...SERIOUS LOSS.—Mr. Adolphus McEwen, St. Peter's lost a valuable Eskham waggoner foal last week which died from pulmonary tuberculosis. This colt took first prize at the King's Co. This bridge, having a 30 foot draw, is up-to-date in every sense of the word and reflects credit to the contractors and to the foreman, Mr. A. C. McPhee.—U.

...ST. PETER'S.—Things have been so hustling around here this past week that one has not had time to give an account of one's self or even to think of the outside world. The farmers have been pouring into the town all week, their teams laden with produce of all kinds, grain, pork, beef, geese, ducks and fowl, and latterly a little frost on their mustaches, for Jack Frost has been very much in evidence, the past few days. The skating rink managers have been busy, and they have the ground bottom frozen solid and levelled off preparatory to flooding, which they will start right away, as they expect to have skating ready within ten days, if the weather keeps hard. Conditions committing a big season is expected this year. Mr. Gavin Walker is doing the repairs in the dressing rooms, etc. The work of drilling the new well along side the rink is being done by Messrs James and Michael McKenzie and is very nearly completed. This when finished will add greatly to the facility of floating, as compared with last year, when the water had to be pumped from a well one hundred yards away which resulted in many difficulties being encountered such as freezing of pipes, etc. This they will escape this season on account of the installation of the new system.—U.

**Suggestions for Xmas Gifts**

The best of all gifts would be a piano. Have you heard our PLAYERS? We have a number of well-known makes at present such as HEINTZMAN, MORRIS, KARN and SHERLOCK-MANNING. We also carry a full stock of Player ROLLS, including both popular and standard music.

**Phonograph**

Why not buy an EDISON and insure a MEERY XMAS to all? This is a gift for the entire family. We carry EDISON machines at all prices. Ask to see our AMBEROLAS. We also carry a full stock of choicest RECORDS. Would they not make a pleasing gift for that friend who owns a phonograph?

**Musical Instruments**

In the smaller musical instruments we are offering VIOLINS, GUITARS, AUTO-HARPS, MANDOLINS, BANJOS and ACCORDEONS as well as CORNETS, CLARIONETS, FLUTES and PICCOLOS, bought direct from the factory in Germany and we are in a position to give you exceptional values at moderate prices. Then we have HARMONICAS that would gladden the heart of any small boy.

**Music Rolls, Bags and Satchels**

There is no more suitable gift than a MUSIC ROLL or SACHEL. It is a constant reminder of the giver and unlike many other gifts is of real value to the recipient. We have them here at all prices.

**Sheet Music**

Have you thought of sheet music as a possible gift? This if properly selected is sure to please. Why not give us a chance to aid you in this direction? We keep the STANDARD music in both vocal and instrumental, the kind that one never tires of, as well as the very latest in POPULAR music. What about a song book? We are in a position to suit you in this line.

These are but a few general suggestions which we trust will be of benefit to you. REMEMBER there are 364 other days in the year besides XMAS, and if you want to give something that will be appreciated throughout the entire year you cannot do better than invest in a musical instrument of some kind.
