acting accountant of Toronto. The new official who is a brother of Mr. H. O. McInerney, Judge of Probate has a large circle of friends in St. John, and throughout the province, who will rejoice to learn of his promotion. St. John Globe. Mr. McInerney was educated at St. Dunstan's College and has many friends in Charlottetown.

MILITARY HONORS.—The following paragraph from the Ottawa Journal Press supplies additional particulars regarding Captain Pope: "A host of friends in Ottawa will be pleased to hear the news that arrived today that Captain Maurice Pope, of the Canadian Engineers, has won the Military Cross for gallantry in action. Captain Pope is the third son of Sir Joseph and Lady Pope, of the Ottawa Collegiate Institute and McGill University, later entering the service of the Canadian Pacific Railway. When war broke out he joined the Canadian Engineers. Later he was promoted to Intelligence Officer on General Odium's staff in the 11th Infantry Brigade. Capt. Pope has been more than 2 1/2 years on active service. Some ten days ago he was mentioned in the despatches. The Evening Journal extends sincere congratulations to Sir Joseph and Lady Pope on the honor that has fallen to their gallant son."

LONG RIVER—A memorial service for Pte. Leslie McLeod will be held next Sunday, Feb. 17th, at 2 p. m., in the Presbyterian Church, Long River.

G. W. V. A.—Ladies interested in the G. W. V. A. are invited to attend a meeting in the rooms on Monday February 18 at 4 p. m. 2584-2-15M4ipd

HOCKEY MATCH OFF.—Owing to illness of two of the members of the Millionaires the match arranged between them and the Summersides in Crystal Rink which was to have come off tonight has been postponed till a further date.

G.W.V.A.—Professor Letch, President of the Great War Veterans' Association, has received a letter from Premier Arsenault stating that owing to his having to leave for Ottawa he was unable to attend the opening of the Club's Rooms and wishing the Association every success.

CONVALESCENT.—Her many friends will be glad to learn that Miss Ruby Hacker, Summerside, who has been seriously ill in New York, of blood poisoning, is now definitely pronounced out of danger by her physicians, according to letters received here yesterday by Miss Lucinda Shaw. Miss Hacker has been training in nursing at the Roosevelt Hospital, New York and had the misfortune of contracting blood poisoning several weeks ago. Her mother, Mrs. W. S. Hacker of Summerside has been with her during illness.

HOCKEY—A very friendly game of hockey was played at the arena rink last Tuesday night, between the second High-Go-Mucks and the Maple Leafs, the score being 8 to 3 in favour of the High-Go-Mucks. Line up—Doiron—Goal—H. Herald, J. Harris—Point—J. Connolly; J. Ryan—C. Point—B. Praught; B. Beers—Rover—A. Burns; C. Large—Centre—B. McCarey; E. McNevin—Wing C. Jenkins; C. Curtis—R. Wing—F. Welsh. Challenge—The Second-High-Go-Mucks wish to play a return game with the Maple Leafs Tuesday next.

WON THE MILITARY CROSS.—Lieut. Alfred Gillis of Campbellton, N. B., a brother of Mrs. (Rev.) H. J. Fraser formerly of Summerside and now of Truro, N. S., has recently been awarded the Military Cross for conspicuous bravery. Lieut. Gillis enlisted as a private at the beginning of the war, and was promoted to a Lieutenancy on the field. He was wounded about two years ago and after a short furlough at home returned to the front.

FUNERAL SERVICES.—The funeral of Mrs. William Wayne was held from the home of her daughter, Mrs. Jacob Smith, Bungey, on Friday, Feb. 8th. The service at the house and grave was conducted by the Pastor Rev. L. J. Leard. Mrs. Wayne had reached the age of 87 years. A large number of people gathered to pay their tribute of respect to the memory of a good Christian woman. She was a member of Hunter River Methodist Church. She is survived by several sons and daughters who cherish her memory.

THE VALENTINE TEA.—The Valentine tea given by the Ladies Auxiliary of the Y.M.C.A. last night was a splendid success, there being a very large attendance and a most enjoyable time. An excellent repast was served, while ample amusement was furnished the latter including a most accommodating Turkish palmistry artist, who read all kinds of good fortune in store for those who patronized him. An "elephant table" also afforded both profit and amusement, the wares disposed of being by no means "white elephants" and including practically everything from a pair of prunella boots of a previous season's vintage to the modern hand-painted sachet powder envelope. The proceeds of the tea and sale will be used in generally improving the Y.M.C.A. rooms.

PRINCE EDWARD THEATRE.—Geraldine Farrar, in "The Woman God Forgives" drew another large audience to the Prince Edward last evening. This is a splendid feature play, showing in a most graphic and realistic way conditions that prevailed in Mexico before the Spanish conquest. Miss Farrar as "The Woman" the last of the Aztecs, and Wallace Read, as Alvarado, a conquering Spaniard and her lover, developed the full possibilities of their star roles and were ably supported by a very strong cast. "In a Chip of the Old Block" was introduced to local theatre goers, a vest pocket size Charlie Chaplin, who kept the audience in appreciative mirth throughout the presentation.

