PRINCE EDWARD ISLAND

And Its Attractions to Tourists.

Prince Edward Island's summer climate is delightful, and the scenery is beautiful and quietly picturesque.

Charlottetown has over 12,000 inhabitants, and is the capital. It has many great retail stores, besides a large wholesale trade.

Charlottetown has a Gas Light and Power Company, two Electric Light plants, and a street railway in embryo.

It has a first class water works and sewerage system. It is famed for its wide and shaded streets, its many pleasant drives, the principal of which is the new Park Boulevard.

Its attractive surroundings, pure water, and clear, cool and bracing air. It is widely known as one of the healthiest cities in Canada.

It has two hospitals, many churches and a large and elegant new Opera House. It also has several fine public buildings and a market which is one of the chief sources of the citizens' pride.

It has one of the largest and best equipped pork-packing establishments in the Dominion. On its west side is Victoria Park—a favorite summer resort—while on the east are the magnificent new Exhibition Buildings and Driving Park.

Chief among its public squares is Queen Square in the centre of the city, beautifully laid out with blooming plants of every description, fountains, and well arranged walks, and enlivened with a band of music during the summer evenings.

The rural scenery in the vicinity of Charlottetown is charming, and horses for driving are abundant at very low prices. Boats can also be hired, and steamers run regularly on the bays and rivers, affording most pleasant excursions.

The principal hotels are Davies, Queen, and Revere. Summerside has about 4000 inhabitants. It is situated on beautiful Bedeque Bay. It has the largest and finest departmental store in the Maritime Provinces, besides having other large retail stores.

It has an Electric Light Plant, and a water works system and sewerage are being agitated for. The hotels are—Clifton, Russ, and Campbell. Georgetown and Souris have a population of about 1,000 each.

In the former are the Aitken, and Tapper hotels and in Souris the Sea View. At Cape Traverse, a very pleasant summer resort, is the Lansdowne hotel.

In Alberton, the Albion Terrace and Wisner. In Tignish the Railway; in Kensington, Clark's and Commercial; in Montague, McDonald, and in Mount Stewart, Clark's and Manson.

The following hotels open for the summer season: At Hampton, Pleasant View; at Stanhope, Mutch's; and Cliff. At Brackley Point, Shaw's; at Rustico, Seaside; at Maizepeque, North Shore, and Hodgson House at Tracadie Beach, Acadia; at Alberton, Seaforth, Port Hill, Port Hill House, and at Pownal, Florida.

In addition to those already mentioned there are other towns and villages in the Province with hotel accommodation, while many farm houses prepare for the reception of tourists. The rivers and streams teem with trout, the bays with mackerel, while game of almost every description abounds.

Visitors to Prince Edward Island, who desire full information regarding hotels and boarding houses, trains, boats, livery stables, etc., and how to reach the different seaside and country resorts, fishing places, etc., can obtain the same by writing to or calling on Messrs Johnson & Johnson, Druggists, Frowse Block, Charlottetown, and Mr. D. K. Currie Water St. Summerside, where all information will be cheerfully given free of charge.

All hotels and farm houses having accommodation should register at the above places at once, stating charges, nature of accommodation, locality, and such matters as tourists would like to know about.