The Pathe News Bab's Burglar

COMING HOME.—Mr. George Rackham has received word that his nephew Private Earl Warren of North River expects soon to arrive in Charlottetown from overseas. Private Warren left here with the 15th Battalion, and has been in a hospital for several months suffering from a gun shot wound in the arm. His friends here will give him a hearty welcome.

FORMER ISLANDER.—Looking the picture of health and prosperity Mr. F. L. Dawson of Vulcan Alta., formerly of Charlottetown Royalty and a son of the late W. F. Dawson who formerly resided on the St. Peter's Road, a short distance from Charlottetown is revisiting his old home after an absence of fifteen years. Mr. Dawson went West in 1903 and took up land in Vulcan, Alberta, where growing. The town of Vulcan, one would naturally associate with great iron works but strange to say the wealth of that section is on the surface not underneath. Immense crops of wheat are grown there year after year. The wonderfully rich soil requires no manure or fertilizer. It is one of the finest wheat growing sections in the west, and five thousand acre wheat farms are to be found here. The government fixed a price of \$2.21 F. O. B. Port William last October. This nets the farmers \$2.03 after freight and commission are deducted which is considered a satisfactory price. They consider it unfair however, that whilst the price of what they sell has been fixed there has been no attempt to control the prices of agricultural implements which they buy and some of which have advanced over one hundred per cent. in the last three years. The shortage of labor is felt by the farmers there. Mr. Dawson states a demand has now risen that the government conscript alien labor for working on the farms. "We do not think it fair" argue the farmers "that our sons who are fighting at the front should receive \$1.10 a day whilst we have to pay foreign laborers who take their places five dollars a day." Mr. Dawson states that the government of Alberta has now on hand a movement to encourage hog production. This should prove a success in the northern part but not in the southern part where there is a scarcity of coarse grains for feed. Mr. Dawson leaves next week on return to the West.

ROTARY CLUB.—Rotarian H. V. Buntain presided at the Rotary Club luncheon yesterday, and extended congratulations to the new Mayor, Rotarian Dudley Wright, and the new Councillors, Rotarians Dr. Yeo and Jack Webster. The Mayor said he was satisfied that his election was largely due to the Rotarian spirit permeating Charlottetown. Never in the history of the City had such a majority been piled up by one candidate. He was perfectly satisfied that with the new blood that had been infused into the City Council was equal, if not superior, to any of its predecessors. If he could be of any use to the Rotarian Club as Mayor he was at their service. Councillor Yeo thought a great deal of the success of Rotarian Webster and himself was due to the active and quiet work of the members of the Rotary Club. They had not sought nomination; they had been persuaded to come forward, and the result of the voting showed that it was the desire of Ward 4 they should be its representatives. Rotarian Webster also acknowledged the compliment and said they appreciated very highly both the support given them by their fellow Rotarians and the handsome majorities given them by their new constituents. He thought if the spirit of Rotary were infused into the proceedings of the City Council it would be advantageous to all concerned. The Mayor and two Councillors intimated that on election day they had received telegrams from Dean McRae, Dalhousie University, President of the District, wishing them success in the contest. Mr. Hector McLean Van Buskirk then gave an interesting address on the invention and history of the telephone, mentioning that the local telephone company was first launched in 1875 with a capital of \$25,000 and today there were in the province 24 exchanges and 2,500 telephone. He referred to the successful inauguration by the Government of the district telephone companies with the right of free service among themselves and connection with the main service by the payment of tolls. Referring to long distance messages, Mr. Van Buskirk said that the wires to Tignish and Alberton were galvanized iron which were satisfactory for short routes, but did not give the same satisfaction for long distances. The Company had approached the Government and offered to substitute copper wire (which would enable anyone in any part of the island to speak to Boston if necessary) provided the Government would permit them to increase the maximum long distance toll from 30c to 40c. The Government however, while appreciating the improvement that would be effected, could not see its way to consent to an increase of rates. Mr. Van Buskirk then gave some interesting details about the internal working of the telephone exchange, and said it took 18 months to train an operator properly. The busiest times in the day were from 10 to 11 a. m., and from 2.30 to 3.30 p. m. Usually any complaints about delays in calls occurred about these hours, and he wished them to understand that it was not due to inattention but pressure of business. Their employees were all trained to be courteous and attentive, and he asked that some consideration should be given them by patrons when any delay was occasioned, as more often than not this was due to causes over which the operator had no control. The proceedings closed with the National Anthem.

Mr. J.E.B. McCready returned yesterday from Kelly's Cross. Mrs. L. H. Douglas of Cardigan is visiting her brother Mr. Reuben Macdonald of this city. Miss Luella Gordon of Cardigan and her sister Miss Marguerite arrived in the city yesterday. The latter entered the P. E. Island Hospital to undergo an operation for appendicitis. The many friends of Miss Vera F. Costain, Morningside, will be pleased to learn that she is rapidly recovering from her recent operation for appendicitis, and will soon be able to resume her studies at the Prince of Wales College.
